Administrator's Column

Submitted by Ronnda Zezula

See Page 2 for New Window Hours!

Welcome to Spring, everyone! First, a quick thank you to our two Community volunteers who are working hard to help set up member events. 'Thank You!' They may reach their limit soon, so if any other members are able to add their names to the list of potential volunteers please let us know. We would be giving out your name and phone number (and/or email) to members who request help with setting up and/or taking down their events.

Speaking of Spring, many of your projects are starting-up and LARC requests are pouring in. Please know our process starts with a LARC volunteer, and right now there aren't

many of them, so approvals will definitely not be next day. We ask that you please plan as far ahead as possible to allow our LARC volunteers to spend the time they need on assessing projects before approval. The office will call to notify members of approval (or steps needed to move forward), and we will also mail a copy of the approved form - or hold it for pick up.

Speaking of LARC, there is a defined process for resolving complaints as well. It may take time before results are seen. When a complaint is submitted, that requires a LARC member to speak with the member being complained

against, a timeline begins that the office must follow. We are unable to give details beyond updates on where we are in the timeline, if asked. Other information often asked about is personal in nature and not the kind of information we give out about any of our members. While we empathize with how people who have complained feel, please know that we also must respect member privacy.

Finally, please take a minute to update your membership information and add your email address to our growing list. We are also taking this opportunity to update our own records (and the 2019 Directory). Use the "Info Update" link on our home page, under Announcements, at www.mykcca.com.

Electing New Members To The KCCA Board Of Directors

Submitted by the KCCA Board Nomination Committee

The terms of two current members of the Board of Directors will expire at the end of May 2018. The nominating committee has nominated the following KCCA members to run for three year terms:

- **Jim Trees**, Retired Property Damage Appraiser
- **Rob Cavasher**, Licensed Clinical Psychologist
- **Helen Harper**, Property Management
- **Steve Garner**, Retired Educator
- **Katherine Griffith**, member of Budget Committee, City of King City

Residents not nominated are encouraged to also be candidates for a Board position. They can do so

by picking up a packet in the KCCA office. The packet includes a Petition requiring signatures of 25 residents, Duties and Responsibilities of a Board Director, Campaign Regulations and important dates for candidates.

Applications for all candidates, including petitions with 25 signatures if applicable, are due in the KCCA office on April 12, 2018. The two candidates who receive the most votes in the May election will serve three-year terms.

All candidates are asked to submit a photo and biography, including experience and skills relevant to Board membership, to the KCCA office by April 13 for the May Newsletter. Candidates are invited to speak to members at the Annual Membership Meeting on April 24. The election will close on May 22.

Special Neighbors Gathering:

Tues., April 24th @ 5:30pm

Before our Annual Membership Meeting at 5:30pm on April 24th, Hello Neighbors Social Committee invites you to gather with friends and neighbors for light refreshments, coffee and tea in the KCCA Clubhouse Lounge. This is an important evening in the life of our community so we hope each of you will begin it by relaxing over snacks and gentle conversation.

ABOUT THE KCCA NEWSLETTER

Publisher/Advertising Tigard Life 503-692-9215

HELP WANTED

The KCCA Pool Fundraising Committee is seeking a handy person to construct PVC storage containers for pool equipment storage. Materials will be provided. Contact Valerie Schuyler at valeries4044@msn.com.

EMPLOYEE *Spotlight*

Congratulations to **Al Veith**, our spotlighted Staff Member for April. Al is a familiar face at the Pro Shop, whether he is playing golf or working behind the counter. His quick wit and congenial personality have endeared him to us all.

Little known about Al is that he is the third generation of printers in his family; starting with his grandfather, then his dad, and then Al. His parents ran the weekly newspaper in Langsburg, Michigan when he was growing up and that instilled in him a desire to follow in a career of commercial printing. Al retired in September 2016 from the printing business.

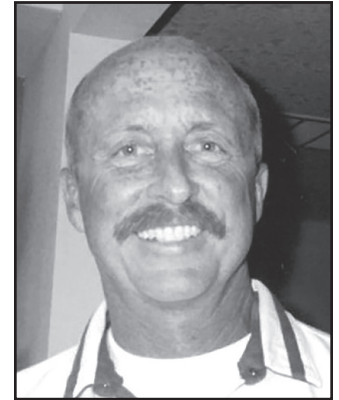

Al Veith

During his spare time, Al enjoys camping, traveling, rock climbing, and of course golf. He belongs to the King City Men's Golf Club and the Poker Club. In the past, he has coached baseball, soccer, and basketball. Al has been married to his wife, Janelle, for 38 years. They have two sons, Zander and Logan. Logan recently married in 2017.

