## New Residents Welcome Meeting – May 6, 2018

The Hello Neighbors Social Committee invites all new residents to a Welcome Meeting where you can meet new neighbors and learn about your community. Join us on Sunday, May 6 at 2:00 pm in the Clubhouse Lounge to hear about various aspects of community life, including important basic rules and regulations and those specifics that we often overlook in our day to day lives. There will also be a tour of our Clubhouse and upper area amenities. Feel free to come to this meeting if you have been unable to attend a Welcome Meeting in the past. You don't want to miss the

fun, the prizes and refreshments!!

Please call the office to RSVP at (503) 639-6565. We look forward to seeing you on May 6th.

## Promote Your Club

Greetings Club Contact People:

We would like to try something new for our next KCCA New Resident Welcome. The clubhouse will be open for First Sunday, May 6 from 2:00 – 4:00 p.m. The New Resident Welcome will be held in the lounge from 2:00 – 3:00 p.m. with tours following.

Each club is invited to have a table set up in the ballroom to inform those new residents and guest visitors about your club and activities available to them. If you know of other clubs who may like to participate, (I don't have email for all of them) please let them know of the opportunity.

The idea is to let new residents and those touring the current homes for sale find out from a real person more information about your club and activities. You will need to plan set up and clean-up of the area you use in the lounge, and that space will be available on a first come basis.

This is an experiment with the hope to demonstrate an inviting spirit and welcoming attitude for those new to our community. I have heard that a number of groups are trying to recruit new members and this may be a great opportunity to help with that objective.

Thank you in advance for your participation.

## Hello Neighbor Social Committee

Hello Neighbors will hold another New Residents' Welcome Meeting on May 6. Our last Welcome Meeting in March was very positive with over 30 new and established residents attending to enjoy meeting new neighbors, learn facts about their community and enjoy the refreshments. There was a great tour of our clubhouse and upper amenities – if there had been Cuban music playing, it would have looked like a Conga line!

Another successful

Pies of March was held on March 24th. Committee members and residents donated pies that were enjoyed by all. Table centerpieces created by the Committee were the prizes and Roberta Wiens left with some spending money having won the 50/50.

As we look towards the future with our commitment to build relationships in a warm and welcoming atmosphere, Hello Neighbors is planning fun activities for the entire community. As a Committee, we invite all residents to share in doing this by bringing your suggestions and ideas to

the Committee. The Hello Neighbors Social Committee meetings are held once a month on the 1st Friday at 10:00 a.m. in the Clubhouse Multi-purpose Room. Or, you can call Nancy Hayes, (503) 747-5327 or Peggy Trees, (503) 620-0703.

### JIM ARMOUR

I've been a King City resident since 1999. Prior to that, I was a fleet mechanic and maintenance supervisor for United Parcel Service (UPS) in San Diego. Before joining UPS, I served as a Marine for 20 years and was a motor transport specialist and automotive supervisor. I've been a member of the King City Lions Club for 15

years and am currently in charge of the convalescent equipment for the community. Over the years, I've been a community activist and was on the King City Planning Commission just a few years ago. More importantly, I was on the KCCA Board of Director's for eight years and now I'd like to return to serving the KCCA community. I want to work for the residents of King City and help improve the community. Thank you.

### STEVE GARNER

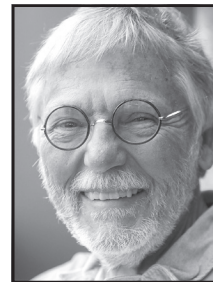

Raised in a small town in Iowa, I moved out to Oregon in 1965, aged 15. I absolutely loved the spirit of "teamwork", and "decide for the good of the group" spirit that embodied Oregonians in that time. Our family frequently drove down highway 99, and it was then I watched a little golf course and scattering of homes

go up in a little place that was destined to become King City. Little did I know then that I would reside there one day.

I graduated from Gresham High School in 1967 and went on earning my BS, ed degree at Portland State University in 1971. After graduation, I worked as a teacher in Gresham School District for 5 years. Economic downturns in the mid-1970s, sent me to work for Boyd Coffee Company for the next 13 years. Finally, I was able to return to teaching in the Reynolds School District, and worked there for the next 24 years.

