Happy June! We have two new Board Directors to work with. Hopefully everyone can take the time to welcome Steve Garner and Rob Cavasher to the KCCA Team. It will be exciting for everyone to get to know each other better, but it will also take some time to assimilate. Hopefully we can all allow space for learning and acclimation.

Speaking of space, as it relates to member properties, please give LARC ample time to review your landscape and architectural requests and also to take the steps required to resolve complaints. We have many new

people involved in multiple places. Everyone is getting their heads together to serve the community well. Rushing is not conducive to exercising sound judgment, however, so please turn LARC review requests in to the office allowing a LARC member at least 15 days to respond (although some requests may take more time to look in to and approve).

Which brings me finally to rushing. We are taking steps to avoid unnecessary

rushes in the office. Thank you to everyone who took the time to complete the online Registry form when it was offered earlier this year. This information helps

us know who to contact in the event of an emergency and also to ensure accurate information is published about each of you in the next Directory (or that nothing is published if you don't want it to be).

If you haven't already, please visit our site mykcca.com and follow the link under Announcements that says "Member Registry." We are hoping to collect updated information online during the month of June. We understand you may have provided this information before, but we need to ensure the information we have is annually up to date.

We will send paper forms in July for those who are unable to complete one online, however, there is an expense to this that is avoidable if as many people as possible could please complete the secure form online. Thank you all for supporting us in our efforts!

Hello Neighbors Social Committee

Hello Neighbors tried something new on April 24 by hosting a Special Neighbors Gathering before the Annual Membership Meeting. Many residents joined their friends and neighbors to enjoy some light refreshments and gentle conversation before hearing the candidates share their Board of Director qualifications. The feedback about the Gathering was positive and a new tradition has been started!!

Another New Residents' Welcome Meeting was held on May 6 and, because the feedback was so positive from the Welcome Meeting

in March, we decided to continue the practice of offering a tour of our Clubhouse and upper amenities at the end. In an effort to enhance the welcoming atmosphere in the Clubhouse, on a trial basis we scheduled the Welcome Meeting to coincide with 1st Sunday. This did bring about more activity, especially for the 1st Sunday people. There was also an opportunity for Clubs to setup so new residents could more easily familiarize themselves with available activities.

SAVE the DATE - Tuesday August 7, 2018

NATIONAL NIGHT OUT is an annual community police awareness-raising event that has been held nationwide the first Tuesday of August since 1983. HNSC members are busy making

plans for our first community National Night Out. We hope to strengthen community cohesiveness by promoting a community-building event that connects neighbors and makes our neighborhoods

safer. By sharing a meal with local police and firefighters you get to know your neighbors and our local public safety officials. Please call Judy Holmes, 503-312-1510 and sign up as your neighborhood coordinator.

As a Committee, Hello Neighbors invites all residents to bring your suggestions and ideas to the Committee. Our meetings are held once a month on the 1st Friday at 10:00 a.m. in the KCCA Clubhouse Multi-Purpose Room. Or you can call Peggy Trees, (503) 620-0703 or Nancy Hayes, (503) 747-5327.

EMPLOYEE *Spotlight*

Kevin was hired as a Mechanic/Crew employee at KCCA nearly three years ago. He ensures all the grounds keeping equipment is well maintained, has regular oil changes; and he works hard to keep more than 34 reels sharp and ready to cut. After work, his second job begins, taking care of three kids ranging in age from four years to three months old. In his spare time, Kevin works on members' golf carts for extra money. Kids aren't cheap at any age! He also plays tournament slow-pitch

Kevin

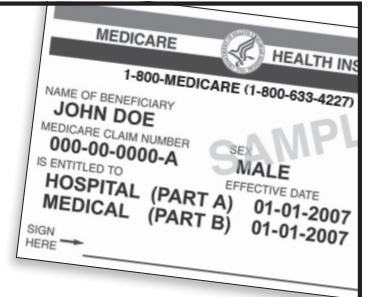

Phil

softball for a top team in the area. As you can see by his full schedule, Kevin likes to stay busy. One of the best known attributes Kevin has is Phil, who he brings to work with him. Some of you may already know that Phil is the yellow Labrador that you can occasionally see running on the golf course, scaring the geese away. So when you see Kevin and Phil, say "Hi" and thank them for all they do for KCCA. By the way, Phil loves dog treats, but Kevin – not so much.