Al started working in the Pro Shop during the summer of 2016. He has been a great help with many of the changes since then. When you are out, stop in and say 'hi' to Al, and thank him for his dedication to our golf course!

Former KCCA Resident Gary Shervey Passes

Gary Shervey passed away at his home on February 3, 2018 from brain cancer. He grew up in the Portland area and

became a Navy submariner before entering into a career with various telephone companies in Portland and Los Angeles. After retiring, he moved back to Oregon and was a King City Civic Association resident for years. Contributions can be made to the American Cancer Society in Gary's name.

KING CITY SENIOR VILLAGE

Grand Opening & ART WALK

3:30 - 7:00 P.M. THURSDAY, APRIL 26TH

Join us in celebrating our Grand Opening. Our community has been remodeled from top to bottom! Festivities will start with a Ribbon Cutting Ceremony at 3:30 PM. Then from 4:00 PM onward, stroll through our Art Walk, which features art from local artists including the King City Artist's Guild. Enjoy live music and complimentary appetizers and beverages. Valet parking available. **Please RSVP to (503) 684-1008.**

Getting to Know Your Aquatic Center – Part 3

Submitted by Sandi Fuhrman

We're on track to finish this project under the \$2 million mark from our 2016 Reserve Study, including the Crown Center renovations. From determining a pool's size to addressing its lighting needs, pool design is complicated and has many important factors to consider. Factors such as ambiance, types of activities, ambulatory/assistance issues and use of a spa and lap pool for therapy and rehabilitation all must be taken into account in the facility's design.

Providing a free resident facility that

accommodates aquatic exercise, lap swimming, lap walking, and open swimming that fits the needs of a 55+ age community is paramount to ensure its' success.

Upon entering the pool room from the dressing rooms, you will see the original pool is 25' x 50' and has a depth range of 3' to 5'

& 5' to 3' and contains 34,200 gallons of water. The pool was resurfaced, new coving and blue tile added and retrofitted on one end to meet current code. The pool includes multiple entrance options including steps which are deeper, more gradual and have double hand rails for easier access.

Beyond the original pool you will find the 2-lane lap pool where you can race a friend or swim solo and reap the benefits of a great cardiovascular, full-body workout. The lap pool is 12'x46', has a water depth range from 3'-6" to 4'-6" and contains 17,500 gallons of water, making it the perfect place to practice

your breaststroke, backstroke, walking or other rehabilitation needs.

Pool temperature was an important consideration in determining the operation of our new Aquatic Center - -The Aquatic Exercise Association recommends a

water temperature for older people between 83°- 86° for moderate to high intensity and 86°- 88° for low intensity water exercise. We are dedicated to assuring your aquatic experience will be a temperate one.

Of course, the health benefits from water activities is well known, but we took an additional step by designing a large spa for your relaxing pleasure. Studies show spas increase circulation helping people with arthritis have better movement and less pain in the joints, provides better sleep, offers stress and knee or back pain relief, to name a few. During the design phase, considering the benefits of a spa for our community became quickly apparent. Beyond the lap pool you will find a 12'x12' square, 3'3" deep spa. The spa includes 14 2hp jets and holds 2600 gallons of water. Recommended water temperature is 102°-103°.

Providing natural light and a connection to the outdoors was an important design element for a pleasant experience. In our facility, you will find many energy efficient windows throughout the entire pool area, providing lots of natural light. All the walls and ceiling are painted a light color as reflected light is more pleasing to the eye.

LED lighting is used throughout, projecting much less heat while being energy efficient, with a longer lifespan than their traditional counterparts. The level of humidity in our facility is estimated to be about 60-65%, as are chlorine vapors, which accelerate corrosion of materials. The basic configuration of pools tends to make lighting systems maintenance a difficult and costly job. For these reasons their durability is a key

continued from previous page

factor in the low maintenance of LED lighting systems, especially in a costly environment such as an indoor pool.