Having worked in the world of education for 29 years in the Gresham-Barlow and Reynolds School Districts, as well as 13 years working for Boyd Coffee Company, I retired in 2016, and moved to King City. The community is filled with fine people and many have become my friends.

Now, I find myself running for a board position of the community that I call home. I am ready to serve the good people of King City as a member of the KCCA board, listening to their concerns and looking after their best interests.

### ROB CAVASHER

We bought our house in 2009 and chose King City due to location, good housing values, and because it was time to downsize. Nine years later my wife and I feel a strong sense that we are part of the community as a member of the King City

Lions, a key-holding member of the woodworking shop, and as good friends to our neighbors.

These days, I'm in the process of retiring and would like to become more involved in maintaining and caring for the city we love. A smaller house that's just one story and a yard I can still take care of by myself is great, as is being able to mention Howdy Doody or the Beatles and everyone knows who I'm talking about.

I'd like to be a member of the KCCA Board of Directors since I have more time to devote to causes and projects I care about. Over the last year or two as the pool construction has proceeded, I've been both excited and concerned as the process has been characterized by hard work, tough decisions and true progress. It has also been marred by dissention, upset and distrust.

If elected, I'd like to see the Board and the Community come together and celebrate the completion of the pool, and take time to look at how we treat each other. Courtesy, good manners and respect cost nothing. We are all grown-ups and, as we move forward, I hope that we can listen to each other, access all the wisdom we've learned over the years and come to compromise with grace. When a decision is made, my job will be to devote myself to making the outcome a success regardless. Above all, I want to find ways for all of us as a community to support one another and take pride in King City.

I plan, if elected, to continue my part time, volunteer work with US military combat veterans. I am a U.S. Navy veteran and a founding member of the non-profit Returning Veteran's Project which provides free counseling services to vets and their families. I also am a consultant to the Veteran's Administration regarding sexual assault while in military service.

In summary, my hope is to bring my experience and education to assist in promoting and improving King City as a member of its board however I can. Thank you.

# KING CITY VOTES 2018

## HELEN HARPER

I am running for a position on the Board of Directors of the KCCA Homeowner's Association. I have been a current KCCA resident since August 2007.

My career has been as an Escrow Officer for over 20 years. Being an Escrow Officer entailed maintaining

a neutral third party position in the real estate transaction. That position required having a fiduciary responsibility to all parties involved - sellers, buyers, and lenders - which was of utmost importance to me.

During the last 20+ years, I have been in Property Management. This position has been mainly in Accounting. However, I have been involved in every aspect of property management, from property inspections to vendor accountability to preparing HOA budgets. Even in accounting, owners knew that I cared about their homes as if they were my own thereby maintaining my fiduciary responsibility to them. Throughout both my career as an Escrow Officer and in Property Management, I have complied and strictly followed the rules and regulations of the State of Oregon Real Estate Commission. With my background, I know that I can contribute to any position on the Board, and will strive towards being a part of a Board which works well together.

My main reason for running for the Board is that I care about the KCCA residents. Voting is not enough to ensure that our HOA is successful. HOA management is a vital and living process. That is the reason I started posting meeting documents, minutes, financial documents from the board and pool meetings in order to make people more aware of the daily functioning of the KCCA Board in our community. Getting people more involved with our governing documents and what it takes through accountability, responsibility and transparency to have a successful Board is my goal.

As a decision maker for the entire community, it is necessary to have some form of outreach to understand clearly the priorities and needs of all members in the community. Conducting an annual survey so that everyone can easily express their concerns and opinions will be my effort to get more resident participation in our community. KCCA residents will have a voice and input into Board decisions if I am elected, and I will keep them informed of how Board decisions are made. A vote for me, Helen Harper, is a vote for greater resident involvement and input into KCCA's management!!

## JIM TREES

My name is Jim Trees. My wife Peggy and I moved to King City in 2005. I served my country in Viet Nam and achieved a top secret clearance in communications. I completed the Dale Carnegie course on public speaking and human relations, attended Southwestern College to study business law, and served two years as an officer of Toastmaster.

I've worked for Sears, receiving the Territorial Award of Excellence and was accepted into their management trainee program. I also served on the Board of Directors for the Sears Federal Credit Union, and started a business as an independent Insurance Appraiser. I retired after 30 years leaving the business to my son.

