Happy New Year! I promised to ask for help when I know what kind of help we need, so I have a few requests for anyone willing to volunteer their time. We hope everyone's holidays were joyous and that each of you, your families and friends, are looking forward to an amazing 2018!

**HELP WANTED**

**Graphic Artists:** We are hoping there are two graphic arts gurus in our Community who might be willing to volunteer their skills. Project One: we would love to have a nice-looking diagram of what each amenity space should look like after take down of events. These will be posted in each space, so they need to be nicely and similarly drawn and as simple as possible. There are six to seven spaces we would like these signs for. Project Two: we would like to hang interior entry door signs with the name of each space, suitable for framing. There are six of these spaces.

**Thank You Team:** We would like to start acknowledging the wonderful things people in our Community do with 'thank you' cards, we feel the thanks in our hearts but our hands run out of time. We also are often unaware of the kindnesses that we know happen every day. Part of this project is to help us construct a way for Community members to request a card be sent to someone who helped them. Another part is helping prepare meaningful cards to be mailed to our good-doers.

**Pollsters:** Some day it would be lovely to poll our Community using one of the many online tools for

doing so, however, we don't think everyone would be represented this way alone. If we had volunteers who were willing to telephone members (if listed in the Directory) who are not registered on our web site, we would feel more comfortable implementing an online polling system. This would NOT be for HOA member voting purposes. We often wonder about things that might benefit the Community. Such a system would help us a great deal in learning the answers.

**Events Team:** Some Community Clubs may have difficulty with set up and take down of their meetings or events due to physical limitations; as well as ensuring buildings are secured afterward, when staff are not in the building. It would be so wonderful to have a list of willing volunteers to give to Community Club organizers; not as a promise of assistance but to call on (in advance) if needed, scheduled at the volunteers' availability.

**Social Reporters:** We want to, but can't possibly keep up with everything that might help members of our Community to know. We would be grateful to have a few folks watching out for things that would benefit people in our Community to know about; things like local promotions (free stuff!) and inexpensive events or entertainment, not whose dog left an unwanted gift on whose lawn. In addition to sleuthing this kind of information, hopefully well in advance of it happening, we would ask all social reporters to please email us a short write-up that can be posted to the Community by whatever means makes sense given the timelines.

Any Community member who has the skills and time to volunteer for any of these projects is encouraged to contact me, by either calling the office or emailing me at [administrator@mykcca.com](mailto:administrator@mykcca.com). Thank you in advance to those who respond!

**Assessment Invoice Postcards**

You should have received your assessment invoice postcard in the U.S. Mail by now. If not, please contact the office as soon as possible. Payments are due before February 1st to avoid late fees. No cash payments will be accepted.

**KCCA Board Meetings Now Only in the Evening**

Beginning in January 2018, KCCA Board of Director meetings will be held on the **second and fourth Tuesdays at 6:30 p.m.** in the KCCA Clubhouse. This will be a trial period to see if this new schedule works better for residents and the Board. There will be no more board workshops during the day. Pool Construction meetings will continue to be held on Friday mornings at 8:00 a.m. in the Crown Center, until completion of the indoor pool.

**2018 Planning for KCCA Club and Social Events**

*Submitted by Marty Williams*

On Thursday, January 11, 2018 at 6:30 p.m. join fellow KCCA residents and KCCA Board Director Marty Williams in the KCCA Clubhouse to plan for social and club events for the coming year. We have many great activities available organized by different groups and this will be a chance to share ideas, and be enthusiastic together about the variety of social opportunities here in King City.

Hello Neighbors Social Committee (HNSC) wishes our neighbors peace and happiness in the New Year. We hope the holidays were enjoyed by each and every one of you. The festive lights of King City definitely brought joy throughout our KCCA community during the holiday season... a wonderful way to move towards a new year.