Battery powered backup lighting has also been installed, which will automatically turn on if power is compromised in the building.

Ceiling height was given a lot of consideration during the design phase. Often spaces are designed with ceilings that are too low. The rooms may support their intended functions but combined with large floor space can leave the space feeling like a tunnel. Our pool room boasts 12'-6" ceiling heights resulting in an open, spacious and airy feel.

Generally, the air temperature is set to 4°-5° higher than the water temperature. However, once the water temperature is set above 85°, then the air temperature tends to be just a degree or so above the water temperature. When swimmers complain about the air being too cold, it is typically due to air passing over their wet skin. Keep in mind that air needs to pass over the water's surface to help rid the space of chloramines, which can affect those with breathing problems. While the UV system will help eliminate those pesky chloramines, the air still needs to move.

Deck drains have been added around the perimeter of all the pools which will be instrumental in avoiding contaminated water from reentering the pools.

Each of the pools include an ultraviolet (UV) system for water sanitization and purification to control bacteria. UV systems utilize a cutting-edge, non-chemical process that uses light rays to sanitize the water.

Adjacent to the spa is the equipment and mechanical room, which is only accessible to the maintenance staff. Equipment in the mechanical room automatically tests and sanitizes the

water, although the staff is still required by State law to manually test the water each day and add chemicals by hand if needed. Chemicals are stored in the outdoor storage room and can only be accessed by maintenance staff.

Studies indicate that the systems incorporated into the pool area, from lighting to acoustics to indoor air quality, can be difficult to control. Since HVAC comprises 40 percent of all carbon emissions, incorporating the most efficient heating, ventilation and air conditioning systems, along with efficient operations and scheduled maintenance of such systems, reduces carbon footprint. Our Aquatic Center has a Seresco Dehumidifier providing 24-7 monitoring of critical functions and optimal system performance.

The controls are specifically designed to control swimming pool environment conditions including humidity, pool water heating and air conditioning. Our equipment includes a recirculating system that recirculates heat

back into the water reducing the amount of gas needed to heat the pools.

Older adults are leading more active lifestyles these days, and they are interested in facilities that support their wellness goals. Our indoor aquatic center is an important feature that will reach far into the future of our nice community. This is an exciting time as our new Aquatic Center will be opening very soon and I know you are all looking forward to jumping into the pools or spa with a group of like-purposed friends for a fun and social experience.

Sandi Fuhrman is a member of the pool construction committee and employed by a construction company managing commercial, civil, storm water and environmental construction services.

April Monthly Musical

Submitted by Shirley Frank

On Sunday, April 8 at 2:00 p.m., the Monthly Musical is pleased to present **Cliff Jetton and his brass ensemble** at the King City Civic Association Clubhouse. For 10 years this group has been delighting audiences with an upbeat, happy sound that is certain to bring smiles and tapping toes. The band features horn player Cliff Jetton who moved to Portland in the early 80's from San Jose, California, for what was supposed to be a few quick years of college. Somehow, Oregon (and one of Oregon's lovely ladies) claimed him for good and he is now a permanent member of both the state and its burgeoning music scene. You might remember this group from years past when they teamed up with Gil Reynolds and his group to play for us. Cliff is joined by guitarists Phil Levine and Greg McCarty as well as violinist Nate Baker. Their selections will include the French Gypsy Jazz style, as well as recognizable American

swing tunes that they have adapted to their sound.

Gypsy Jazz is a music style that developed in Paris in the 1930's and 40's. A gypsy jazz ensemble is typically built around two acoustic guitar players who are then joined by other instruments. (Drums are rare in this style, and it's the rhythm guitarist who drives the beat.) This group has been delivering hot acoustic jazz all around town for over a decade. The combination of guitars, violin, horns, bass, and vocals add that musical something extra that'll keep you swinging 'til the cows come home.

Our thanks go to KCCA and Columbia State Bank for their continued sponsorship of these musical interludes, as well as to NW Senior Resources for providing refreshments following the concert. Raffle tickets will be available at the door for \$1 for a chance to win

cash prizes and April birthdays and anniversaries will be acknowledged. We look forward to seeing old and new friends for what promises to be a new and exciting performance.

