Get Ready for the Grand Opening of the New Aquatic Center

Submitted by Sandi Fuhrman

Construction on our Aquatic Center is 98% complete. We've experienced some delays over the last couple of months due to contract issues and the changing of the Board, but now we're back on track. There are a few remaining items to be completed by the contractor, along with a final cleanup and walkthrough.

Paul Downing is working diligently with the contractor to get the facility open as quickly as possible. The facility is looking fabulous and we're getting excited for the grand opening celebration! While we can't guarantee the opening date, we are aiming for a July 4th opening or shortly thereafter.

As soon as we have a confirmed opening date the process for buying key cards will be announced. There is an initial one-time key card cost of \$5 per member. Replacement costs for a lost or stolen key card is \$15 per member so please keep track of yours.

After construction is completed our KCCA preferred vendor will seal and stripe the parking lot.

The new irrigation lines have been installed and the sprinklers are working. The KCCA staff have been busy cleaning up the flower beds and working with the landscaping contractor to bring the landscaping back to life on the back and side of the new building. The back fence has been reinstalled.

Our very own Woodshop Club created our Aquatic Center sign, which will be hung between the front posts of the new building. A big thank you to Al Fredrickson and the members of the woodshop for volunteering their time to construct a wonderful sign for our new facility.

Some of the pool rules to be aware of this year include:

- guests are limited to (4) per household, (instead of (4) per member);
- the indoor pool will be closed between 9:00 a.m. to Noon, M-F for maintenance;
- swimmies or diapers of any kind are strictly forbidden;
- anyone who normally wears undergarments for incontinence, are strictly forbidden from using the pools or spa;
- a cleansing ONSITE shower is required by State Law before entering any pool or spa, even if you showered before coming to the pool;
- guests under the age of 18 may not use the spa or lap pool; and,
- respect other Resident Members and KCCA Employees, especially when they cite possible rule violations.

Water Aerobics is available at the outdoor pool at 10:00 a.m. and 7:00 p.m. until the indoor pool opens. Indoor water aerobics hours will be 8:00 a.m. and 6:30 p.m. Water aerobics introduced a new routine this year, which seems to be a hit. Join them at the pool and check it out – fun to be had for all! Water aerobics has an annual fee of \$5. For additional information on water aerobics, please contact Donna Lane at 503-719-2996.

Valerie Schuyler with the Pool Fundraising Committee reports a donated fund balance of \$15,806.00 as of 5/20/18. To date the Committee has purchased a bike rack, outdoor sign materials, four patio chairs for the outdoor pool and an equipment storage shed for the indoor pool. Some of the future purchases might include such things as fire extinguishers, awnings for 14 windows and hand-held shower heads. A huge thank you to Valerie Schuyler and the Fundraising Committee for all the hours dedicated to raising funds for our new facility. Finally, a huge thank you to all the residents who donated their time and money so willingly to make this facility such a success.

It is our goal to do everything possible to not only secure our pool, but to guarantee its safe and efficient operation in the years ahead. Our new Aquatic Center is going to be 55+ community jewel and will serve our community well for years to come.

We look forward to seeing you all at the Grand Opening Celebration (date to be announced)!

Board Members

Coffee with a KCCA Board Director

On the first Thursday of every month at 9:00 a.m., a KCCA Board Director will attend the Coffee Time in the Clubhouse Lounge. All residents are encouraged to join the coffee hour and ask questions or discuss any issues they may have.

Outdoor Pool

The KCCA Outdoor Pool is open for the season! Pool hours are 8:00 a.m. to 8:00 p.m. or dusk, whichever is earlier. Guests under the age of 18 may use the pool between 11:00 a.m. – 1:00 p.m., and 6:00 – 7:00 p.m., and must be accompanied by a resident at all times while inside the outdoor pool enclosure.

Kids at the Pool

If a resident happens to witness a young guest misbehaving at a KCCA pool, they should not confront another resident's grandchildren unless it's a behavior so dangerous the children are in imminent danger of being injured or causing a severe injury. Otherwise, residents should politely discuss behavior issue(s) directly with the children's adult guardian or report the issue immediately to the KCCA Office, if it happens on a weekday. Thank you!

Good Neighbor Corner - Who Should You Call?