On December 6, Judy Holmes from HNSC hosted a fully-attended holiday workshop with coffee, tea and cookies. Those attending were provided with the materials – greenery, candles, bells, ornaments, holly, etc. – to make a centerpiece to take home at the end

of the workshop. Many brought materials of their own to create individually-themed centerpieces.

The last BYOB was hosted by Hello Neighbors on December 14 bringing the Community a holiday party held in the beautifully decorated Clubhouse Lounge. There was wonderful holiday music provided by piano player, Mickey Severs, and joyously sung Christmas carols. Delicious food was enjoyed by those attending and, of course, there were prizes and the usual 50/50.

As the calendar page turns to a new year, 2018 will bring about changes for many of us in many forms. Hello Neighbors will be seeing one of those changes. Our meetings now will be held once a month on the first Friday at 10:00 a.m. in the Multi-Purpose Room of KCCA's Clubhouse. The Committee encourages anyone to attend a meeting to find out what the future plans are and offer your own ideas. If you are looking to join a committee, we would love to have

you. Please contact Nancy Hayes at 503-747-5327 or Peggy Trees at 503-620-0703 for more information.

Make sure you put Sunday, March 18, 2018 on your calendar for the **Fourth Annual Pies of March** event. Slices of homemade pies from around the community will be served as well as some purchased pies from some of the reliable sources in and around our Community. Of course, what's pie without ice cream?!? So, be prepared for a scoop of that, too!

**Guitar Lessons**

Beginning Guitar Classes will be starting soon on Wednesdays at the KCCA Clubhouse. Learn the fundamentals of guitar playing: chords, strumming, reading music, theory, and fret board. We'll keep it fun learning easy songs. You will need to bring your own guitar. For registration please call Alex Pothetes at 503-317-6201.

## Life Is A Journey

Submitted by Sandi Furhman

The path we choose to take is up to us. We are the masters of our destiny, choosing the road we take to get there, and how happy we are when we arrive. Whatever we do, looking in the rear-view mirror is not an option because we aren't going that way.

Buyers deciding to move into this HOA community not only buy a home, they buy into a lifestyle and invest in a community and its' amenities encompassing everything from the front gate to the general condition of all the homes and HOA facilities. Buyers moving into this community gain a social and support circle, community bonding, and an option to enjoy a variety of communal amenities. We all expect pleasant, clean neighborhoods and streets, minimal crime and a system that works. People purchase with an expectation that the appearance of homes, shared areas, and community amenities will be maintained, will continue to attract future homebuyers and increase property values.

When some question replacing a derelict indoor pool facility with a state-of-the-art aquatic center, they ignore the Board's responsibility and duties to maintain our existing facilities which in turn increases everyone's property values,

ensuring our financial future.

New buyers purchasing in our community pay a 1 ½% transfer fee, which pays for the building of the new pool facility and a variety of other HOA improvements. This makes new buyers and the impression we give them of this community, one of, if not the most important asset we have. Each negative thought spoken or written in social media about this community can cause a loss of potential buyers, financially harming us all.

All major projects run into obstacles and it is how we handle those speedbumps that assures success or failure in reaching our destination and how happy we are when we arrive. Despite the construction challenges of the last 7 months we continue to move forward because looking in the rear-view mirror is not an option, as we aren't going that way.

Framing passed inspection, PGE installed the transformer and electricity to the building, dehumidifier installation and final rough lighting completed, insulation is complete, and the exterior brick is on site awaiting installation.

Gutters, drywall, exterior curbs and walkways are scheduled to be complete by end of December.

Current projected cost is \$1,601,143, which includes additional change orders of \$11,572 for emergency interior battery backup lighting required by building code. Also included is a reduction of \$19,228 waived by the City for a system development fee.

The overall building

project is approximately 85% complete as of this writing.

Nothing is more of an indicator of your homes potential future value than the strength of its homeowner's association and community. We must not let obstacles block our path. We will keep moving forward, keeping our eyes off the rear-view mirror, because we aren't going that way.