Special Presentation How to Save Money at the Dentist & at Home

Dental Tips and Best Practices to Keep Your Mouth Healthy

KCCA residents and friends are invited to attend a free presentation from 10:30 a.m. - 12:00 on Wednesday, April 18, 2018 in the KCCA Clubhouse's Multi-Purpose Room.

Topics of Discussion:

- How to save money at the dentist
- The impact of diet and medications on your teeth
- Replacing missing teeth
- Best practices: what to use at home

The speaker will be Dr. Scott T. Simpson, DMD, from Appletree Dentistry. Snacks will be provided and there will be a Q&A session after his presentation. Please RSVP to the KCCA Office by April 16 by calling 503-639-6565.

Love Photography? Looking for others who share your interest?

Submitted by Dick Wiggers

For almost fifty years, the King City Camera Club (KCCC) has been meeting from September through May to provide local photographers the opportunity to show their work and to improve their skills. Meetings are held on the 2nd and 3rd Mondays of each month at the KCCA Clubhouse (15245 SW 116th Ave) at 7:30 pm. The 2nd Monday is Competition Night. Members show both printed images and/or projected images. These images are judged and critiqued, providing photographers with an opportunity to get an independent review of their work coupled with comments to guide them toward taking better pictures.

Program Night is held on the 3rd Monday of each month. This usually involves a person or group from outside the club making a presentation. We are fortunate to have the following two more outstanding photographers coming soon: Gary Randall, an award winning

NW photographer, writer, and adventurer, on March 19; and, Ben Canales, a Grand Prize winner of National Geographic Traveler Photo Contest, on April 16. You can learn more about each of these photographers by visiting their websites. Guests are always welcome.

Picture takers of all skill levels are encouraged to participate in our club. Photographing is more in the eye of the photographer than it is in the equipment. A smart phone user can often take better pictures than the user of an expensive DSLR camera. Newer photographers will have the opportunity to learn by observing the work of others,

"Tidal Explosion" – Cape Disappointment
Photo by Su Zhou, King City.

some of them professional. Who knows, maybe the newer photographer can show the "old hand" a new trick or two.

You are welcome to come to the club meetings as a visitor to check us out. We hope to see you at a meeting soon. To learn more and view the work of our members, visit our new website: (<https://sites.google.com/view/king-city-camera-club/home>).

King City Ride Connection Shuttle

Submitted by Ginny Jones

Hop on the King City shuttle anywhere and request a pick-up for local destinations within shopping conveniences. Just signal the driver when you see them coming and a little wave with a smile will do the trick. Just call the Ride Connection at 503-226-0700 to make a request. Call anytime up to one business day before the trip. There is no cost for the shuttle, although donations are happily accepted.

Candidates to Meet with Voters

Submitted by Janet Ference

We welcome several candidates for local and state office to speak at the East Washington County Democrats meeting this month. At this informal gathering, voters will have an opportunity to ask questions and get acquainted with these hopefuls who are running in the May primary election.

Kevin Barton currently serves as Chief Deputy District Attorney, and he is seeking to replace retiring DA Bob Hermann.

Attorney Steve Burke is running against incumbent D. Charles Bailey for Judge in Washington County Circuit Court, 20th

District, Position 6.

Rachel Prusak, a Nurse Practitioner and healthcare advocate, is running for Oregon House District

37, against incumbent Representative Julie Parrish.

Ryan Spiker is a military veteran and healthcare administrator, and he is challenging Representative

Richard Vial in Oregon House District 26.

Please join us at this free event on Thursday, April 5, 2018, at the KCCA Clubhouse, located at 15245 SW 116th Avenue in King City. Socializing begins at 6:30p.m., and the program starts at 7p.m. All are welcome.

SW Corridor Republicans

Submitted by Billie Reynolds

Don't miss the April 11 meeting when Washington County Commissioner, Bob Terry will spend time explaining why our county remains in the black when most are seeing red ink. A businessman, volunteer, former President of Hillsboro Chamber of Commerce, founder of the OR International Airshow, and so much more, Bob brings expertise and experience to this critical group of commissioners.

