PRESIDENT'S
COLUMN

*Submitted by Denny Gelfand,
 KCCA Board of Directors President*

Happy May Day, Happy Cinco De Mayo, Happy Mother's Day to all moms, and a thoughtful Memorial Day to everyone. Do any of you remember May Day or maypoles when you were a kid? In the back of my memory, it seems May Day was a rite of Spring. My wife says she remembers pretty May Day baskets of flowers mysteriously appearing on doorsteps of the elderly or ill in her community. Memories, memories...

Do you have memories of things that are no longer, memories that you might like to share? Those memories could be great subject matter at our morning coffees at the Clubhouse. Some of my memories include seeing blimps flying down the coast of Southern California looking for enemy subs; also airplanes, flying in formation, doing the same. With all the men in the family off to war, I remember that every Sunday the women in the family would put out a spread of food for any man or woman who was in uniform. On the boardwalk near my home, military folks from all the services would spend their leave at the USO there on the Pacific Ocean Park pier. Got stories? Come on over and join us for free coffee, goodies, and good conversation.

We have some very good news to share. It is official, effective May 4, 2016: Kristina Rodriguez will assume the position of KCCA Administrator. Kristina, who started with the KCCA as Administrative Assistant and was recently promoted to Association Manager, has proven herself a valuable asset to the Association. She has had a positive influence in this community. We look forward to Kristina being actively involved

PRESIDENT, *From Front Page:*

in the future of the KCCA. Congratulations, Kristina!

With annual elections to the Board scheduled for later this month, there is still time to submit your application if you wish to be placed on the ballot. We have three Board positions to be filled, for which four people have applied. By-laws require that we have, at minimum, a number of volunteer applicants equal to the number of open positions. (Thank you, Terry Pittsley, and the Nominating Committee.)

The Election Committee, co-chaired by Terry Pittsley and Katherine Griffith, currently has two other association members. We could use several more member volunteers, especially for the counting portion after the vote. (At least three Association members and at least one Board member are required to hold the election.) Keep in mind that if you are going to be out of town, or for some good reason cannot be here to vote, you will be able to pick up an absentee ballot between the twentieth day and the tenth day before the election. Absentee ballots may be turned in any time up to and including the day of the election.

Regarding the elections, unfortunately, I have received several reports of people going around our community and maligning (even slandering) others who are running for office. Not only does that expose those individuals to legal action, it is just plain mean-spirited. We do know who some of these people are and we are asking them to stop. This type of activity has no place in a respectful, supportive adult community. Please keep in

Absentee Voting Qualifications and Procedures

As Stated in KCCA Resolution Administration 2016-101

Absentee ballots shall be available at the Association Office not less than 10, nor more than 20, days prior to the election. State laws provide an Absentee Ballot may be canceled and returned and the voter may cast a ballot in person, subject to proper documentation in Election Records.

ABSENTEE QUALIFICATIONS:

Absentee ballots may be cast only by Resident-Members or Owner-Members unable to vote in person on Election Day [they can be returned right up to and including the election date] for the these reasons:

1. Out of Town. The Member must personally come to the Association Office and request an absentee ballot. A form must be signed attesting that the Member will be out of town on Election Day.
2. Physically Disabled. A Member who is disabled must call the Association Office and request an absentee ballot. The Association Administrative Assistant will mail the ballot, along with a form attesting that the Member is physically unable to come to the Club-house for the election.
3. Conflict of Working Hours. A Member who is unable to vote in person on Election Day because of a conflict in work and voting hours may obtain an absentee ballot from the Association Office and must sign a form attesting to the work conflict.

Absentee ballots are to be printed on colored paper.

INSTRUCTIONS TO VOTER:

- Complete ballot and seal inside Secrecy Envelope.
- Place the sealed Secrecy Envelope inside the envelope labeled “Absentee Ballot” and seal.
- Voter must sign and date on back of outer envelope where indicated.
- Ballot must be received by Elections representative by established closing hour of elections on Election Day; **no exceptions**.

PRESIDENT, From Page 2:

mind that Director is a volunteer position. Your Directors have nothing to gain by volunteering to work for the good of their community, and no one has the right to indiscriminately smear any one of us. Some of these petty individuals would harm others, including family members, just to make room for their friends. An active, qualified, mutually supportive, and caring Board

of Directors is critical to the future of our Association. I would ask all of you—everybody—please participate and VOTE.

In closing, I would like to encourage all of my neighbors to take a moment and pay tribute to the many brave men and women who have given their lives in the service of our nation.

