## PRESIDENT'S COLUMN

Submitted by Denny Gelfand,  
KCCA Board of Directors President

As I write this article, Fall is definitely in the air. The weather has cooled, schools have reopened, Columbus Day is right around the corner, and Halloween will be here soon.

This month, I would like to put out a word of caution to everyone. As you may recall, we recently updated

## MONTHLY MUSICAL October 10 – Alena Ferguson

Submitted by Shirley Frank

The Monthly Musical, sponsored by Columbia State Bank and the King City Civic Association, is pleased to welcome back **Alena Ferguson**. She is scheduled to perform at the King City Clubhouse on **Monday, October 10th, at 10:30am**. Alena was originally scheduled to perform in August and as many of you know, due to a mix-up in the dates, she missed that performance. We are most fortunate she is willing and able to come for a make-up performance in October, as she is always a favorite with our audience.

When you combine her strong voice, a three-octave range which allows her to sing in several styles, and her bubbly personality, it makes for a most enjoyable hour. She will be singing a variety of well known Country Western melodies, as well as introducing some of her original work.

Alena has been busy this Spring performing in California and Wisconsin in her Patsy Cline persona. She did two performances in San Bernardino and received standing ovations at both. When she performed in Wisconsin, she had the pleasure of being backed up by top notch Nashville musicians, including a steel guitar player who regularly has performed with Little Jimmy Dickens. Since then Alena was asked to sing for the June Dairy Parade in Tillamook and once again was awarded first place by the Rosarian Judges.

She will be bringing two newer CD versions of both Volume 1 and 2 of her Patsy Cline songs. You may preview her talent and listen to her recordings at her website, <http://www.reverbNation.com>.

We will be drawing winners for those who purchase the \$1 raffle tickets at the door, and recognizing audience birthdays and anniversaries. Our thanks go to the Artists' Guild of KCCA for providing refreshments for this concert. Come join

us in welcoming Alena once again to our King City musicals.

A reminder from the LARC Committee to keep garbage and recycling bins hidden from street view when it's NOT pickup day.

This is also a good time to remind folks to make sure your outdoor lamps are working and lit up.

Also, please be mindful of any trees or bushes on your property that may be protruding into the sidewalk. This can make line of sight difficult for drivers in the community.

all our AED units. All golf course marshals and many other residents received training on these potentially life-saving units. However, did you know AEDs are not to be used on someone who has a pacemaker? A few weeks ago, I had the occasion to call 911 for a friend. The 911 operator asked right away if we had an AED unit. Only because I knew the person in distress and knew he had a pacemaker, was I able to tell 911 so the AED would not be administered. If I hadn't known and had used the AED unit, I very likely could have done harm to my friend.

Do you, or does someone you know, have a pacemaker? Should something happen, how would we know? Are you wearing anything that would let us know about your special needs? Please consider wearing some kind of an alert.

Thanks for your help.

## The 2017 KCCA Member Directory is Coming!

Hello, folks! We are getting ready to put together the 2017 KCCA Member Directory. You'll notice we've inserted updated Member Forms in this newsletter issue, and we absolutely need them returned no later than Monday, October 24th. This can be done by email, mail or fax, or you can drop it off in person at the KCCA Clubhouse. The office hours are 9am-5pm Monday through Thursday and 9am-1pm on Friday. If we are away at lunch, or if you are stopping by after-hours, you can drop your form through the slot designated for the Travel Club.

Also, if you know of someone who is still in the directory but is no longer in the community, please inform the office so we can make the proper updates.

A reminder of the rule regarding visitors: if they stay past the allotted 60 days in any consecutive 12-month period, they are considered resident-members and are subject to Association documents and assessments. This means your guest is required to register at the office with their ID and pay a prorated assessment. This also means they will be added to the Member Directory. You can find this information in the CC&R's under Article 3, Section 1.

## Hello Neighbors Social Committee

### SEPTEMBER BACK TO SCHOOL BYOB

That first week after Labor Day is the time nearly all of us associate with kids returning to school, new teachers, new school clothes, new notebooks, and a return to a more structured time schedule. Well, not here in the KCCA neighborhood! Our "BACK TO SCHOOL" night was a time when neighbors gathered at the clubhouse with their wine or beverage of choice, helped themselves to school days food, played a trivia quiz game, and enjoyed a

couple of hours socializing with each other.