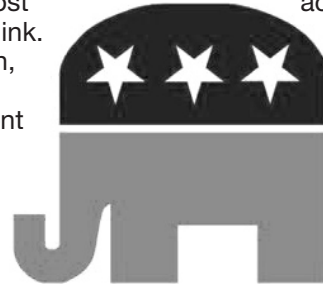

Bob has served with groups for clean water, roads, veteran services, metro policy and public health, hence his ability to help Washington County

fulfill its people's needs.

Candidates running for office will speak, Tracy will update the Wash Co. Rep. Club activities, and Lauri and Jeff will update activities for election of candidates.

Come at 6:30 to enjoy sandwiches and cookies and meet fellow caring citizens who want

to improve and retain fundamental values and environments for our children and grandchildren. Speakers begin at 7:00 p.m. at the King City Civic Association Clubhouse located at 15452 SW 116th St, King City, OR. Questions? Call 503,639-7452 or 503-639-6545.

King City Music Club

Submitted by Lynn Turner

The King City Music Club program provided a range of solo selections at their performance on March 5, from traditional Irish tunes to romantic ballads. A surprise guest, Shirley Frank, sang a really funny song. Malcolm Bruce on saxophone is now back full time. He joined Muriel Dresser on piano for a duet of "Perhaps, Perhaps, Perhaps." Four chorus numbers, a harmonica and tin pipe duet, and even a little tap-dancing rounded out the show.

The next monthly performance will be April 2 at 2:00 p.m. at the King City Civic Association Clubhouse located at 15245 SW 116th Avenue. Spring will be warmly welcomed.

The Music Club welcomes new members. Rehearsals are held every Monday at 2:00 p.m. at the KCCA Clubhouse. No auditions required. For more information call President Muriel Dresser, 503-684-3978.

"MOVIE TIME" Matinée

Submitted by: Ginny Jones

Spring is in the air, with some great free movies returning to the 1st and 3rd Friday's of the month. Free popcorn at all movies, just bring your drink and join the "Movie Time" gang. Questions? 503-914-5568

April 6th – Friday 2p – Free movie "BLADE RUNNER 2049"

RATED: R | 164MIN
2017 | CRIME THRILLER

Thirty years after the events of the first film, a new blade runner, LAPD Officer K (Ryan Gosling), unearths a long buried secret that has the potential to plunge what's left of society into chaos. K's discovery leads him on a quest to find Rick Deckard (Harrison Ford), a former LAPD blade runner who has been missing for 30 years.

April 20th – Friday 2p – Free movie "WONDER"

RATED: PG | 114MIN
2017 | DRAMA FAMILY

Julia Roberts, Owen Wilson, and Jacob Tremblay star in an inspiring story of a loving family whose son, born with facial differences, enters a mainstream school for the first time.

King City Artists' Guild

Submitted by Lynn Wolfe

On February 22 we played hooky from our painting for an afternoon of the game Trivial Pursuit. This was my idea to celebrate seven years to the date that I moved into King City. There were eight of us on two teams, getting schooled in all the questions and answers of the game. It was a lot of fun and everyone seemed to enjoy this light-hearted diversion.

Coming up we are planning to participate in a few shows: The Unity Church of Beaverton wants to show some of our art in May; Laurie Svec is showing work at the Village Gallery of the Arts (next to Cedar Hills Library). This club is also having an Art Challenge on 6" canvases. The King City Senior Village will be showing art created by students of Laurie Svec and Diane Tyhurst and artwork by our members as well in May.

Laurie has artwork inside Sherrie's Jewelry in Tigard. This shop would like to have our artists' artwork in 3-month rotation starting in June.

Our theme for March was "Imaginary Beings" in the clubhouse living room. I hope you get a chance to see this unusual house exhibit which will be up through April. Some of our members are also painting still lifes to hang in April through May. For summer, our theme is inspirations from travel around the world: paths & trails, barns & sheds, other scenic inspirations.

Our artwork is on display in the Clubhouse living room and is often updated with new pieces as the artists finish them. Please come often to view them and leave feedback for us.

If you would like to learn more about who we are and what we do, please come to visit us on any Thursday at 1 pm in the Multi-Purpose room in the Clubhouse.

Shuffleboard News

Submitted by Jack Croll

Not a whole lot new to talk about this month, but we have been enjoying the participation of our new members. We really want to attract people to use the wonderful facility we have here in King City. At the spring meeting on March 14, we discussed a couple of fun activities to do just that – attract new members.