Set for May 5 at King City Clubhouse

*Submitted by the Friday
King City Bible Study Group*

Several local church congregations are sponsoring a National Day of Prayer event at the Clubhouse on Thursday, May 5th, from 3:00 to 4:00pm. The public is invited.

The theme this year is "Wake Up America." The program includes patriotic songs, prayers on topics of national concern, and refreshments.

Everyone is welcomed and encouraged to come. The practice of national days of prayer has been part of American life from the beginning and was codified by a decree from President Abraham Lincoln, who realized that this nation needs the hand of God for guidance.

For more information, call Paul Hailey at 503-620-2161 or Billie Reynolds at 503-639-7452.

Candidates for Board of Directors

Paul Downing — Paul Downing has been a member of the community since 1991. He and his wife of 61 years, Bev, moved to King City 25 years ago. He is a current Board Member running for his second term.

Paul has been a real estate broker for 35 years and has been involved in the building business since 1973. In fact, he is STILL in the building business! When he's not researching purchases and getting bids as Chair of the House Committee, you can find him out and about in the community as part of the LARC Committee.

Blair Wyatt — Hello. My name is Blair Wyatt and I am currently a member of the Board of Directors. I am also currently serving as the Chairman of the LARC Committee.

I have been a permanent resident of King City since 2001 when my husband, Brad, and I moved here to care for my parents, who were themselves then residents. Because my parents were amongst the first "settlers" in King City, I have been closely affiliated with the community for 50 years.

I grew up in Portland, graduating from Reynolds High School and attending Oregon State University after. Before retirement, my professional career saw me as the owner of a chain of pharmacies and as VP of a healthcare management services company. My hobbies include painting and music. I am also writing a book.

MONTHLY MUSICAL: Charles and the Angels

Submitted by Shirley Frank

Charles Suniga

On Monday, May 9th, at 10:30am, Monthly Musical is pleased to welcome back by popular demand the extremely talented Charles Suniga and his “Angels.” We have been lucky enough to have this group perform for us in our King City Clubhouse the past several years, and many

of you have requested their return engagement.

“Charles and the Angels” is a group that will be doing a fun singing show of 50s, 60s, country and pop favorites, including some of his original music. The Angels include Audrey Breznikar with her tambourine and amazing energy; vocalist Julie Weiss with such songs as “At the Hop” and “Dream a Little Dream”; and Jeanine Harwood, who will give us her Patsy Cline renditions and more of the slower oldies.

Charles is the consummate entertainer, adding to his musical ability with a wit and presentation that make his audience laugh AND sometimes cry. His voice is extremely versatile and, depending on the song, he somehow manages to sound incredibly like the artist who recorded it, including such greats as Louis Armstrong, Elvis Presley, and Willie Nelson. He is Portland’s own two-time Grammy-nominated composer. He plays ALL of his piano melodies with one hand, treble and bass, while his free hand plays his string melodies.

Charles is a well known and well respected independent artist who lives in Portland. His heart is as big

as his personality, and he has helped raise money performing benefit concerts assisting the Portland Children’s Hospital and other local charities. He was honored on a KATU News Broadcast as one of Portland’s “Everyday Heroes” for donations that his albums generated to help cancer patients. His CDs will be available for \$15.00.

We will be honoring May birthdays and anniversaries, and don’t forget to bring your dollar to purchase a chance on a raffle ticket. These programs are free to the public and through the generous sponsorship of KCCA and Columbia State Bank. Our thanks also go to Jack Rubinger of Home Instead, providing the refreshments following the concert.

Come, bring a friend or relative, and enjoy the great music. We’d be more than happy to have to set up extra chairs!

East Washington County Democratic Caucus (EWCDC)

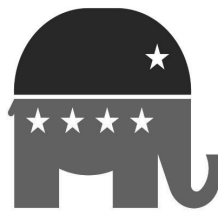

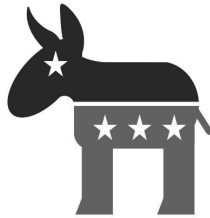

Submitted by Diane Tyhurst,
Treasurer

On April 7, the EWCDs welcomed several local and state candidates who are running for re-election in November, 2016.

The guest candidates were Senator Richard Devlin (District 19), who is running for Secretary of State; Glendora Claybrooks, who is running for Washington County Commissioner; House District 26 Democratic candidate Ray Lister; House candidate Paul Southwick; and Judge Ted Sims, candidate for circuit court judge of Washington County.