The menu was straight out of "school daze"—mac and cheese, wiener wraps, mini pizzas, pulled pork, celery stuffed with peanut butter, cookies, and ice cream. Equinox returned to delight us with some 50's and 60's live music. Although it is doubtful that any guest could recall having been blessed with live music during their own "school daze" lunch times of the past, it certainly added a special flair to the Thursday evening event.

The 50/50 game is always popular, and the prize was won by Nancy Harrington. Coordinators for the event were Judy Holmes and Patricia Day.

With the coming of Fall, KCCA neighbors think more about the start of the "snow bird" migration than the opening of school. HNCS will be waving "good bye" to one of their newest members, Danielle Johnstone, who will be among the first to depart. The Hello Neighbors Social Committee welcomed Nancy Goldberg as a new member, and they invite anyone who has an interest in joining this fun-loving group to call Nancy Hayes, 503-747-5327, or Peggy Trees, 503-620-0703, for information.

This month's BYOB will be held on **October 13th**, and of course, the theme will be Halloween! A

## What do “Universal Design” and “Aging in Place” Mean?

*Provided courtesy of Revive Works Remodeling*

There is a growing contingent of people over 50 years old who are choosing to renovate their existing homes instead of moving to alternative living options.

Most people are deeply connected with their home and community, preferring to remain in their home for life. This movement is called Aging in Place, or Universal Design, which is focused on increasing liveability through accessibility (accommodating walkers, wheelchairs, inability to climb stairs, etc).

Financially, the cost of adding high value renovations is often a much more inexpensive option than the comparable costs of assisted living or nursing homes.

The most qualified remodelers to do this kind of work are those with a Certified Aging in Place Specialist (CAPS) certification and a proven track record working with aging clients. Ideally, the remodeling company would have a team of architects, interior designers, and medical suppliers who specialize in aging upgrades.

Some common aging-in-place modifications are:

- First floor living and redesign
- Kitchen and bath accessibility remodels
- Widened doorways and hallways
- Installing pocket doors versus swinging doors
- No-step entryways
- Flooring changes
- Installing stair glides
- Brighter lighting upgrades

When considering adapting your home to your needs as you age, whether the changes are large or small, it is advisable to (1) check with the Oregon Construction Contractors Board regarding the contractor you are considering using, (2) find out if the contractor has CAPS certification and experience with aging-in-place or universal design upgrades, (3) get references to the company's customers, and (4) ask your neighbors, such as through King-NET, what they know about the contractor.

also have weekly and monthly contests and games. Our team contests and games give us another chance to offer support and encouragement.

Our TOPS group meets every Thursday at 9:45am in the Crown Center. For more information, call Judy Anderson, 503-430-7595.

## King City Music Club

Submitted by Liz Schenk

On September 5, Labor Day, the King City Music Club once again held its monthly show, playing to a good-sized audience. With Dennis Pollmann as acting MC and Lynn Turner as conductor, Muriel Dresser on piano and Wendell Damm on bass, the chorus began the musical offerings with “Bill Bailey” and “Carolina in the Morning.”

Rich Haller then opened the solos with “It Had To Be You” and was followed by Sharon Baker with “Blue Skies.” Mary Jeffery then warbled “Am I Blue” and received a comforting assurance from Bill Lowe, “Our Love Is Here To Stay.” Liz Schenk, with an old Tony Bennett favorite, was next with that soulful melody “Try To Remember.”

It’s so amazing to hear all these old favorites and delight in the memories they evoke. Music is such a blessing for so many of us!

The show continued with a lovely melody sung by Joyce Strassberg, “You Belong To Me,” leading the way to Barbara Parks with “What a Wonderful World” and “Call Me.” Mellow voiced Vernon Coats took the mic next, charming one and all with “I Had The Craziest Dream.” Then Alma Hanna instructed everyone as to the “Glory of Love.”