Although no dates have been set, we intend to have a shuffleboard tournament with a variety of categories for competition - novice, singles, doubles with variations so that, from "newbies" to well seasoned (old?) players, everyone can compete and have fun.

We also will have a "come meet us and eat" barbecue that will probably be in lieu of our summer meeting in early June. Hopefully by bribing people to come and see what we're all about, they will see how much fun playing shuffleboard can be. We would love to see the club grow to the extent that we need to add more hours or days to our scheduled times.

This time of year we meet at the court at 1:15 (play begins at 1:30) Monday, Wednesday, and Friday. Come by and give us a look. You really might be intrigued.

Gentog Celebrates 10th Anniversary with Open House

There is a magical place in our neighborhood called Gentog. The name stands for "Generations Together". As Oregon's first intergenerational daycare, Gentog is a standout in both the childcare and senior care.

Their two programs are complete and wonderful in and of themselves. Gentog children enjoy a full day of learning and playing in classes geared to their age and abilities. The seniors enjoy a full day of socializing and enjoying activities geared

to their cognitive and physical abilities.

Two or three times a day, a small group of children and a small group of seniors gather in the family room to enjoy 20 minutes together playing, singing, reading, exercising, or crafting. Those minutes are golden and special. At the end of the allotted time, they each return to their own spaces.

Gentog offers our community a wonderful place to volunteer. If you would like to share your love of music

or crafts, they would love to have you join them. If you'd like to bring a prayer circle or would like to teach Tai Chi or Yoga to an eager group of children and seniors, this is your place. If you'd like to just sit and help someone to play dominoes or cards, there is chair waiting for you. If you'd like to read to children, they always have some eager listeners!

Gentog will celebrate their 10th anniversary in April with an Open House on Friday, April 27. Everyone in the community is welcome to stop in between 2 and 4 pm.

King City Travel Club Trip: Lan Su Chinese Garden

Submitted by Dee Schiavone

On May 18, 2018, the King City Travel Club will experience a culture other than ours. The Club will travel to the Lan Su Chinese Garden in Portland. The Garden is one of Portland's greatest treasures. Built by Chinese artisans from our sister city Suzhou, home of China's famous ancient gardens. It's the most authentic Chinese garden's outside of China. More than just a beautiful garden, Lan Su is a creative wonder, a powerfully inspiring experience based on a 2000 year old Chinese tradition that melds art, architecture, design and nature in perfect harmony. Once inside the garden's walls, you'll feel as if you've traveled through time to another era in a faraway world. Lan Su is a window into Chinese culture, history and a way of thinking. The garden always has something new to offer. We will have a private tour.

There will be an early dinner at the Old Spaghetti Factory on the Waterfront. There will be three entrees; spaghetti with marinara sauce, baked

lasagna with ground beef or chicken Marsala. All entrees come with bread, salad and spumoni ice cream for dessert.

The cost of the trip will be \$40. The price will include transportation, dinner and gratuities.

The bus will leave at 1:30 pm from the KCCA Library parking lot and return at approximately 7:00p.m. Reservations must be made no later than May 11, 2018. **NO REFUNDS WILL BE MADE AFTER THE DEADLINE DATE.** To participate in this adventure, you must be a KC Travel Club member with emergency contact information on file. Annual dues are \$5 and are to be paid in a separate check from the cost of the trip. The checks are to be placed in the Travel Club slot at the Clubhouse Office. You must make a reservation **BEFORE** sending checks. If you have a care person, that person

must pay for their space on the trip.

At the time you make your reservations, please give your food choice to Linda Herb at 541-536-1038.

UPCOMING TRIP TO ASHLAND.

This is just to let you know that the KC Travel Club will be doing a 2 night 3 day trip to southern Oregon on May 19-21, 2018. The trip will include admission to the Shakespeare Play, "Romeo and Juliet". For more information regarding this trip call Linda Herb at 541-536-21038

Summerfield Travel Club Update

Submitted by Les Schuller, Co-Chair, Summerfield Travel Club

King City residents are invited to participate in two Collette tours co-sponsored by the Summerfield Travel Club.

The first tour is the Albuquerque Balloon Fiesta from Oct. 4-9, 2018. Trip details are on brochures posted at the bulletin board at the King City Civic Association Clubhouse. The deposit deadline for this tour is April 30.