On **May 5**, the EWCDs will welcome Congresswoman Suzanne Bonamici (OR-01), who is running for re-election to the U.S. House of Representatives. Suzanne was first elected to Congress in January 2012 following a special election. She was elected to a full term in November 2012 and re-elected in November 2014. She serves on the Education and Workforce Committee, where she has excelled in education reform, and on the Science, Space and Technology Committee. She will be on the ballot in November 2016 for her third full term. Also speaking at our May meeting will be Garrett Rosenthal who hopes to win a seat on the METRO Council, District 3.

The EWCDs meet on the first Thursday of each month at 7:00pm at the King City Clubhouse. Everyone is welcome!

Southwest Corridor Republican Club

Submitted by Billie Reynolds

**PLAN TO HEAR ALLEN ALLEY
AT THE SW CORRIDOR
REPUBLICAN CLUB IN KING CITY**

Wednesday, May 11, come hear Allen Alley, who is running for Governor of Oregon to get this state back on track. Allen understands the need for lowering high taxes and getting the working men and women back on the job.

There will be other candidates who are running for the Oregon legislature and for both the U.S. House and Senate.

2016 is one of the most critical election years in our nation's history with the foreign security threats as well as the national debts. We need leaders who can heal and unite the people of Oregon and America. Divisions that separate, divide and anger people, casting them against each other, keep us from developing the positive programs that benefit everyone.

There are snacks at 6:30 and time to meet and greet, as well as learn what we can all do to make the difference between winning and losing.

MEMORIAL DAY POTLUCK: Monday, May 30 Clubhouse Banquet Room

The annual Memorial Day Picnic/Potluck at the Clubhouse is well attended with delicious food, fun time, and wonderful residents!

We're extending a warm and friendly invitation to all residents to "come on over" and join in the festivities. Resident potluck events are a great way to meet new neighbors, share some tasty food (maybe try something new and/or different!), and create some wonderful memories of good times with friends.

Below is a general timeline for the potluck event:

- Serve coffee/tea and set up tables 11:00am
- Potluck Buffet..... Noon
- Clean-Up 2:00pm

How does it all work? Just bring your favorite dish to share plus your own plate, utensils, cups, and extra drinks if desired. Tea and coffee will be provided.

Volunteers are always needed for these potlucks for setup and especially clean-up. Please volunteer to help out if you can. It's amazing how quickly things get done when we have plenty of volunteers to pitch in.

The King City Chorus met on April 4 and welcomed Spring with a lovely bunch of melodies, oldies that had feet tapping, hands clapping and, oh, it was hard for most in the audience not to burst into song, also.

The Chorus opened festivities with a couple of songs and was followed by Sharon Baker singing "Blue Skies." Bill Lowe was next with "Raindrops Keep Fallin' on My Head," bringing back memories of that great movie, "Butch Cassidy and the Sundance Kid." Barbara Parks, with her lovely voice and a bit of pizzazz, performed "A Sunday Kind of Love." Most of these songs could have been written with Oregon in mind, we do believe.

Elsa Malcom then sweetly delivered "Singin' in the Rain," followed by Rich Haller with "As Time Goes By." Mary Jeffery's song was about as timely as one could be: "Easter Parade". Then JoAnn Brinkman took time off from directing to sing "I'm Beginning to See the Light." Vernon Coates was splendid with his rendition of "On a Clear Day," and Fran Walston, as usual, sang like a pro with "Orange Colored Sky." Joyce Strassberg, a relatively new member, entertained us with "If I Had My Way," and bringing the solos to an end, Muriel Dresser, accompanying herself on piano, sang "My Heart Stood Still."

The Club welcomed a new member this week. Jean Taylor, a lifelong Oregonian, joined the Chorus and will be one of the entertainers in the future. Everyone welcomed Fred Davis, also a new member and an accomplished guitarist who will be accompanying soloists.

Everyone is invited to attend these King City Chorus shows just to enjoy or, we hope, to join the group. It definitely adds a spark to lives of members who love music. The Club meets the first Monday of each month at 2:00pm in the Clubhouse. Come and enjoy!

Imagination and Collage

Submitted by Sharon Loaiza

In our collage class, we make 5" x 8" cards and put them into four Suits. This month, we are working on the Community Suit. These are cards for those beings that influence your personal story with their special energy. They will be collaged with symbols for people and pets that have impacted your life. These can be historical figures, teachers, mentors, your parents, siblings, spouses and children. You can bring your own photos of friends and loved ones.

Everything will be furnished for you. I supply the images from magazines and books, scissors, glue, cards, and a plastic cover for your card. You can gain more information by going to the website www.soulcollage.com. There you will find videos, photos, and many examples of the collage process. We like to share the meaning of our cards at the end of our class. We always welcome new people and hope you will join us.

