PRESIDENT'S COLUMN

*Submitted by Denny Gelfand,
KCCA Board of Directors President*

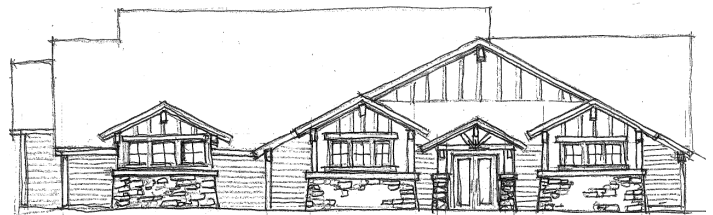

Hello, again, to all our Association members. So, how is Spring treating you? It feels great to me. As April approaches, a couple of things are worth mentioning: first, if you have had studded tires on your car, Oregon requires that they be removed by midnight, March 31. Next, as I'm sure you all know, federal and state tax returns are due by April 18. Another thing that comes to mind is that it is time to start planning, and maybe planting, our veggie gardens! I know I plan to plant some tomatoes, peppers, and zucchini this year. Fresh garden vegetables are nice to have and nice to give to others.

Now for some sad news: my friend and the recent mayor of King City, Darrel Unruh, passed away quietly on the 4th of March. Darrel did many great things for the people of our city and he will be missed. One of the "behind the scenes" things Darrel did was to pick up the donated bread on Sundays. Many in the community have benefited from the bread we are able to distribute each week. If you would be willing to volunteer some of your time to help out, just call City Hall and leave a message for Ken Gibson or me.

The parking lot lighting improvement project is nearly complete; has anybody noticed that there is much better lighting now in front of the clubhouse? There is! We believe one more light, with standard, is

needed. It will be installed as soon as the bids can be processed through the Finance Committee and Board of Directors.

pool area. This much needed project is a work in progress as we recognize some additional needs of our residents. We are studying the cost/benefit of a new, larger, 12'x12' hot tub, and the cost of a three-lane lap pool. Of course, the project includes rebuilding the bathrooms and the locker rooms. There will be six to seven additional showers, private dressing rooms for the women, and a family shower, restroom, and dressing room for families who need to get little ones ready for that fun swim they really enjoy. We on the Board are dedicated to completing this project without any additions to assessments, now or in the future. For those of you who are not swimmers, this is going to be a much nicer area in which to hang out with your friends and neighbors and, to make an understatement, it could substantially increase the value of your biggest investment, your home.

Director Terry Pittsley, Secretary, is the Chair of this year's ad hoc Election Nominating Committee. Two

PRESIDENT, *From Front Page:*

KCCA members, Don Ryan and Marie VanderWeele, are also on the committee. If you are interested in being elected as a Director, please call Kristina at the Clubhouse office, or contact Terry, Don or Marie.

If you do plan to get involved in your community by running for the KCCA Board of Directors, we welcome you to the elections. We do ask one thing of you, that is, that you conduct your campaign with respect and consideration for the other residents who are running. I can tell you that anyone who thinks it is okay to campaign for oneself or for someone else through the use negative, defamatory, disparaging, aggressive, hateful, spiteful, or retaliatory methods or language is in error and that the matter will be addressed by your Board of Directors. Unfortunately, the Board has received reports that some individuals have started using these methods. Please feel free to share your concerns with me if anyone approaches you in this manner. We, as Association members, expect our elections to be held in a respectful, courteous, and mature manner. The position of Director on this Board is one of time commitment, hard work, vision, and knowledge of the governing documents. Existing Board members can attest to the demands of the position. As of today's writing, we have three qualified people running for the Board; they are the folks whose terms are expiring this year. If you are also interested in running, you will need to get your paperwork in soon, along with a succinct bio and your photo.

Thank you for your support. We look forward to a productive April.

King City Music Club

The King City Chorus was definitely looking green on Monday, March 8, not with envy, but with homage to St. Patrick's Day. The monthly musical was fun and well received, as usual, with an added touch of gaiety due to

the singing of so many Irish tunes, well remembered and loved by most. The audience was invited to join in for some of the songs and that definitely added to everyone's enjoyment.