The second tour is "America's Music Cities Holiday (Memphis, Nashville and New

Orleans) from December 7-14, 2018. The deposit deadline for the trip is on May 31, 2018.

If brochures are not available on the activity board, call Les Schuller, Co-Chair, Summerfield Travel Club at 503-716-8216 and he will mail you a brochure. Residents can bring family and friends on these tours. Brochure copies are also available on the club bulletin board at the Summerfield Clubhouse. Just tell the receptionist by the door you want to pick up a Collette brochure on the club bulletin board.

Tech News and Tips from the Computer Club

Submitted by Mark Mehall

Tech News

The big news this month is taxes. Yes, it is that time of year and the bad guys become a lot more active with email scams. This brand of fraud is called phishing and the bad guys will try to fool you into providing your personal information to file a false return. Don't take the bait. Or you may receive a phone call pretending to be from the IRS to trick you into paying non-existing back taxes. Remember, the IRS will never call you. If they need to contact you they will send a registered letter. Just hang up on the scammers or let the phone calls go to voicemail.

Tech Tip

If you have an inkjet printer, as most of us do, remember to print something once a month. You can print anything, an email or a document or even a test page or make a copy. You want to keep the ink flowing. If a printer sits too

long without printing the ink can dry on the inkjet nozzles or worse in the tubes that feed the print heads. Then the printer will not print even though you have plenty of ink left in the cartridges. Note, laser printers don't have this issue and can sit unused for years.

Saturday Classes

The King City Computer Club provides a friendly and open environment where members can learn about computers, smartphones, tablets, digital cameras and modern technology at their own pace. The club classroom has a collection of Windows and Macintosh computers, printers and Wifi for members to use on site. Classes meet in the computer room in the Arts & Crafts / Library Building every Saturday at 10:00. "Walk-ins" are welcome. The first class is free. Learning is a life-long experience and the club provides the support and encouragement for members to effectively use modern technology.

Note, you can bring your used printer cartridges, CDs and DVDs to the Arts and Craft building.

As a public service, the computer club offers free recycling for CDs, DVDs and ink / laser toner cartridges. Please don't throw them in the trash.

Computer Club Topics

(Classes are at 10:00 AM Saturdays in the Arts & Crafts Building)

- Apr. 7 - How to Fix your Modem / Router
- Apr. 14 - Browser Tips
- Apr. 21 - Smartphones and Tablets
- Apr. 28 - Staying Safe on the Internet

Open House at KCCA's Library *Special amenity of our community*

Submitted by Carolyn Griffith

The week of April 8 -14 is National Library Week. **To celebrate, you're invited to the second annual OPEN HOUSE at KCCA's LIBRARY, Wednesday April 11 from 10:00 a.m. - 3:00 p.m.** The library is located in the Arts and Crafts building adjacent to the KCCA Clubhouse. There will be gifts and prizes and also a drawing at which one lucky attendee will

win a special super grand prize! Your neighbors will be there to answer your questions and show you all the library has to offer.

Are you interested in history, military, animals, or biographies? Do you like mysteries, romance, fiction, or literature? Was reading easy in the past, but now larger print is helpful? Could you use an audio book to make a long trip (or long afternoon) shorter? Or do you prefer to page through magazines? We have sections of all these and so much more.

If your grandchildren are coming to visit and like to do something fun with you, pick up one of our many jigsaw puzzles. There's also a large section of DVDs with a special selection for kids.

Ask the volunteer guide about checkout policy (very liberal), library hours (24/7), and volunteering opportunities. We maintain a card catalogue of all our hardcover, large print, and audio books. Books new or special to us are highlighted.

KCCA's library is growing, tended lovingly by many volunteers. New carpeting and other amenities have added to its comfort and beauty. We are initiating a section of paperback books, "Neighbors' Choice," featuring books recommended by KCCA's many readers. Another collection will feature "Classic" paperbacks that have often been read and have withstood the test of time.

KCCA should be very proud of its excellent library. It is staffed entirely by volunteers. All paperbacks, DVDs, magazines, and puzzles have been donated to the library, as have many of the hardback and audio books. Donated books that duplicate ones currently in our inventory are given to the VA hospital or Union Gospel Mission, or are available to library patrons for a modest donation of \$1.00. Questions, comments and suggestions are always welcome.