Some KCCA residents have called the KCCA Office in recent months for a wide variety of reasons, but many of these calls actually should have been made to other businesses, the City of King City, the police, or a condo association.

To help save time and get residents the assistance or information they might need faster, the focus of this article is about who you can call for what types of inquiries or assistance. This is NOT a complete list of reasons to call different locations or businesses, but more of a general guide.

Call King City – City Hall: 503-639-4082

Residents should call city hall when:

- They have an issue with the street in front of their house or condo, or a parked car parked that has not been moved for more than three days or is blocking their driveway. The City of King City maintains the streets and the KC Police patrol the city streets, not KCCA.
 - They need a **permit** to install or replace things at their home such as a fence, deck, roof, wood stove, siding, etc. Please call the city at 503-639-4082 for a complete list of required permits.
 - They receive any correspondence in the mail from the City of King City with this blue and green logo on it:
- 
- They need a notary or passport service
 - For a list of area utility service providers, residents can go online to: www.ci.king-city.or.us/services

Calling for Assistance or Medical Emergency

Calling 911 is the right phone number to call in an emergency when an urgent response is needed.

Examples of when to call 911 include when a fight or an assault is occurring *right now*, a fire is burning, or a medical problem is happening that might be life threatening. While you're on the phone with the 911 call taker, emergency assistance is being dispatched while you're answering their questions. Do not hang up until the call taker ends the call.

What if a resident calls 911 by mistake?

Please stay on the line even if you call 911 by accident, and tell the call taker that everything is OK. If you do not stay on the line they might call back or send a police officer to your home to make sure there is not a problem.

When Should I Call the Non-Emergency Police Number?

Residents can call the non-emergency police phone number 503-629-0111 for non-emergency issues such as:

- Their house or car was broken into yesterday or something was stolen out of their yard in the past few days
- They need to add additional items to a burglary report they made last week
- Their car was stolen sometime overnight
- They have an issue with a neighbor who is harassing them or damaging their property
- They haven't seen their neighbor who lives alone for several days and that's very unusual
- They see a suspicious person lurking in a neighbor's yard or peering into cars or windows

Call Washington County Animal Control: 503-846-7041

Residents should call animal control and not KCCA when:

- They have seen a stray or aggressive dog
- A neighborhood dog is barking incessantly

- Someone has been bitten by a dog that is not theirs
- They have witnessed abuse, neglect, or abandonment of dogs, cats, or other animals
- They have encountered an injured dog or cat

Call Your Condo Association or Management Company

Residents living in condos or townhouses should call their HOA management company or condo/townhome board president when:

- They have questions about the watering or pruning of the association's outdoor plants and trees
- They need to know where to send their **monthly** HOA dues payment
- They need to have a repairs done to the exterior of their condo or there is an issue with a tree
- They have questions about insurance for the association or need to get hooked up to cable TV

PLEASE NOTE: *KCCA does not handle or monitor any maintenance for condos or townhouses nor does KCCA do any landscaping or watering for condo or townhouse associations. If you aren't sure who your board president is, here's a list:*

King City Condos Shirley Frank
Imperial Terrace Julie Figliulo
Royal Gardens..... Sara Kemp
King City Terrace Marsha Schauer
Imperial Court Condos Kurt Slipsager
Garden Villa SA Nancy Walter
Par 4 Townhouses Pat Miller

If a KCCA resident has an issue with their neighbor's yard or fence being out of compliance with the KCCA CC&Rs, they may file a complaint with the KCCA Board of Directors by filling out a complaint form and submitting it to the KCCA Office. The complaint forms are available in the lobby of the KCCA Clubhouse next to the office door.

It's Parade Time Again!

Bows, bells, balls, and balloons will adorn many golf carts expected to compete in the **Firecracker Golf Cart Parade on July 3, 2018** beginning at 4:00 p.m. at the KCCA Clubhouse parking lot. Sponsored in part by McCann's, decorated golf carts are encouraged to be entered for a chance to be declared the winner. The golf carts will assemble in the KCCA Clubhouse parking lot in time to make their way to the King City Senior Village where residents will judge the winners.

A sign-up sheet for those wanting to enter their golf cart in this parade is available at the KCCA Pro

Shop. If you have a golf cart, decorate it and join the fun! The parade starts and ends at the Clubhouse. The route will form an oval going down Royalty Parkway then heading east onto

Queen Elizabeth Street, and then continuing back into Royalty Parkway to King Charles Avenue and back to the Clubhouse via King George Avenue.