The Chorus performed several Irish melodies, first of all "Harrigan," which was made more fun by the front row singers holding up bright green signs which spelled out the song's title. That was followed by solos from

members of the group: Bill Lowe singing "All the Way," Sharon Baker with "Glocca Morra," and JoAnn Brinkman belting out "Carrick Fergus." Rich Haller once again thrilled one and all, this time with "The Girl I Left Behind Me." Elsa Malcom sang "An Irish Lullaby" and, to everyone's delight, invited the audience to join in.

After that jolly experience, Joyce Strassburg and Barbara Parks performed a lovely duet, "A Little Bit of Heaven," followed by Vernon Coats, beautifully singing "Peg o' My Heart." Fran Walston, once again awesome, did a pro job of "Galway Bay." Muriel Dresser left her lovely voice at home with a cold, so serenaded everyone with a piano-only offering of "Someone to Watch Over Me." The show came to a close with several more Irish songs by the chorus.

These monthly shows are quite special, with much talent and good cheer, but so much credit needs to be given to the musicians—pianist Muriel Dresser, Wendell Damm on bass, and Larry Califano on drums—and to JoAnn Brinkman for her excellent directing. None of this would be special, and probably would not work, if it weren't for the great job that Dennis Pollmann does as MC. With charm, humor, talent and aplomb, he introduces each performer and makes the audience pay rapt attention. If folks are lucky, he may decide to serenade them, either with his Jew's harp or his harmonica, as he did as Monday's show drew to a close. A touching, heartfelt rendition of "When Irish Eyes Are Smiling" on the harmonica left everyone with warm and friendly feelings.

The next performance will be on **April 4** at 2:00pm in the Clubhouse. The Chorus would welcome everyone and be delighted if one and all would come join the fun and join the Chorus, if you like to sing. Hope to see you there!

MONTHLY MUSICAL: Rebecca Hardiman

Submitted by Shirley Frank

King City Monthly Musical is pleased to present a newcomer for our 10:30am program Monday, April 11, at the King City Clubhouse. Rebecca Hardiman is a jazz singer who started her professional career with the Boston-based vocal jazz group The Ritz. They performed at the 1987 Montreal Jazz Festival, as well as jazz clubs throughout the country, and recorded a CD entitled The Ritz for the Denon Columbia label.

Rebecca moved to Portland in 1990 and started the vocal jazz group Euphoria, performing throughout the Northwest for over a decade, most notably opening for “Mel Torme” in 1993 at the Hult Center in Eugene, Oregon. In 2013 she embarked on a solo career and quickly became a favorite vocalist with local jazz musicians.

Rebecca and her husband, jazz pianist Ray Hardiman, perform every Thursday evening at Aurora Colony Vineyards Tasting Room and every Friday night at Langdon’s Grill, the restaurant at Langdon Farms Golf Club. She also performs at restaurants and jazz clubs throughout Portland, including Wilf’s Restaurant & Jazz Club, Restaurant Five-0-Three, Hotel Monaco, Aquariva Restaurant, and many others. She and her husband are also the directors of the annual “Aurora Colony Vineyards Jazz Festival.”

Rebecca’s style is often compared to Ella Fitzgerald, Sarah Vaughn, and Doris Day. She scats with the ease and swiftness reminiscent of Anita O’Day and Mel Torme. Her tone and sense of

style are matched by her respect for the lyrics and her dignified delivery.

Refreshments will be provided courtesy of Heather from Avamere Assisted Living/Care Facilities. You will also have the opportunity to purchase our \$1 raffle tickets for a chance to win \$5 or \$10 cash prizes.

The concert is free to the public, thanks to the generous sponsorship of our King City Civic Association and Columbia State Bank. Mark your calendar and come join us for an hour of special music.

East Washington County Democratic Caucus (EWCDC)

Submitted by Diane Tyhurst,
Treasurer

On March 3rd, the East Washington County Democrats (EWCDs) welcomed Laurie Simmons from Our Oregon. Our Oregon is working to protect the values and quality of life for all Oregonians, emphasizing raising Oregon's minimal wage and holding corporations accountable. Laurie discussed ways in which we can assist Our Oregon in meeting their goals and took questions from the audience. The EWCDs also welcomed State Representative (District 35) Margaret Doherty, who talked about the recent legislative session, and Ben Bowman, Margaret's assistant and the former chair of the EWCDs, who discussed his work study program in Malaysia in February.

