## PRESIDENT'S COLUMN

*Submitted by Denny Gelfand,  
KCCA Board of Directors President*

June looks to be a busy month, with graduations, weddings, and don't forget Father's Day! I hope you all have a good month with safe travels.

Also in June, we will be seating our new Board of Directors (BOD) for the next year. As of the date of this writing, we do not know who will be elected or re-elected to serve. However, since this Newsletter should be in your hands days prior to the election, I would like to ask every one of you to please get out and vote for your next KCCA Board of Directors.

## KCCA BOD ELECTION DAY — MAY 31

For those of you who missed the May BOD meeting, your Board voted to interpret the rules governing Absentee Ballots to allow Absentee Ballots to be picked up prior to the day of the election and returned any time up to and including the day of the election. For those of you who will not be available to come to the Clubhouse to vote in person on Tuesday, May 31, please stop by the office with your resident ID and pick up an Absentee Ballot up until the day before the election. (Contact the office if you work during the day and need to pick up your ballot outside regular office hours.)

**THANK YOU FOR ALL YOUR SUPPORT THIS PAST YEAR AND FOR VOTING FOR YOUR NEXT YEAR'S HARD-WORKING KCCA BOARD OF DIRECTORS!**

## MONTHLY MUSICAL: Beaverton Community Band

*Submitted by Shirley Frank*

It's time once again to celebrate with **The Beaverton Community Band**, a favorite with our King City residents. This Monthly Musical presentation will be on **Sunday, June 12th**, at 2:00pm in the King City Clubhouse. This band was formally organized in 1978, but has a history that goes back much further than that. They are an all volunteer group of 60-75 adult musicians who love concert band music and have a willingness to share their talents with the public.

This year, the band will be performing under the direction of Martin Sobelman, who was new to the group last year. They will be sharing a wide variety of music, including marches, symphonic transcriptions, easy listening pops, swing, and patriotic. During the Summer, you'll often find the band at community events such as the Beaverton Farmer's Market, the City's Picnics in the Park, and concerts on the lawn of the Beaverton City Library. This past year, the

Beaverton Community Band

Band has done concerts benefiting the Oregon Food Bank, Christmas Concerts in Beaverton, and concerts at several assisted living facilities.

We will also be honoring June birthdays and anniversaries. The usual raffle drawings will be held, and as we have done for many years, a free-will offering will be taken for the Band after this performance.

A big thank you goes to Diana Gaydon of Summer Creek Realty, who will be responsible for providing refreshments following the concert. Thanks also to our sponsors, Columbia State Bank and KCCA, who make it possible for us to provide these monthly

# Hello Neighbors Social Committee

Submitted by Nancy Hayes

Last month we hoped for warmer, fairer weather so we could enjoy time on the Clubhouse patio for our May BYOBverage HAPPY HOUR.

Well, the power of positive thinking works!! Our May BYOBverage night was a huge and festive success with over 75 residents enjoying the twinkling lights, lovely guitar music, and great Mexican style food as the sun set over our lovely golf course. Of course, the lively group gathering in and outside of the Lounge area made for much of the festive atmosphere. The 50/50 added a new member to its growing list of winners, with Jack Croll taking home \$58 in prize money.

Then, how about the great decorations? Wendy Marchant, our Committee's "Creative Director," led a group in producing the colorful, adorable piñatas. What a lot of fun that was! Don't you wish you could have been a fly on the wall listening to a group of ladies as they wrapped fringed crepe paper around a cardboard shaped donkey? Yup, there were choice comments in abundance.

What really needs to be said here is that the HELLO NEIGHBORS SOCIAL COMMITTEE is a hard working group coming up with fresh ideas to add vitality to the social life of our community. Over the past few years, we have evolved from a small committee primarily meeting the needs of our new residents to the growing one of today focusing on ALL of our residents.

With today's changing and diverse community, we are looking to offer inclusive and enjoyable events. Just recently, we have added new members Carol Schultz and Peg Beckwith to our committee, who have added some great ideas for future events.

Anyone may come to our meetings to see what we are all about, to share their ideas, or just to observe how the thoughts and ideas spill from the nooks and crannies of our minds and become the fun events you all are enjoying.

Don't miss this month's BYOBverage on June 9th, when we'll celebrate Summer. Our pool will have just opened and the warm weather will really have settled in. There won't be a swimsuit contest... PROMISE! But there will be a good time.

## East Washington County Democratic Caucus (EWCDC)

Submitted by Diane Tyhurst

The May 2016 program was canceled due to a double booking by the speaker.

In June, the East Washington County Democrats will welcome a panel of speakers to discuss the expansion and development of land in the southwest Portland area. On the panel will be Metro Council District 3's Craig Dirksen, who serves on Metro's transportation advisory committee. Dirksen is an advocate for a complete transportation system with the proper balance of streets, highways, transit, and active transportation facilities to support economic development and people's quality of life. Also on the panel will be local mayors and council members from surrounding municipalities such as King City, Tigard, and Tualatin. The panel will talk about land development around the new Beaverton High School on Scholls Ferry Road and how this large development will affect the tax structure, road systems, and boundaries in southwest Portland.