My community service experience includes serving one year as president of the Portland chapter of Parent without Partners. I was elected to three-year term as city councilor for the City of Fairview, served as member of the Portland International Airport Noise Advisory Committee, and served on the Board of Directors King City Men's Golf Club. I also served on the Board of Directors King City Camera Club and am a certified member of the Citizens Emergency Response Team (CERT).

I have served nearly every level of organizational work from the guy that sweeps the floors to serving as president. My wife Peggy and I, volunteer for various KCCA community organizations, and events. My reason for running for the KCCA Board of Directors is that I want to bring harmony and financial stability back to our HOA. I believe in priority spending according to approved budget and paying cash.

I have studied the KCCA Governing Documents, and I believe they should be updated and brought current with Oregon Revised Statutes. There have been some questionable actions by the Board and apparently there are no consequences if they violate our current Governing Documents, however, there are consequences to residents for trash cans visible from the street, weeds in our yard, hedges over height or having a burned out bulb in your outdoor light post. Some past board decisions should have, in my opinion had resident approval. These include items such as CC&R amendments, swimming pool construction, and transfer fee increases.

I am aware of the time commitment community service entails. I know many of you, like me, love living in King City and would welcome positive changes. My commitment is to work for you, listen to you, and with your support bring harmony, financial stability, and accountability back to the KCCA.

Please vote for me on May 22. Thank you.

# KCCA Golf Pro Shop

Submitted by Joy Olmstead

The 2018 Golf Season is in full swing (pardon the pun)! The King City Men's and Ladies Clubs had their opening events the first week of April, and they've hit the ground running!!

Coach Crystal, Coach Assistant Bailey, and the members of Vault Elite Special Needs Kids Competition Cheer Team wish to thank all who helped make their golf tournament a success, and their first out-of-state competition trip a reality. They didn't place, but Coach Crystal said they did really great!!

At this writing, the first annual City of King City Mayor's Golf Tournament is drawing closer. The date is Sunday, April 29. I'm sure that it will be a huge success! The King City Community Foundation thanks you all in advance for your support and participation.

On June 15, the golf course is hosting the Nick Jones Memorial Golf Tournament. For those of us that knew and loved Nick, this is a great opportunity to meet and play

golf with his family, and exchange Nick stories. Loud, Nick-type golf wear is encouraged. There is a sign-up sheet on the Men's Club board in the Pro Shop. For more information, contact the Pro Shop.

On a serious note, I've received several reports from our golfers that, when crossing the streets to reach the next tee box, there have been some close calls involving the golfers and vehicle traffic.

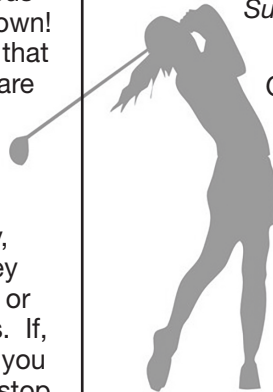

When driving through these areas, please be more cautious and slow down! Remember that the golfers are in marked cross-walks with the right of way, whether they are walking or in golf carts. If, by chance, you do have to stop

quickly, please be courteous to them, and acknowledge them by a wave of your hand or quick word of apology. We don't want anyone hurt!

Lastly, please do not use the golf course or the cart paths for your daily walk, even if you don't see any golfers playing. I understand that it is a beautiful area, but remember, the cart paths are restricted for cart use only. No pedestrians at all.

## Next Steps in Gun Violence Prevention

Submitted by Janet Ference

Come join the East Washington County Democrats in May to learn

what's next for the gun violence prevention movement. We will be hosting a presentation featuring local members of Moms Demand Action for Gun Sense in America and student activists from Tigard High School.

Moms Demand Action works to stem the epidemic of gun violence in America. Founded in 2012 after the Sandy Hook Elementary School tragedy, this nonpartisan network of grassroots activists has grown into a powerful nationwide organization, and they have effected change at the local, state, and national level.

Gun violence prevention laws in Oregon earn an average grade of 'C' on the Giffords Law Center scorecard, which rates us 14th out of 50 on the strength of our gun laws. Our state has recently passed new legislation, strengthening the ban on ownership of firearms or ammunition by people

convicted of stalking or domestic violence and those under restraining orders. Yet more can be done in Oregon, and a great deal more needs to be done on the federal level.