Although the Fourth of July is a fun and festive event, it also serves as a sobering reminder of the sacrifices by so many who have secured our independence so we can celebrate it. Questions? Contact Jan Hall at 503-443-7666 or Roy Armour at 503-330-6594.

Seniors: Beware of New Medicare Card Scam

According to a new AARP survey, more than three-quarters of Americans over the age of 65 know little or nothing about the federal government's initiative to replace their Medicare cards over the next year. And that makes these seniors susceptible to scammers intent on taking advantage of the confusion.

In an effort to help protect seniors from identity theft, the federal government recently started mailing new cards that come with a mix of numbers and letters instead of your Social Security number. The cards will be sent automatically to Medicare's roughly 59 million participants over the next year. Seniors should be sure their addresses are up to date with the Social Security Administration. Congress is requiring the Centers for Medicare & Medicaid Services to remove Social Security numbers from Medicare cards by April 2019. **Scammers Still Hard at Work**

Scammers posing as Medicare representatives have already been calling Medicare card holders demanding a processing fee for these new Medicare cards. Other fraudsters are telling beneficiaries that they are owed a refund from transactions on their old card and then asking for bank account information to process the reimbursement. **PLEASE BE AWARE:** Medicare will **never** ask you for a bank account number, and no refunds are owed to anyone.

The new Medicare cards are **free**. Medicare officials have emphasized that they will never call beneficiaries about their cards. Oregon is one of the first states to receive the new cards. So **just hang up** on any scammer who tries to get you to give them any money related to a Medicare card.

Rusty on how to play cribbage? (Or never learned how to play?)

The Cribbage Club gathers in the Multi-Purpose Room of the KCCA Clubhouse every Tuesday at 12:45 p.m. The games generally finish about 3:30 p.m. We encourage people who are interested in the game to come and observe, unobtrusively, how the club functions and how 3- and 4-handed cribbage is played here in King City. Members of the club truly enjoy the weekly sessions and would like to see more of their neighbors experience the enjoyment of these friendly gatherings. To receive actual instruction on how to play the game, current members are willing and able to teach interested individuals after the weekly play concludes (as mentioned above around 3:30). Stop by and learn to be comfortable playing this really fun card game. The club provides an atmosphere of friendly competition; however, experienced players insure that everyone gets full credit for the "value" of their hands to help "level the playing field". If you would like to discuss getting instructions, call Connie Schwartz at 503-620-1451 or Jack Croll at 503-747-2766.

May Monthly Musical

Submitted by Shirley Frank

It's time once again to celebrate with The **Beaverton Community Band**, a favorite with our King City residents. This Monthly Musical Concert presentation will be on Sunday, July 8 at 2:00 p.m. at the King City Civic Association Clubhouse. This band was formally organized in 1978, but has a history that goes back much further than that. They are an all volunteer group of 60-75 adult musicians who love concert band music and have a willingness to share their talents with the public.

The band will be performing under the direction of Martin Sobelman who

has been with the group the past three years. For this July performance they will be playing an hour of music, including marches and patriotic songs pertaining to this holiday. During the summer, you'll often find the band at community events such as the Beaverton Farmer's Market, the City's "Picnics in the Park" and at concerts on the lawn of the Beaverton City Library.

We will also be honoring July birthdays and anniversaries. As we have done for many years, a free-will offering will be taken for the Band following this performance. A big "Thank You" goes to Mike Brundt, representing Homestead Senior Living, who will be responsible for

providing refreshments following the concert. Thanks also to our sponsors, Columbia State Bank and KCCA, who make it possible for us to provide these monthly programs.

Set aside the date above (remember it's a Sunday!) to come and enjoy the wonderful music, goodies and meet your neighbors. **WEATHER PERMITTING** we will hold the concert behind the KCCA Clubhouse on the patio area. So if it isn't raining or not TOO hot, bring your lawn chairs or a blanket and plan to listen to some wonderful Fourth of July music by an outstanding band. If the weather doesn't cooperate, we will be inside as usual. Either way, we're looking forward to seeing you there!