The East Washington County Democrats meet on the first Thursday of each month at 7:00pm in the King City Clubhouse. There will be no meetings in July and August due to the vast number of political activities going on this Summer with picnics and conventions based around the November presidential election. Please everyone, exercise your right to vote.

## Southwest Corridor Republican Club

Some negative concepts just won't go away peacefully, such as the continual pressure to build more light rail, a concept of the 1890's which has outgrown its usefulness in this modern time. In November, the City of Tigard will vote on whether they want the plans for more light rail after all the other varied plans have been unable to pass muster with the people. There will not be the proposed tunnel under OHSU, costing \$8.5 billion; there will not be the tunnel to the Portland State Campus; but they are still hoping for some light rail to come to Bridgeport. "They" in this case are Tri-Met and Metro and some who stand to make money from such a project.

Come on Wednesday, June 8th, and get your update on the proposed plans, and ideas to find genuine solutions to the traffic problems of our area—that are cost effective as well. Steve Schopp, Tim Esau, and several others with knowledge and expertise will be discussing light rail and its developmental and operational costs. Oregon does not have the money for such projects, and the Federal DOT does not. That leaves you and me to pay for a non-solution to our traffic problems.

The Southwest Corridor Republican Club will meet and greet at 6:30, and the meeting will begin at 7:00. The King City Clubhouse is located at 15452 SW 116th Avenue.

## King City Artists' Guild

Submitted by  
Lynn Wolfe

The painting theme for May was "Doorways & Arches," which proved to be a challenge for us.

But we were eventually able to produce some delightful results. We are about to enter our "relax & renew" summer season when we do not have business meetings or news articles, and painting weekly is for those of us who are still in town. We do have a theme for summer: "Creatures of the Garden," which includes fairies, gnomes, bugs, animals, etc.

During the month of June this year, we will exhibit a sampling of our artwork in the food court of the Tualatin New Seasons store. Customers had the entire month to enjoy our paintings as they had their coffee and bakery snacks.

Prolific artist Laurie Svec had paintings in two recent shows: the annual Tigard Art Walk and the Village Gallery of Arts' Art Adoption, who held exhibits in which she participated. She has the talent and energy to do these even while painting for the viewing pleasure of King City residents in our gallery.

We are at the starting gate of planning our Fall art show and sale, which will be in October this year so as not to compete with other clubhouse functions. It will be a one-day event so mark your calendars for the 22nd of October. We'd hate to have you miss it. Our members will each have a table of watercolor, ink, acrylic or oil paintings there, some new and some you may have missed from previous exhibiting. We will report again about the show in September's news.

Have a fun and safe summer!

## Tech News and Tips from the Computer Club

*Submitted by Mark Mehall*

### Tech News

Our big-screen TVs are great with the exception of the sound. Most flat screen televisions have very small speakers and some are positioned on the back of the set. The solution is to get a soundbar or remote speakers or a wireless headset. Any of these devices will dramatically improve the sound quality of your TV. Stop by on June 4th to see which is best for you.

Wondering what type of computer to buy for your grandchild? Come to the Computer Club on June 25th to find out. We will discuss the different types of computers and tablets suitable for kids.

### Tech Tip

The bad guys are always trying to fool us. Don't fall for the phone scams that pretend to be from Microsoft saying that something is wrong with your computer. Microsoft will never call you. Also, hang up on the call pretending to be from the IRS—they will never call you. When using your computer, don't click on any of the ads that say they will fix or speed up your computer. And never call any of the phone numbers that show up in pop-up ads. They are all scams.

### Computer Class Topics

## Imagination and Collage

Submitted by Sharon Loaliza

In using this collage process, everyone becomes an instant artist. Gather together your intuition and imagination, cut out some images, and presto, you create your first collage card. Eventually, you will have your own deck of collage cards that fit together in a meaningful way.

Together we discover these images act as symbols and speak to the essence of who and what we are. We will experience how consciousness can be transformed, resulting in increased understanding that gives meaningful shape to our life.

We create 5" x 8" cards with images cut from magazines and books, and all your materials are furnished. Examples of our cards are on display in the Multi-Purpose Room.

If you want further information, go to [www.soulcollage.com](http://www.soulcollage.com). There you will find videos, and people sharing their experiences from all over the world. New people are always welcome.

Sharon has done graduate work in Art Therapy and is a Spiritual Director and past member of WSO (Watercolor Society of Oregon). Please call Sharon if you have any questions or would like to attend the class: 503-758-6904.

**Where:** Multi-Purpose Room in KCCA Clubhouse

**When:** 12:30-3:00pm, first and third Friday of the month. **June 3 and 17.**

**Costs:** \$10.00 per class (this is a \$25 value)

**WHAT?!?**

A group of senior citizens were sitting around talking about their ailments:

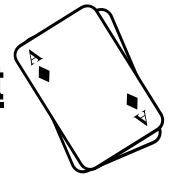

"My arms are so weak I can hardly hold this cup of coffee," said one.