Shuffleboard Update

Submitted by Ray Humphrey

Interest in shuffleboard seems to be on the increase. The turnout for our regular playing time is growing as well as the number of members using the facility to enjoy the game with friends and families at other times. The courts are locked, but members, who are residents of King City, get the code to the door and can use the facility at any time. If interest and attendance continues to grow, we have discussed increasing the number of scheduled playing times from the current three times a week to whatever is needed to accommodate an increased membership and at various times during the day and evenings to fit into members' schedules.

We plan to have an "eat and meet" barbeque and shuffleboard introduction

in lieu of our regular quarterly meeting on June 13, 2018. The barbeque lunch will be ready shortly after noon. Julie in the KCCA office will have a sign up sheet, so if you plan to attend our get together, please register with the KCCA

Office no later than Thursday, June 7, so we will have an idea of how much food to provide. The KCCA Office number is 503-639-6565. Some water and soft drinks will be available,

but we encourage you to BYOB.

This will be an excellent opportunity for those who are unfamiliar with shuffleboard to learn about the game, meet current members, and enjoy a little free food. We are looking forward to having a good turnout for the barbeque event. We really want to make better use of the great facility KCCA has to offer for people to enjoy a remarkable pastime.

Aquatic Center Update

Submitted by Sandi Fuhrman
[lightly edited]

After three long challenging years of planning and construction our new Aquatic Center is getting closer to completion. For the first time in 15 months we have water in all the pools! While the plaster is curing over the next four weeks we'll focus on completing some final touches and inspections.

Our objective was to build an Aquatic Center we can be proud of, that enhances our lives and increases our property values... and I believe to that end we are successful.

- Current estimated construction cost is \$1,718,800 (including tasks yet to be completed by the KCCA such as parking lot seal/stripping, landscaping & irrigation system replacement.)

- Potential increase in property values.

- Project cost estimated at 14% below the 2016 Reserve Study estimate of \$2M to rebuild the pool facility and repair the Crown Center.

Our Aquatic Center could not have been successful without the

countless hours spent by resident volunteers on the Pool Committee and Pool Fundraising Committees. Our HOA structure is built and depends on many volunteers, in multiple capacities, and the KCCA cannot thrive without them.

It's my belief that Board support for volunteer involvement is a critical issue in our community. It serves us all well to have a Board that's committed to working alongside our community volunteers to ensure a successful outcome for this project and future endeavors. It benefits us all to have a Board who works together for the common good of our community and encouraging volunteerism, as there's nothing stronger in a community than the heart of a volunteer.

Each of us as residents are responsible for whether our success continues to reflect with future increases of our property values. Negative online social media postings for residents,

guests, real estate agents and potential buyers to see can negatively impact property values and undermine the integrity of our community. As residents we each make a choice to be an effective instrument of change and community support or not to be.

We are not just an HOA, we are a community. A community that needs decisions made that reflect on property values and desirability. Solid property values don't just happen, just like a strong community does not just happen.

Let's make 2018 the year we regenerate together as a community and prepare to celebrate for the opening of our fabulous Aquatic Center!

KCCA Water Aerobics Club

Submitted by Donna Lane

Our club has been operating in King City for almost 27 consecutive years. Since February 2017, when construction started on the new pool, we have been mostly poolless. With the generous assistance from the golfing community, we were able to use the outdoor pool for our routines summer 2017. Since the new pool opening has had construction delays, we will resume exercising in the outdoor pool when it opens for summer 2018. Yea!

Water Aerobic exercise is a safe, non-weight bearing workout, especially helpful for Seniors with physical issues of arthritis, joint and various movement problems. Because water reduces pressure, it lessens stress on bones, joints and muscles while toning, strengthening and burning calories. Water exercise is well-tolerated and effective because each person can work as little or as hard as their physical ability allows.