On **April 7th**, we will welcome three folks who are running for office this election year. These are (1) Glendora Claybrooks, who is running for Washington County Commissioner, (2) State Senator Richard Devlin (District 19), who is running for Secretary of State, and (3) Garrett Rosenthal, who hopes to win a seat on the METRO Council, District 3. Time permitting, we will also hear from a representative from the Election Board who will discuss the complicated task of processing ballots.

The EWCDs meet on the first Thursday of each month at 7:00pm at the King City Clubhouse. Everyone is welcome!

Southwest Corridor Republican Club

Submitted by Billie Reynolds

You won't want to miss these outstanding candidates for the State of Oregon: Bud Pierce for GOVERNOR and Sid Leiken for SECRETARY OF STATE. There will also be other candidates for State legislative offices.

Bud Pierce reminds us that people lead because they want to "do" something. A leader, educator at OHSU, businessman, and oncology physician, he has many important things to keep him busy, but he is drawn to Oregon's need for better direction and new vision. He sees our need for a leader that doesn't cower to special interests, but stands up for the rights of Oregonians. Bud's peers have often elected him to lead because he can, even helping former Governor Kitzhaber resolve liability reform.

Sid Leiken, former Mayor of Springfield, brought more than a billion dollars in new businesses to that area. As a Lane County Commissioner, he helped resolve a serious traffic problem. Sid has owned businesses and also serves on the Board of the Northwest Christian University in Eugene. He is a can-do person, ready to resolve some of Oregon's deep problems.

Others who will be here include John Davis for John Boylston, who is running for the District 26 seat vacated by Davis; and Kim Thatcher, running for the Senate.

Our meeting will be **Wednesday, April 13th**. Sandwiches and snacks will be served at the Clubhouse at 6:30pm, and the program will begin at 7:00.

SAGE Center – Boardman, OR

On **Thursday, May 19, 2016** if you travel with the King City Travel Club to the SAGE Center in Boardman, Oregon, you will discover where your food begins. From a farm to your table, you will explore each step. You will discover the process of turning a potato into fries. The SAGE Center is an interactive visitor center that highlights sustainable agriculture and energy. Developed by the Port of Morrow, the SAGE Center gives visitors a unique opportunity to learn about

the technology that takes place locally within the Port of Morrow and the region without visiting each industry.

How good are you at planting corn in a straight line? Find out and compare your skills to the GPS technology farmers currently use. Find out where products from Morrow County are shipped all over the world! Experience the effects local products have on the world. Explore Morrow County through the SAGE Center's own virtual Hot Air Balloon experience.

Within the SAGE Center, visitors will be introduced to important topics such as modern farming and irrigation, food processing and safety, electricity generation, and biofuels and biochemicals. Visitors will explore each of these areas and have fun learning through hands-on displays.

Before arriving at the SAGE Center, we are in for a treat when we lunch at

family recipes. Cousins would like to be remembered as a really fun place to have a drink, satisfy your hunger, and catch your breath—without any pretension!

Tech News and Tips from the Computer Club

Submitted by Mark Mehall

Tech News

The big news this month is taxes. Yes, it is that time of year and the bad guys become a lot more active with email scams. This brand of fraud is called phishing, and the bad guys will try to fool you into providing your personal information to file a false return. Don't take the bait. Or you may receive a phone call pretending to be from the IRS to trick you into paying nonexistent back taxes. Remember, the IRS will never call you. If they need to contact you, they will send a registered letter. Just hang up on the scammers or let the phone calls go to voicemail.

Tech Tip

If you have an inkjet printer, as most of us do, remember to print something once a month. You can print anything, an email or a document or even a test page or make a copy. You want to keep the ink flow-

ing. If a printer sits too long without printing, the ink can dry on the inkjet nozzles or, worse, in the tubes that feed the print heads. Then the printer will not print even though you have plenty of ink left in the cartridges. Note, laser printers don't have this issue and can sit unused for years.

King City Lawn Bowling Club

Submitted by Stan Halpin

There was an old lady
Who lived in a shoe.
She had so many buddies,
She didn't know what to do.
She took them by hand,
Lead them down to the green,
Where they bowled several ends.
What a sight to be seen!

