**GREENS COMMITTEE
MINUTES
April 7, 2016**

CONVENE: 1:00 p.m.

ROLL CALL

Present:

**Joe Wilson, Committee Chair
Ralph Coleman, Men's Club
Jeff Halfman, Golf Superintendent**

**Harold Washam, Pro-Shop Mgr.
Steve Shobe, Lawn Bowling
Loy Larson, Lawn Bowling**

Absent Diana Piler, Ladies' Club

Committee Chair:

First let me say that there are new Greens Committee rules. If members of this committee attend and want information added to this report, I will need to have your clubs recording secretary do the minute's type (preferred) written or hand written to pass along to me. It's Getting to be too much work for me to record the minutes and then pick all the information out of the conversations on the recorder and transcribe it to this report. I think the discussions are good for the meetings. I have asked many time if anyone would like to be the recording secretary, no volunteers so we can try this approach.

PRO SHOP Manager: Harold Washam

Golf Show Complimentary Rounds

March 26 20155

Looking for a Marshal!!!!

New Golf Course Rules....Mixed reactions so far.

Jeff Halfman, Golf Course Superintendent

Greens Committee Report

Greens Health: We are now mowing with the riding greens mower. So now we are looking to plug and sanding.

Tees & Approaches: have dried up nice and are able to be mowed.

Fairways: Just got through them all this week. If weather holds (warm and dry) carts will be out soon.

Flowerbeds: Getting ready for summer flowers.

Equipment: New Greens mower was delivered and the new gator is on its way.

Trees: We have some tree requests. Two of them are removals and one is limb up. We have four pine trees that need to come out do to blow down or disease. Sincerely,

♦ 15245 SW 116th Ave., King City, OR 97224 ♦ 503.639.6565 phone ♦ 503.639.8815 fax ♦

Ralph Coleman, Men's Club: 81 men's club members. Had a great opening, 2 evens 9-hole scramble and 18-hole scramble. Opening breakfast served by Dalton catering great meal, good service. Men's club has 25 sponsors this year so far. Sponsors help support golfing events and help support the golf course. Jeff gave some instructions about repairing golf ball damage to the green's. Ralph spoke of some of the calendar events that are scheduled for the men's golfing.

Steve Shobe/Loy Larson, Lawn Bowling: Steve talked about using the roller on the bowling green. No information for the annual May bowling tournament it should be about the 14 of May. Talked about the bowling club managers living in different areas. Golf course Superintendent would like to have a calendar or schedule of events for use of the bowling club members to help him schedule time for plugging and sanding of the bowling area.

NEXT MEETING: May, 5th at 1pm

ADJOURNMENT: This meeting adjourned @ 1:45 p.m.