We follow three different instructional CDs for our exercise routines. Each is about 50 minutes in length. You will need to be patient with yourself because listening to directions takes some concentration and effort, but as

soon as you start moving, the physical benefits begin. It is so liberating! The only thing needed to participate is a comfortable swimsuit (one that stays in place and moves with you).

We are a non-profit organization with a Charter and elected officers, with meetings as necessary; usually one annual meeting for elections. We charge \$5 per year to join, payable with your application for membership. The fee is used to purchase and maintain equipment, for operational costs, and any fees charged by KCCA.

Two sessions every Monday through Friday will be held in the outdoor pool for summer of 2018 at 10 am and again at 7pm. Communications within membership is maintained through email, and through the KCCA newsletter.

If you are eager to try our program, come and see what we do. Watch for the announcement of the outdoor pool opening. Or, for more information, call 503-719-2996.

Please NOTE: you must be a KCCA member to join and must be at least 18. No lifeguards are present. Everyone participates at their own risk. GET WET... GET FIT!

Nick Jones Memorial Golf Tournament

Family and friends of long time King City golfer Nick Jones will be holding the "Live Loudly Memorial Golf Tournament" at the King City Golf Course on Friday June 15 at 8:30 am.

Nick was an avid golfer and spent many hours playing with wonderful friends here in King City.

His greatest golfing accomplishment was a hole in one on hole #2 on May 25, 2012.

He was known for wearing the brightest colored shirts and shorts out on the course. Attendees are encouraged to wear loud clothes and "Live Loudly" in his honor.

He loved the game, played to win, but never took himself too seriously!

A lunch (catered by Panera) and conversation will take place in the King City Clubhouse from 11:00 - 1:00.

To sign up for golf/lunch or lunch only & for more information contact Barb Jones 503.320.5685 (barbjones@comcast.net).

King City Women's Golf Club

Submitted by Janet Craig

I just want to say YAY! to the warm weather! More and more of our members are coming to play golf now that we can use our carts to drive out on to the fairway. Our tournaments started in May and will continue throughout the summer.

We have nine new members so far this season.

They are Monaree Deller, Donna Lelinski, Bev Raudy, Donna Samuels, Sue Wihtol, Nancy Stouder, Mary Torok, and Bev Terry.

We have many fun games planned this season that range from Mystery Golf to playing the round with just three clubs. There are also Chapman Tournaments every third Tuesday through the summer. These are mixed-play with both the women and men. We golf nine holes and then meet for dinner later in the day to see who won. These tournaments are very inexpensive and fun!

If you are new to the area or just like to golf, we would love to have you join our group. We have all levels of golfers and we always have fun. If you would like more information about our golf club, please contact Wendy Marchant at 503-207-3409 or Janet Craig at 503-704-0277.

In closing, the King City Women's Golf Club offers condolences to the Armour Family. Jim Armour was a good friend to the King City golfing community.

Artists' Guild News

Submitted by Lynn Wolfe

The King City Artists' Guild's May business meeting was chaired by member Jan Auten and attended by ten guild members. We have been exceptionally busy with two art shows back-to-back for May:

The new **King City Senior Village** had a really nice reception / open house to celebrate the finished remodeling of the facility, and they invited us to show artwork as part of the occasion. The event happened April 26 and the art was displayed until May 5. Our guild has been invited to hang artwork at the facility as an ongoing feature.

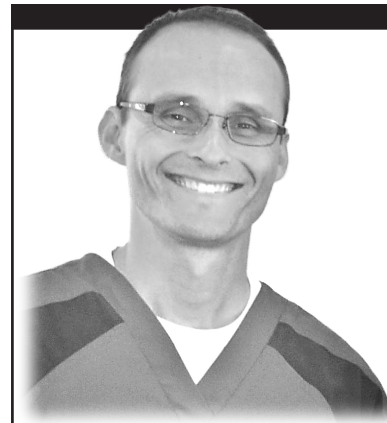

Then there was our biggest show yet. It was a cooperative project for us and the **Unity Church of Beaverton**. We hung over 80 works of art, grouped by artist, on May 4. The reveal for their congregation and guests occurred May 6 with an open house. The artwork

will be up until June 1 with limited times for public viewing. Debbi Estes and Lynn Wolfe coordinated this show with Terry Davis the church's manager. Whoo-hoo! It came off so well, we're proud of ourselves.