We will welcome members from Moms Demand Action to tell us what steps come next in their work and share with us how we can help to make a difference. We'll also host student activists from Tigard High School, who will present their concerns and experiences in advocating for gun violence prevention.

It takes thoughtful, informed people to bridge the divide that exists in this discussion. Come and become one of those who can carry this dialog forward in a productive way that will save lives.

We hope you'll join us on Thursday, May 3, 2018, at the King City Civic Association Clubhouse, 15245 SW 116th Avenue. Socializing begins at 6:30pm, and the program starts at 7pm.

## King City Music Club

Submitted by Lynn Turner

Spring arrived for the King City Music Club's April 2 performance. The audience was ready for smiles, sunshine and flowers, and the Chorus provided plenty of those in their four numbers. They sang along with us on "It Might As Well Be Spring," "With a Song In My Heart," "April in Paris," and "When You Wore a Tulip." Soloists and duets continued the Spring theme in their selections.

One of the reasons for the good time we always have is our unflappable emcee, Dennis Pollmann. Dennis not only sings in the chorus and plays the harmonica, he handles the logistics for performances as well, taking care of chairs, piano and microphones. We could not do without him. He might sound like he's confused as part of his stage persona, but it's all an act, folks!

Our next performance is **May 7 at 2:00 p.m. at the King City Civic Association Clubhouse**, 15245 SW 116th Avenue. The theme will be Country/Western, with a variety of your favorites.

Rehearsals are Mondays at 2:00 p.m. at the same address. No auditions required. Drop in and check us out. For more information, call President Muriel Dresser, 503-684-3978.

## King City Artists' Guild

Submitted by  
Diane Tyhurst

Members of the King City Artists' Guild have been very busy this spring with two art shows right next to each other. The first was at King City Senior Village, as part of their grand opening celebration on April 26. To celebrate new ownership and the completion of their remodel, K.C.S.V. invited the neighborhood to join them for music, art, good food and tours of the facility. Featured were a display of paintings by K.C.A.G. members, other local artists, and artwork created by the watercolor class at K.C.S.V.. Two members of the King City Music Club played soft music during the opening event. The event was well-attended and enjoyed by all.

The second Guild show will be at the Unity Church of Beaverton from May 6 through May 31. Several works from each member of the Guild will be on display in the sanctuary and on the walls of the church building. Folks are invited to come to the reception on May 6 from 1:00—4:00. Art will be

on display Thursdays and Fridays in May from 10:00 - 4:00 and Saturdays from 10:00 - 2:00. Many thanks to Debbi Estes and Lynn Wolfe for all their work in putting this show together and to all the members of the Guild for their contributions to this show.

Laurie Svec and Diane Tyhurst continue to enjoy teaching watercolor painting to the K.C.S.V. residents and other interested folks from the surrounding communities. Artwork from the class was on display recently at the K.C.S.V. grand opening event on April 26. Many thanks to Laurie and Diane for their work in putting this show together and showing their students' art.

The theme of our artwork is STILL LIFE, that was on display in the living room of the Clubhouse in April and will continue through May. During the summer the guild members will be painting scenes, reminiscent of life travels to various parts of the country/world. These new paintings will be on display all summer in the Clubhouse. Artist Jan Auten's work will be on

display this summer at Beaverton City Hall and various artists will be showing work at Sherrie's Jewelry Box in downtown Tigard over the summer.

The K.C.A.G. meets every Thursday afternoon from 1:00—4:00 at the Clubhouse. All creative souls are welcome to join!

## National Day of Prayer at King City Civic Association on May 3

Several local church members will again be sponsoring a National Day of Prayer event at the KCCA Clubhouse on Thursday, May 3, 2018 from 2:00 - 3:00 p.m.

This year's theme is Unity. The program will include patriotic songs, prayers on topics of national concern, and refreshments. Everyone is welcome and encouraged to come. The practice of national days of prayer has been a part of American life from the beginning and was codified by a decree from President Lincoln. For more information, please call Billie Reynolds at 503-639-7452 or Paul Hailey at 503-620-2161.