Elsa Malcom so sweetly sang “Walkin’ in the Sunshine,” followed by Fran Walston once again wowing everyone, this time with “I’ve Got You Under My Skin.” The solos came to a close with Muriel Dresser, pianist, offering “I Don’t Know Enough about You.”

Once again, this group put on a delightful show, and I have no doubt that a lot of pleasant memories were experienced by hearing these wonderfully timeless tunes.

The club offers this choral show on the first Monday of each month at 2:00 p.m. Everyone is invited to come and share in the fun and, if the spirit moves, to become a member of the group. This month, a welcome was extended to Jan Auten, who moved here from Huntington Beach, California, four months ago and became a member of the club. To get information, please call Muriel Dresser at 503-684-3978 or Sharon Baker at 503-352-5958. Hope to see you next month!

The King City Artists' Guild ended Summer with a formal meeting on September 1. Three new people joined the Guild, and ideas and themes were tossed around for upcoming shows and workshops.

On September 8th, member Joyce Saari kindly invited the Guild members to come to her house and paint the late Summer flowers in her garden. It was a beautiful day and her flowers were lovely. Thanks, Joyce!

Then on Saturday, **October 22nd**, we will have our "Fall Sale and Show" in the living room of the clubhouse from 10:00am to 4:00pm. New and old artists alike will be showing their artwork at our yearly event. This year, folks will have the opportunity to view the works of several new artists who have not shown art before. ## Imagination and Collage — the Inner Healer

Submitted by Sharon Loaiza

Would you like a chance to stretch your imagination, to use your intuition to play like a child again? Many of us struggle to tap into the resources that dwell within us. This is your opportunity to come together in community, in a simple, creative, direct way, and together we will

explore our deeper selves. We discover that the answers we have been seeking from others are within ourselves.

We set the stage for you as all materials are furnished and new images are provided at each class from books and magazines. You are also welcome to bring your own images. We are focusing on health issues and finding images that represent the inner healer that dwells within. After we create our cards, we ask important life questions, letting the cards speak our own intuitive wisdom back to us in the process of self-discovery. As we creatively work and share together, we use the tools within this process for deep self-exploration.

You can gain more information by going to the website [www.soulcollage.com](http://www.soulcollage.com). There you will find videos, photos, and many examples of SoulCollage created by Seena B. Frost. We always welcome new people and hope you will join us.

**Where:** Multi-Purpose Room in KCCA Clubhouse

**When:** 12:30-3:00pm, first and third Friday of the month, **October 7 and 21.**

green all this summer playing the old and traditional game of lawn bowls. It's enjoyed by people all across the globe, and there do not seem to be any age limits. This is a general invitation for all the folks living in King City and beyond to come and experience the fun, the simple physical skills, and the—perhaps—new ability needed for walking on the grass.

THIS SUMMER SEASON. As Yogi said, "It's not over till it's over."

This constant monthly renewal of warm weather may last into November, when the club will have its Annual General Meeting and another good time to enjoy food together. These last few Summer months have seen members out playing on Mondays, Wednesdays, and Saturdays at 10am. No sunburn or heat problems, and newcom-

ers can join in for a little or a lot. There are plenty of seats outside the clubhouse too for those who would prefer to watch and think about this game.

So come and check into the same team as Sir Francis Drake, W. G. Grace, and many much feebler retired rugby, soccer, tennis, golf, football and tiddly-winks players of yesteryear. The club has free coaching and lots of bowls and equipment for starters. Bring the grandkids too or the whole family.

Information is available at the clubhouse office or via phone: 503-681-8770, 503-998-9240, 503-716-8754, or 503-349-6290, where contact can be made with Stan, David, Ed, or Steve.

DON'T BE SHY,  
COME AND TRY.

MARGIN NOTE: If we could see ourselves as others see us, we'd probably deny it.

## Tech News and Tips from the Computer Club

Submitted by Mark Mehall

### Tech News

The big news this month is the recent event by Apple. The company announced upgraded versions of the iPhone and Apple Watch, both of which feature new colors, are water resistant, and will have a Mario app from Nintendo. The iPhone 7 no longer has a headphone jack, but Apple announced a new set of wireless “AirPod” earbuds. The iPhone 7 Plus has a second camera lens for close-up and telephoto photos. The Apple Watch Series 2 is now available in a Nike version and is more effective than ever at selecting better lifestyle choices.