King City's green is grand
When bowling is in,
And the bowls meet the jack
While new friendships begin.
You are welcome to take part.
All summer we're here.
It's a game for all ages
With free lessons, spare gear.

Opening day is April 23.
Dues are still very low
And the lessons are free.

The good, the bad, and the ugly...

Submitted by Denny Gelfand,
KCCA Board of Directors
President

The good...in this case is Kristina Rodriguez. We “lucked out” on this one. Kristina is currently working for us as an Association Manager. She is always early or on time and she is not a clock watcher. Kristina is dependable, trustworthy, and friendly. People love her because of her helpful and organized methods of doing the job, without the drama. With the help of smart, talented, and dedicated Board members like Blair Wyatt, Terry Pittsley, and Joe Wilson, who have given untold hours to our Association, Kristina has corrected many problems that were left to her by others.

Kristina is on track to become KCCA Administrator. After a few months of training, including learning the KCCA governing documents, she will go through an evaluation by the Board to determine if she is ready to assume the Administrator position.

The bad... It appears we have a few people in our community who consider themselves “unappointed leaders.” These are individuals who make continuous demands of the Board and of the staff, demands that often require that Association money be spent on attorney fees for legal opinions in response to inaccurate assumptions. We have also spent hundreds of dollars in valuable staff time just to research and copy paperwork records in response to one individual’s effort to find something our CPA Auditor

didn’t find during the \$8,000 annual “hard audit.”

The ugly... Unfortunately, in early March, Kristina suffered a serious concussion in a car accident (rear-ended by a demolition truck, no less). With Kristina out of the office and under doctor’s orders to stay at home, it was necessary to keep the front office window closed. One resident who has lived here for less than a year circulated an e-mail stating “closed for a week due to illness?” Then, “I seriously doubt that is the true reason.” We have documentation showing this person knew about Kristina’s injuries over 12 hours before she sent the email, an email which just happens to slam the integrity, the intelligence, and the intent of this Board. Really? Give me a break; that is ugly.

King City Artists' Guild

Submitted by
Diane Tyhurst

During March, members of the King City Artists' Guild put up art in the living room of the Clubhouse under the topic GREEN. Folks enjoyed the eclectic collection of members' art.

On March 10th, artist Laurie Svec gave us an instructional workshop on framing artwork.

On March 12th, several Guild members showed their art at the Beaverton Library's Saturday concert series. Laurie Svec, Lynn Wolfe, Diane Tyhurst, Joan Jaros, and Katherine Amrani enjoyed a free concert of classical music besides having the opportunity to show their work in Beaverton.

Also during March, several members of the Guild attended an art show at the new Sherwood Art Center. Member Laurie Svec was one of the jurors for this show of students' art.

In April, the theme of the art in the Clubhouse will be TREES (of all kinds and variations). Please come and see our members' art on the walls of the living room. On April 28th, Guild members will gather at the home of artist Joan Jaros to participate in a workshop on mat cutting. The Guild is in the process of compiling a tool kit to enable members to mat and frame their artwork during meeting hours. This will enable members to develop new skills. Members are also planning a couple of day trips to provide members a scenic outdoors venue for sketching and painting.

The King City Artists' Guild meets every Thursday afternoon from 1:00 to 4:00 in the Multi-Purpose Room of the Clubhouse. All creative spirits are welcome.

TRAVEL, From Page 10:

Hello Neighbors Social Committee

Submitted by Nancy Hayes

With the attendance showing continued impressive, positive interest in our monthly Hello Neighbors **HAPPY HOURS**, the Committee has outlined future dates and themes so you, the community, can plan ahead.

If you were at the March 10th Happy Hour, you enjoyed the St. Patrick's Day theme, complete with the "happy" green decorations, several St. Patrick's Day foods, and a green punch to tempt the Irish in you!

Moving forward, each monthly date (on the second Thursday of each month) will have a special theme and be announced on the flyers posted around the community, on King Net, or on NextDoor. Below are the themes and dates. Keep in mind that there may be that chance that the theme may have to be changed, but you will have sufficient notice if that is the case.

- April 14thSpring
- May 12th.....Cinco de Mayo
- June 9thSummer
- July 14th.....Western/Cowboy/