## Tech News and Tips from the Computer Club

Submitted by Mark Mehall

### Tech News

The big technology news this month is from the Consumer Electronics Show. Every January representatives from over 3,900 companies meet in Las Vegas to show off the latest devices and applications. The show includes the latest technology in self-driving cars, the Internet of Things, fitness and wearables, smart home, robotics, artificial intelligence, and other high-growth technologies changing the world.

Got something that is giving you trouble? Bring your gadgets to the computer club for some tips for getting the most out of your devices.

### Tech Tip

The bad guys are always trying to fool us. Don't fall for the phone scams that pretend to be from Microsoft saying that something is wrong with your computer. Microsoft will never call you. Also, hang up on the pretend

call from the IRS or U.S. Marshalls – they will never phone you. When using your computer don't click on any of the ads that say they will fix or speed up your computer. And never call any of the phone numbers that show up in pop-ups. They are all scams.

### Saturday Classes

The King City Computer Club provides a friendly and open environment where members can learn about computers, smartphones, tablets, digital cameras and modern technology at their own pace. The club classroom has a collection of Windows and Macintosh computers, printers and Wifi for members to use on site. Classes meet in the computer room in the Arts & Crafts/Library Building every Saturday at 10:00. "Walk-ins" are welcome. The first class is free. Learning is a life-long experience and the club provides the support and encouragement for members to effectively use modern technology.

Note, you can bring your used printer cartridges, CDs and DVDs to the Arts and Craft building. As a public service, the computer club offers free recycling for CDs, DVDs and ink / laser toner cartridges. Please don't throw them in the trash.

# January Monthly Musical

Submitted by Shirley Frank

The Monthly Musical is proud to present the Providence Hospital Band in performance at the King City Civic

Association Clubhouse on Sunday, January 14 at 2:00 p.m. This band is a group of doctors, dentists, teachers and musicians who love Big Band sounds. A handful of doctors started the band back in 1960. It has been in existence for over 50 years and they would be pros if you could make a living as a musician today! The style of the group is "The Sounds of the Big Bands." They are the same size as the bands of the Glenn Miller era and play the music of Glenn Miller, Count Basie, Duke Ellington, Benny Goodman, Harry James and the Dorseys. They feature Dr. Ken Willeford and Maria Blum singing the sounds of Ella Fitzgerald, Diane Shuur, Michael Buble, Dean Martin, and Frank Sinatra.

For many years the band has played in the Portland area parks for summer concerts, as well as many of the retirement homes in and around Portland. They use the standard instrumentation for a big band; five saxophones, four trombones, four trumpets, drums,

bass, guitar and piano; in addition to the male and female vocalists.

You are encouraged to stay for refreshments which will be provided following the concert by Bonaventure Retirement/Assisted Living Facilities. A big thank you goes to KCCA and Columbia State Bank for graciously providing the money for these concerts. We will be honoring birthdays and anniversaries halfway through the program. You may choose to buy a raffle ticket at the door for \$1.00, which gives you a chance to win \$5 or \$10 in the drawing at halftime. These concerts are free to the public. Come and bring a friend!

## King City Music Club

Submitted by Lynn Turner

Christmas came a little early to the King City Activities Center in the form of music presented by the King City Music Club chorus and instrumentalists.

A selection of Christmas favorites was sung by the chorus, and soloists from the group provided a variety of seasonal songs, including Alma Hanna's flirty version of "Santa Baby" and ending with a moving rendition of "O Holy Night," sung by Bill Lowe.

Dennis Pollman played a hauntingly beautiful harmonica introduction to "Silent Night." Then the audience joined the chorus in finishing this time-honored noel.

We are always looking for more singers to join us at weekly rehearsals. Every Monday at 2 p.m. we prepare songs for the next performance, which is always on the first (non-holiday) Monday of the month. The next show will be January 8, 2018.

We hope to see you there! We will warm you up with our winter song-fest.

For more information, call Music Club President, Muriel Dresser at 503-684-3978