Our theme for March and April was artist's choice of "Still Life" or "Imaginary Beings" which allowed for flexibility. For the summer, our painting theme is "Travel Scenes or Memories". Watch for new art soon.

In May, Laurie Svec exhibited pieces of her art at Sherrie's Jewelry Box in Tigard. Myself and two others will hang artwork there for the next month or two.

Our artwork is on display in the KCCA Clubhouse Lounge and is often updated with new pieces as the artists finish them. Please check in often to view. If you would like to join us or learn more about who we are and what we do, please come visit us on any Thursday at 1:00 p.m. in the Multi-Purpose Room in the KCCA Clubhouse.

Road Projects Coming-Bring Your Patience

There are a number of construction projects coming that will impact our travel. Water, sewer, and road projects are coming to Roy Rogers Rd, Beef Bend Rd, and Bull Mountain Rd. One update, Washington County won't be closing Beef Bend Rd to replace the culvert around 147th - that's been deferred to 2019 (yay?). The jurisdictions responsible for all these improvements have collectively started a website so you can follow all projects: www.GetUsThere.org

This site will be updated for projects pending, just starting, road closures (with suggested detours) and links directly to the projects. It's gonna be a zoo out there - be patient and say hi to the people sitting in the cars next to you. We're in this together.

King City Music Club

Submitted by Lynn Turner

Boy, howdy! The King City Music Club program on Monday, May 7 was a rousing salute to Country-Western music. Guitars were strummed and memories were stirred as old favorites poured out and got audience members singing along. There was even a cowboy poem read to us by Shirley Frank. The chorus, plus duets and soloists, carried the theme throughout the performance.

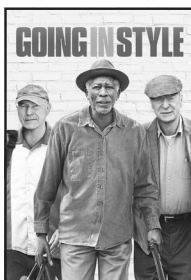

On Monday, June 4 at 2:00 p.m., the Music Club will present a free program of songs of the Pacific at the King City Civic Association Clubhouse located at 15245 SW 116th Ave. in King City. KC Music Club rehearsals are held every Monday at 2:00 p.m. at the same address. If you are interested in becoming a member, please call President Muriel Dresser, 503-684-3978.

King City TOPS Club

Submitted by Chris Walbridge

Are you about ready for that beach bikini body? OK, maybe not the bikini, but we can help you through your weight loss journey. TOPS stands for **Take Off Pounds**

Sensibly. TOPS is not a diet group. We advocate healthy eating choices and lifestyles. We encourage people to try new recipes and new foods that they may have never tried before, and to share their thoughts and ideas with the group.

We are a support group that can help people through the hard times and congratulate them for every step that gets them closer to their goal. During our meetings we have weekly programs that

give us inspiration, information, and helpful hints. We also have weekly and monthly contests and games that provide support and encouragement as well.

Our chapter has also taken on a charity that is near and dear to us -- it's called "Top Drawer." During the past five years a critical need has emerged in the

Skilled Nursing Facility (SNF) healthcare-social service realm. Each month - sometimes each week - 3-5 men or women are admitted to SNF wearing nothing more than a hospital gown. Why? An emergency room visit often results in garments being cut off, and/or eyeglasses, dentures, or shoes being removed... hopefully to be

bragged to remain with the patient, but often to be lost in the shuffle.

An increasing number of older adults become newly-homeless, or unable to pay rent on a timely basis due to hospitalization with no friends or family to pick up the pieces. Often their worldly goods are just left on the curb. If already homeless, they just lost that last bit. Right now, the SNF that Josanne Steadman works in has 3-100% disabled vets, one special ed teacher, and 1 retired engineer. All without garments, shoes, glasses, or dentures. When our chapter heard of this need, the bags of donations started flowing in every week. The closet is full now and two nearby SNFs are gladly taking the overflow.