So please **check out the OPEN HOUSE at KCCA's Library, Wednesday, April 11!** Learn about all the new and exciting changes. And maybe be a winner!

Election Committee

Submitted by Marty Williams, Chair

Change is difficult! As a community, we need to not be hampered by the trust issues surrounding our past. Building trust will take effort and energy and may be slow, however, if we don't move forward we are standing still and stuck, or even falling backward.

Your Election Committee is sharing and reflecting considerably, with thought, concern, and sensitivity about the pros and cons of online, phone voting, and the voting process

taking into consideration:

- Financial issues
- Security
- Education
- Social interaction
- Accessibility

The hope is that every owner and resident member of KCCA will vote this year. It is critical to safeguard the integrity of the voting process. The election committee will work hard to be sure the process is clear, easy, secure and accessible for all. Watch for voting details in the May Newsletter.

Pinochle Scores

The **King City Tuesday Night Pinochle Club** reports the following winners for the month of February:

Feb 6: Lawrence Stover - 19270,
Nancy Shade and Maureen Kelly - 17700

Feb 13: Anna Lunsford - 8470,
Ruby Miller - 8120;

Feb. 27: Dee Moser - 7840,
Pearl Underwood - 7740

This group meets every Tuesday night at 5:45 p.m. in the King City Clubhouse multi-purpose room with play starting at 6:00 p.m. All players are welcome. You do not need to be a resident of King City and you don't need a partner. For more information, call Betty Vanderpool at 503-639-1753.

The **King City Wednesday Afternoon Pinochle Club** announces the following high scores for the month of February:

Feb. 7: Jo Ellen Cleary - 10280,
Harriet Holmes - 9940;

Feb. 14: Harriet Holmes - 9450,
Marietta Davis - 8870

Feb. 21: Marilyn Herrold - 8930,
Judy Flack - 8740;

Feb. 28: Pam Lewis - 10180,
Marilyn Herrold - 7770

The Wednesday afternoon pinochle club meets every Wednesday at 12:15 p.m. in the King City club house multi-purpose room and play begins at 12:30. If you are looking for a fun-filled afternoon of cards, come and join the group. For more information, call Belle Wilder at 503-598-0278.

King City Knitters and Crocheters

Submitted by Dee Schiavone

King City Knitters and Crocheters has been a continuously operating group of caring people since 1969. They share their talents with people in need. The NW Pilot Project is a 501 (c) (3) non-profit organization. It is a safety net for people ages 55 and older who are experiencing a housing crisis. A wide range of interventions support this age group. The heart of their work is working with very low income people, often below \$1200 a month, and actually more often at about \$800 or less. They most specifically work with people in the age ranges between 55 to 65, but also their services are available to anyone who still can and want to live independently at whatever age. The Knit/Crochet group donates hats, gloves, scarves and other items to this worthy cause.

Other groups that benefit from the Knit/Crochet group are The Caring Closet for families and children, the VA Hospital Volunteers receive about 10 afghans every 2-3 months. Legacy Meridian Park Medical Center receives baby hats, adult hats and other items.

If you are one who likes to give of yourself, please come join us. The group does not give lessons but will help where needed. You do NOT need to be an experienced needle crafter. Simple items are received gratefully.

You may call Yvonne Wagner at 503-639-9440 for further information.

King City Tuesday Afternoon Cribbage Club

Submitted by Jack Croll

Do you play cribbage? We're looking for players who enjoy the game to join our Tuesday afternoon club.

We play six games of three or four handed cribbage. We meet at 12:45 pm in the Clubhouse Multi-Purpose Room. Play begins promptly at 1:00. You do not need to be a King City resident to play.

For more information call Jack Croll at 503-747-2766 or Bev Kirk at 503-598-9414.

Following are the winners for the month of February:

Feb. 6 : 1st - Joe Gamiao
2nd - Sandy Patton
3rd - Blair Wyatt

Feb. 13 : 1st - Wayne Anderson
2nd - Glen Loaiza
3rd - (tie) Connie Schwartz and Gary Curtis

Feb. 20 : Weather cancellation

Feb. 27: 1st - Glen Loaiza
2nd - Bill Eynart
3rd - Julian Rodriguez
