GREENS COMMITTEE MINUTES August 4, 2016

CONVENE: 1:00 p.m.

ROLL CALL

Present:

Kristina Rodrigues, Admin.

Joe Wilson, Committee Chair

Ralph Coleman, Men's Club

Jeff Halfman, Golf Superintendent

Diana Pliler Ladies Golf

Steve Shobe, Lawn Bowling

Loy Larson. Lawn Bowling

MINUTES: REPORTS:

Pro-shop Mgr.: Chris White, Chris would like to see the sign on the marshal cart changed to read **Player Assistant, (PC)** and less intimidating for some golfers. We have 2 no alcohol signs that need to be changed, reprinted or covered. One belongs to us and one belongs Benchcrafters.

GOLF COURSE SUPERINTENDENT: Jeff Halfman, tees and greens looking good coming out of the hot weather. Leaves are starting to fall so that means we will be doing some tree maintenance. Have a few birches to remove and a large pine with a widow maker that needs some work. One large fir to top out and try to mount a large bird next in the top. This work will start on the 29th of August.

Second application of fertilizer was applied to the fairways last week. Working on exterminating the white clover problem. Checking on cost of spraying for a critter called Billbug. They must taste good because the crows are digging holes in search of a meal on the golf course.

Flower beds holding up really well. Our greens roller is back up and running thanks to Kevin/Phillip. The also did some repairs to the sprayer.

We had a water line on the number 8th fairway and might have cause some high water issues if not for a drain that was real close. When the system has a leak the computer just keeps trying to fill the pipe. No leak detector in the computer.