Our TOPS group meets every Thursday at 9:45 a.m., with weigh-in from 9:00 - 9:45 a.m. in the Crown Center. For more information, please call Judy Anderson at 503-430-7595 or Chris Walbridge at 541-379-3153.

KCCA Library News - Check It Out!

Submitted by Carolyn Griffith

The April Open House was well-attended. Many folks experienced KCCA's wonderful library for the first time. Everyone won a prize, but Peggy Trees was the recipient of the grand prize. Congratulations Peggy! Many thanks to Judy Holmes and her committee for planning a fun day! For those who didn't tour, here's some of what you missed:

- The library is available 24/7 to anyone with a KCCA key. Please respect KCCA regulations. Our library is for the enjoyment of KCCA members only.
- All paperback books can be taken home without being checked out. Be sure to look at the display of "Neighbors' Choice" books recommended as good reads.
- Hardbacks and audio books may be checked out for 30 days. Sign the checkout card located at the back of the book and place it in the box at the desk. Please sign

your **full name legibly**. A book checked out by "Joe" or "J. Smith" that is overdue might be lost to us forever. We are very willing to renew the book you checked out if you need more time to finish it.

- There's a large selection of mysteries and fiction hardcover books, but there are also many books in large print.
- Your library also contains a number of non-fiction sections including animals, health, biography, classics, Oregon/NW and more.
- Many videos are available including TV series and children's movies. DVDs may be checked out for 7 days.
- Jigsaw puzzles and periodicals are located in the lobby. Take one home to enjoy.

On a different note, we are sad to report that our Head Librarian Volunteer, Sandra Curtis, is retiring after many years of service. Sandra's leadership has escalated KCCA's

library to one of the premier private libraries in our area and even beyond. Many thanks to Sandra. She has led a great effort toward the modernization of KCCA's library with the dedicated support of approximately 20 volunteers. We will miss her and we wish her every happiness and contentment in her retirement.

Sandra has designated Judy Holmes as her replacement. Judy has worked with Sandra learning the functions of the library. She is open to suggestions from library volunteers and patrons. Judy, like Sandra, recognizes that occasionally revisions may be required to maintain the forward-looking vibrancy of our library. Welcome to our new "Head Librarian Volunteer", Judy Holmes.

Tech News and Tips from the Computer Club

Submitted by Mark Mehall

Tech News

We don't live forever but our digital data just might. The internet has complicated what happens when we pass. Our photos and documents might be stored on our computer, smartphone, tablet or even in the cloud. What about our Facebook postings and our email and financial accounts? Come join us on June 9th to discuss your "digital afterlife".

Tech Tip

The bad guys are always trying to fool us. Don't fall for the phone scams that pretend to be from Microsoft saying that something is wrong with your computer. Microsoft will never call you. Also, hang up on the call pretending to be from the IRS – they will never call you. When using

your computer don't click on any of the ads that say they will fix or speed up your computer. And never call any of the phone numbers that show up in pop-up ads. They are all scams.

Saturday Classes

The King City Computer Club provides a friendly and open environment where members can learn about computers, smartphones, tablets, digital cameras and modern technology at their own pace. The club classroom

has a collection of Windows and Macintosh computers, printers and Wifi for members to use on site. Classes meet in the computer room in the Arts & Crafts / Library Building every Saturday at 10:00. "Walk-ins" are welcome. The class fee is \$2 and the first class is free.

Note, you can bring your used printer cartridges, CDs and DVDs to the Arts and Craft building. As a public service, the computer club offers free recycling for CDs, DVDs and ink / laser toner cartridges. Please don't throw them in the trash.

Computer Club Topics

(Classes are at 10:00 AM Saturdays in the Arts & Crafts Building)

June 2 - Home Networks
 June 9 - Digital Afterlife
 June 16 - Games on Smartphones and Tablets
 June 23 - Printers
 June 30 - Cleaning Session

Democrats to Host Panel on Education

Submitted by Janet Ference

Please join us in welcoming Oregon State Legislature members and candidates for a panel discussion on education in June.