"Yes, I know. My cataracts are so bad, I can't even see my coffee," replied another.

"I can't turn my head because of the arthritis in my neck," said a third, to which several nodded weakly in agreement.

"My blood pressure pills make me dizzy," claimed

"I guess that's the price we pay for getting old," winced an old man as he shook his head.

Then there was a short moment of silence.

"Well, it's not that bad," said one woman cheerfully. "Thank God we can all still drive."

## King City Music Club

Submitted by  
Liz Schenk

On May 2, the King City Music Club once again presented a show for the community, in the clubhouse. This talented group began the show with a couple of sprightly oldies, "Nice & Easy" and "Don't Get around Much Anymore." Joyce Strassberg began the solos with "What a Wonderful World," and who can hear that beautiful melody without thinking of dear Louie Armstrong? Barbara Parks and Fran Walston joined forces in a duet, with "Are You Lonesome Tonight?". Fran then sang "East of the Sun," dazzling one and all once again. "Hello, Young Lovers," beautifully done by Vernon Coates, was followed by Elsa Malcom with "All I do is Dream of You." "They Say That Falling in Love Is Wonderful," sung next by Rich Haller, was wonderful.

Our sunny days and warm weather seem to be bringing out the very best of talent in this group. Sharon Baker entertained next with "Hello Again," and Jo Ann Brinkman laid down her baton long enough to offer "They Can't Take That Away From Me," followed by Bill Lowe with "Young At Heart." Liz Schenk sang next, offering one of the songs everyone will remember from Tony Bennett and Sinatra days, "The Way You Look Tonight." Barbara Parks returned and gave a great rendition of "Misty," and the solos came to an end with Muriel Dresser singing "Teach Me Tonight." The program ended with two other well remembered songs.

This musical club does such positive things for the members, socially and emotionally, and the members invite one and all to come enjoy the monthly shows on the first Monday of each month. Everyone is invited to come listen or to join the group. It's a great way to add fun and humor to your lives. The next show will be on June 6 at 2:00, in the clubhouse. Please come join, or just enjoy!

**JULY 20, 2016**

### COLUMBIA RIVER STERNWHEELER

The King City Travel Club trip on July 20, 2016 will be the “Historic Columbia River Scenic Waterway” on the Columbia Gorge Sternwheeler. This cruise is only offered on Wednesdays during the month of June through September. During this special five-hour excursion, a narrator will describe the landmarks of the Gorge, its history, and all the beauty of the Gorge from Cascade Locks to the Bonneville Dam, where the Sternwheeler will enter the locks. It will glide past such natural and historic landmarks as Multnomah Falls, Beacon Rock, and Vista House.

The cruise will begin with a continental breakfast

and later a buffet lunch which includes dessert, tea or coffee. There is a full-service bar, where drinks may be purchased but are not included in the cost of the trip.

The cost of the trip is \$100.00, which includes transportation, the cruise, breakfast, buffet lunch, and all fees and gratuities.

Reservations must be made by **July 11, 2016**. No refunds will be made after that date. Each traveler must be a member of the King City Travel Club and have paid their \$4.00 annual dues. If not, the membership may be paid when you make your reservation. Please put the \$4.00 into a separate envelope marked “membership.” If you have a caregiver, that person must have their own paid reservation and club membership. Please deposit your payment into the mail slot in the administrative office at the Clubhouse. Be sure to indicate the name of the trip on the envelope. The bus will depart the KCCA library parking lot promptly at 8:30am. Please arrive in time to sign in and choose your seat on the bus. We will return to the same location at approximately 5:00pm. For reservations, please call Beverly or Jim Kirk at 503-598-9414.

# IT'S PARADE TIME AGAIN!

Bows, bells, balls, and balloons will adorn the many golf carts expected to compete in the **Firecracker Golf Cart Parade July 3rd at 4:00pm.**

Sponsored in part by McCann's, the carts will assemble in the Clubhouse parking lot in plenty of time to make their way to Pacific Pointe Retirement Inn, where residents there will judge the winners.

Sign-up sheets are posted in the Pro Shop, the Clubhouse, and the Crown Center for those interested in competing in this event. "If you have a golf cart, decorate it and join the fun," said Dianne Wilson, the parade chairperson.

The parade starts and ends at the KCCA Clubhouse on 116th. The route, which forms a large oval, is down Royalty Parkway, on Queen Elizabeth to and from Pacific Pointe, down Royalty Parkway to King Charles, up King Charles, and then along King George to 116th and the Clubhouse.

Although this is a fun and festive event, it also serves as a sobering reminder of the sacrifice by so many who have secured our independence so we can celebrate it.

For additional information, contact Dianne Wilson (503-639-7476; wilson.dj66@gmail.com), or Roy Armour (503-330-6594; trarmour@comcast.net).