JAPANESE GARDEN & ROSE GARDEN

Thursday, June 23, 2016 the King City Travel Club will tour the Japanese Garden & Rose Garden. It's the first week of Summer and a perfect time to visit the world famous gardens.

The traditional Japanese garden is on 5.5 acres, located within Washington Park in the West Hills of Portland. The area is composed of five distinct garden styles. When we enter a Japanese garden, the desired effect is to realize a sense of peace, harmony, and tranquility and to experience the feeling of being a part of nature. In a deep sense, the Japanese garden is a living reflection of the long history and traditional culture of Japan.

Influenced by Shinto, Buddhist, and Taoist philosophies, there is always "something more" in these compositions of stone, water, and plants than meets the

eye. Three of the essential elements used to create a Japanese garden are stone, the “bones” of the landscape; water, the life-giving force; and plants, the tapestry of the four seasons. Japanese garden designers feel that good stone composition is one of the most important elements in creating a well-designed garden. Secondary elements include pagodas, stone lanterns, water basins, arbors, and bridges. Japanese gardens are asymmetrical in design and reflect nature in idealized form.

Portland’s International Rose Test Garden, unofficially known as the Portland Rose Garden, is the oldest official continuously operated public rose test garden in the United States and features more than 10,000 roses. Each year hundreds of thousands of visitors from around the world enjoy the sights and scents of the garden, including its spectacular views of downtown and Mount Hood.

Conceived by Jesse A. Currey in 1915 and approved by Portland Parks in 1917, it started as a safe haven for hybrid roses grown in Europe during World War I. Roses started arriving in Portland in 1918, and the garden and amphitheater were dedicated in 1924. It’s not surprising that this garden, located in Washington Park, is one of the City of Roses’ signature landmarks.

There will be guided tours of the Japanese Garden and self-guided tours of the Rose Garden. The travelers will be divided into two groups, which will be shuttled to the respective garden. Both gardens involve walking.

Lunch will be at the Spaghetti Factory on the waterfront. Cost of the trip is \$45.00 all inclusive. Reservation deadline is June 9th. Each traveler must be a member of the

King City Travel Club. Dues are \$4, which is to be paid in a separate envelope marked “dues.” If you have a caregiver, that person must have their own ticket and Club membership. Deposit your payment in the mail slot at the KCCA office. Be sure to indicate the name of the trip on the envelope.

The bus will leave the KCCA Library parking lot at 9:00am and

return to the same location at approximately 3:00pm. Please arrive in time to sign in and choose your seat. Contact Lila Harmon at 503-620-4644 or Al Tabor at 503-624-8856.

REMINDER: The trip to the SAGE center in Boardman, Oregon, will be **May 19th**. Contact Kathy White at 503-620-6109 or Al Tabor at 503-624-8856 to see if there is still space available on the bus.

Tech News and Tips from the Computer Club

Submitted by Mark Mehall

Tech News

According to the news reports, the next big thing is going to be “virtual reality.” You might have heard or read about the new headsets that let you view images in 3D. With a virtual reality device, you can look at 360-degree views of travel destinations just by tilting your head. Or ride a virtual rollercoaster, explore the planets, or walk on the surface of Mars. The experts predict that by 2025 the virtual reality market will be over \$30 billion.

Tech Tip

It is important to keep your computer up to date. This includes the operating system, your programs, utilities like Adobe Reader, Shockwave and Flash, and your antivirus software. Your PC or Mac will notify you when important operating system updates are available; it is best to set these updates as “automatic.” Be careful to avoid fake updates that arrive in your email inbox; these are usually scams.

King City Artists’ Guild

Submitted by
Diane Tyhurst

The King City Artists’ Guild continues to produce lovely artwork which is displayed on the walls of the “living room” in the Clubhouse. In April, the theme was TREES (of all kinds and variations). Please take note

of the “cat tree” painting by Lynn Wolfe. It is wonderful! At the end of April, we participated in a workshop taught by member Joan Jaros. The workshop instructed us in how to cut a mat for picture framing.

Beginning in May, the theme will be Spring related—DOORWAYS & ARCHES—and over the Summer, look for paintings related to the theme CREATURES OF THE GARDEN. Should be interesting...

Upcoming events that several members will be participating in include a month-long show at New Season’s Market in Tualatin in June, Summer shows on Main Street (Tigard Art Walk) in Tigard, and the Art Splash in Tualatin. Members of the Guild are continuously looking for venues at which we can display our artwork. We are currently hoping to show our work in the future at a local church and some new businesses in the Portland area.

The King City Artists’ Guild meets every Thursday at 1:00pm in the Multi-Purpose Room of the Clubhouse. All creative spirits are welcome to join us.