As we see teachers and advocates for education in many states demand change, we're eager to hear how our own leaders in Oregon can make a difference.

Our featured guests at this event will include Oregon State Representative Margaret Doherty, State Senator Rob Wagner, State Senate candidates Sarah Grider and Paul Diller, and State House candidates Rachel Prusak and Ryan Spiker. These panelists will offer their vision for ways that the Oregon State Legislature can best support local school boards, administrators, teachers, and students in achieving success.

State Representative Margaret Doherty is a longtime champion for public education. She serves as Chair of the Oregon House Interim Committee on Education, and she was a teacher for 10 years and a consultant for the Oregon Education Association for 22 years.

State Senator Rob Wagner grew up in a family of teachers. Before joining the Legislature, he worked as a school volunteer, a member of the Lake Oswego School Board, and as an Associate Vice President at Portland Community College.

- **Sarah Grider** is an educational assistant in the Newberg High School Special Education Department. She's also an Army veteran.
- **Paul Diller** has been a law professor at Willamette University for 13 years. His mother was a public school teacher.

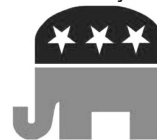

- **Rachel Prusak** is a lifelong nurse and dedicated healthcare advocate. She currently provides care for elderly and disabled homebound patients.

- **Ryan Spiker** is a healthcare administrator and a Navy veteran. He's worked with the Veterans Administration and the Oregon Health Authority.

The East Washington County Democrats will host this meeting on **Thursday, June 7, 2018**, at the King City Civic Association Clubhouse at 15245 SW 116th Avenue. We invite you to join us for snacks and socializing at 6:30 p.m., followed by the program at 7:00 p.m.

SW Corridor Republican Club

Submitted by Billie Reynolds

Mark your calendar for the **June 13**

meeting to hear our Oregon State Republican Chairman, Bill Currier, address our winning candidates and plans between

now and the November Elections.

2018 is a very special election year.

In addition, Art Scenvola will be addressing the role of Hillsdale College, which is totally free of any federal funding. Hillsdale College teaches the contents of the US Constitution and Bill of Rights to young people and adults across the nation.

Every day between now and November is important, as is a well-informed electorate. Come share sandwiches and cookies at 6:30 p.m. and meet the leaders of our Party. You will be glad you did.

And be sure and mark every second Wednesday on your calendar for these vital meetings.

The King City Civic Association Clubhouse is located at 15245 SW 116th Avenue in King City. Questions? Call either 971-409-5204 or 503-639-6545.

KCCA Outdoor Pool Now Open

The King City Civic Association outdoor pool officially opened for the season on Friday, May 25. The outdoor pool is open Monday through Sunday (all seven days) from 8:00 a.m. to 8:00 p.m. or dusk, (whichever is earlier). Children under the age of 18 are allowed in the outdoor pool with a resident between the hours of 11:00 a.m. to 1:00 p.m. and 6:00 p.m. to 7:00 p.m.

We encourage all residents to enjoy the outdoor pool as much as possible, and to that end, everyone should follow the rules and respect fellow residents' time and safety while at the pool. The following are just **SOME** of the outdoor pool rules. The entire set of pool rules is available online at www.mykcca.com and printed copies are in the rack in the lobby of the KCCA Clubhouse.

The number of guests is limited to four (4) per household. Resident Members are responsible for their guests at all times. Guests should be made aware of all pool rules prior to entering the pools.

All entry and exiting of the facility is via a key to the main gate. Keys are not to be loaned or shared for use by anyone other than the Resident Member. If a resident needs an outdoor pool key, they can come to the KCCA Office and pay the \$4.00 deposit to get a key. All Resident Members and their guests must sign in prior to entering the gate.

General Rules:

- THERE IS NO LIFEGUARD ON DUTY - USE OF ALL POOL FACILITIES IS AT OWN RISK
- All KCCA pool facilities are **non-smoking**.