# Picture This...

Submitted by Dick Wiggers

We who live in this corner of the Pacific Northwest are fortunate in many ways – especially those of us who love photography. We don't have to travel far to see amazing sights: The Japanese and Chinese Gardens, Portland Rose Garden, Chrystal Springs Rhododendron Garden, The Wooden Shoe Tulip Farms, and The Tualatin River Wildlife Refuge are right in our neighborhood.

The King City Camera Club meets each month, from September – May. Between now and September, is the perfect time to venture out and create new images for next year's viewing. Summer is prime time for outdoor and travel photography. With that in mind, I'd like to suggest that you check out two excellent resources to stimulate your creativity: (1) Greg Vaughn's book, *Photographing Oregon: A guide to the natural landmarks of Oregon*; and, (2) Dewitt Jones' video, "Celebrate What's Right with the

"Open Arms – Burnside Bridge" Photo by Dick Wiggers, King City Camera Club

World," (Ted Talk South Lake Tahoe).

Picture takers of all skill levels are encouraged to participate in our club. Photography is more in the eye of the photographer than it is in the equipment. A smart phone user can often take better pictures than the user of an expensive DSLR camera. Newer photographers will have the opportunity to learn by

observing the work of others, some of them professional. Who knows, maybe the newer photographer can show the "old hand" a trick or two.

To learn more and view the work of our members, visit our new website: (<https://sites.google.com/view/king-city-camera-club/home>).

# Tech News and Tips from the Computer Club

Submitted by Mark Mehall

## Tech News

The big news this month is the increasing amount of fake popups and scams. Many of the popups will pretend to be from Microsoft claiming that your computer is infected.

These are scams. Do not call the listed phone number. Simply close your browser and restart your computer. If you know someone that has fallen for the scam have them contact their credit card company and report the charge as fraudulent.

## Tech Tip

It is important to keep your computer and mobile devices up to date. This includes the operating system, programs (apps), utilities like Adobe Reader, Shockwave and Flash and your antivirus software.

Your computer and device will notify you when important operating system updates are available; it is best to set these updates as “automatic”. Be careful to avoid fake updates that arrive in your email inbox, these are usually scams.

## Saturday Classes

# KCCA Library – CHECK IT OUT

Submitted by Debbi Estes

## Featuring “Northwest Corner” Authors, Stories

Library volunteers are compiling a list to feature local authors or local stories our library has available; this is a work in progress. We define local as the “Northwest Corner” of the US, including Oregon, Washington, Idaho, Montana and Wyoming. A “Northwest Corner”

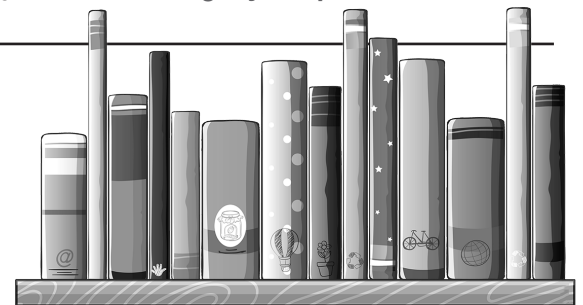

graphic informational poster of local artists and stories in the KCCA library is displayed in the library – come see for yourself!

## King City Resident Authors

We are delighted to recognize several authors whose works are available in the library as our neighbors in King City: Donald Anderson, Paul Hailey, Ed McQuary, Billie Reynolds, and Lono Waiwaijolie.

## Featured Northwest Corner Author: Warren C. Easley

Easley has loved the mystery genre since graduate school and began writing mysteries about 5 years ago. A former

scientist and international business executive, Easley moved to Oregon to reinvent himself. The author writes fiction, tutors GED students, fly fishes and skis.

Easley's fictional protagonist, Cal Claxton, also moved to Oregon from Los Angeles to restart life after personal tragedy. An attorney, the fictional character moves to Dundee, Oregon, sets up a law practice and buys an old farmhouse he calls his Aerie. His companion is Archie, a precocious Australian Shepherd. Together man and dog take solace in the natural beauty around them and fly fishing. And solving mysteries.

Warren Easley was named 2017 Up and Coming Writer by the Willamette Writers Organization.