## East Washington County Democratic Caucus (EWCDC)

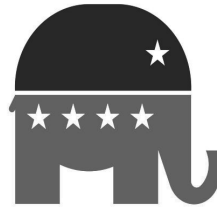

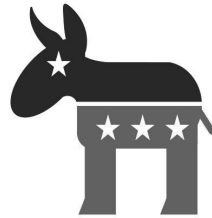

Submitted by Diane Tyhurst

On September 1, the EWCDs welcomed several candidates running for office in 2016. These candidates included Labor Commissioner Brad Avakian, who is running for Secretary of State; Representative Tobias Read (District 27), a State Treasurer candidate; Ray Lister, legislative candidate for District 26; and Paul Southwick, legislative candidate for District 35.

Washington County Democrats' Field Director Carl Fisher talked about his experience at the Democratic Convention in Philadelphia this past Summer.

On **October 6th**, the EWCDs will begin their meeting with a Fall potluck. Following the meal, the measures on the Oregon state ballot will be summarized and discussed. These measures include #97, which would raise corporate taxes, and #100, prohibiting the sale of products from endangered animals. Representatives from the various ballot measures have been invited to attend so folks can get a good understanding of the meaning behind these ballot measures.

The East Washington County Democrats meet on the first Thursday of each month at 7:00pm in the King City Clubhouse. Everyone is welcome!

## King City Travel Club News

### NOVEMBER 18, 2016 – TRIP TO ALBERTINA KERR

On November 18, 2016 the KC Travel Club will visit the Albertina Kerr Center.

In 1903 when Alexander H. Kerr established a home canning supplies business, the company with offices in Portland, Oregon, was called the Hermetic Fruit Jar Company. In what was a scandal at the time, Kerr divorced his wife to marry Albertina Sechtem, who was 28 years his junior. Sechtem and Kerr were wed on September 29, 1910. Albertina moved into Alexander's house. Shortly after their son John was born, the Kerrs traveled to Camp Rilea on the Oregon Coast and Long Beach, Washington, and Albertina contracted typhoid fever while on the trip. She died on October 17, 1911. Her deathbed wish to

her husband was: "Look after other motherless babies, too."

Alexander donated their home to the Pacific Coast Rescue Society for use as a home for orphans. The home, which provided adoption services and daycare for the children of single mothers, opened in 1913 and quickly became too small; Alexander and his third wife, Ruth, raised money for a larger building at Northeast 22nd Avenue and Sandy Boulevard that opened in 1921 as the Albertina Kerr Nursery. The nursery operated until 1967, when the organization changed to a foster care approach. The original building on Sandy Boulevard was reopened in 1981 as Albertina's Restaurant and antique and consignment shops. One of the restaurant's signature dishes is a cheesecake served in a 4-ounce Kerr canning jar.

During our visit to the Albertina Kerr Center, we will have time to shop. We will have a Holiday lunch which will include all the trimmings for Thanksgiving. The cost of the trip will be \$45, which includes transportation and lunch. All gratuities are included. Reservations must be made before November 4th. No

refunds will be made after that date. Our bus will leave from the KCCA library parking lot at 10:30am and return at approximately 5:00pm. Be sure to arrive in time to sign in, get your badge, and choose your seat on the bus. Remember, to participate in this adventure, you must be a KC Travel Club member. Annual dues are \$4, which is to be paid in a separate check from the cost of the trip. The checks are to be placed in the Travel Club slot at the Clubhouse Office. If you have a care person, that person must pay for their space on the trip.

For reservations, please contact Jeanne Harshfield at 503-754-9744 or Verna Wyatt 503-624-5681.

**A REMINDER:** The KC Travel Club Board would be very appreciative if all Travel Club members and other community members who are interested will attend the **October 15, 2016** meeting at the KCCA Clubhouse at 10:00am. The Board needs your input and ideas about how we will go forward with the Travel Club to continue to provide you with interesting and enjoyable excursions for the upcoming year. Refreshments will be served.