KCCA Water Aerobics

Submitted by Donna Lane

Water aerobic exercise is a safe, non-weight bearing workout, and especially helpful for seniors with physical issues of arthritis, and other joint/movement problems. Because water reduces pressure, it lessens stress on bones, joints and muscles while toning, strengthening and burning calories.

Join us for this fun, healthy exercise session in the KCCA outdoor pool either during weekday mornings or evenings, or both! We follow three different instructional CDs for our exercise routines. Each is about 50 minutes in length. You will need to be patient with yourself because listening to directions takes some concentration and effort, but as soon as you start moving, the physical benefits begin. It is so liberating! The only thing needed to participate is a comfortable swimsuit (one that

stays in place and moves with you).

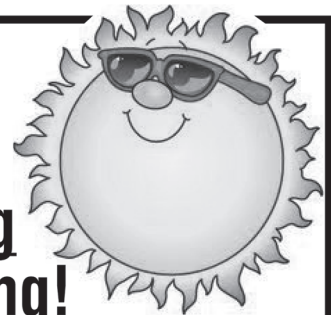

We are a non-profit organization with a charter and elected officers, with meetings as necessary; usually one annual meeting for elections. We charge \$5 per year to join, payable with your application for membership. The fee is used to purchase and maintain equipment and for operational costs.

There are two water aerobics sessions every Monday through Friday held in the outdoor pool

during the summer of 2018. The morning session begins at 10:00 a.m. and the evening one starts at 7:00 p.m. If you are eager to try our program, come to any session, and see what we do. For more information, call 503-719-2996.

PLEASE NOTE: You must be a KCCA member to join these sessions and must be at least 18. No lifeguards are present -- everyone participates at their own risk.

King City Travel Club - Cascade Locks Sternwheeler

Submitted by Dee Schiavone

The next King City Travel Club trip will be on **Wednesday August 22, 2018**. We will cruise the Columbia River Scenic waterway to the Cascade Locks. During this special five-hour excursion, a narrator will describe the "Landmarks of the Gorge", its history and all of the beauty along the way. We will travel from Cascade locks to the Bonneville Dam where the Sternwheeler will enter the locks. It will glide past natural and historic landmarks such as Multnomah Falls, Beacon Rock, and Vista House, which sits high up on a bluff above.

The cruise will begin with a continental breakfast and later a delicious buffet lunch that will include dessert, tea, and coffee. There is a full-service bar where drinks may be purchased, but are not included in the cost of the trip, which is \$100.00. The cost of the trip includes transportation, the cruise continental breakfast, buffet lunch, and all fees and gratuities.

Reservations for the Cascade Locks trip must be made no later than August 13, 2018. NO REFUNDS WILL BE MADE AFTER THAT DATE. To participate, you must be a KC Travel Club member with Emergency Contact information on file. There will be forms available when you sign in if you do not have a form already on file. Each traveler must be a paid member of the KC Travel Club. Annual dues are \$5 and are to be paid in a separate check from the cost of the trip. The checks are to be placed in the Travel Club slot at the KCCA Clubhouse Office. Reservations must be made BEFORE sending checks. If you have a care person, that person must pay for their own space on the trip.

The bus will depart from the KC Library parking lot promptly at 8:30 a.m. Depending on traffic the return time will be 5:00 p.m. Please arrive in time to sign in and receive your nametag before boarding the bus. For reservations contact Beverly Kirk at 503-598-9414.

Mark Your Calendars!

If you are interested in doing more trips with the KC Travel Club, we have some fun things coming up. In September (TBA) we have tentative plans for a trip to the Kettle Chips Factory in Salem and on November 15 at 2:00 p.m., we are planning to see some of our local community members in the Senior Theatre at Alpenrose Dairy Farm. And December 6-8, a trip for 3 days and 2 nights in Coos Bay at the Mill Casino/Hotel is planned. Included in the trip will be a tour of the Shore Acres State Park and Botanical Gardens to see the Gardens lite up for the Holidays.

The Great American Read is an 8-part PBS series narrated by Meredith Vieira, exploring and celebrating the power of reading

through the lens of America's current 100 best loved novels. The series features documentary segments, testimonials from celebrities, authors, notable citizens and book lovers. The series consists of a two-hour launch episode, revealing the top 100 books, five 1-hour episodes, and a finale in which America's best loved book will be revealed (as decided by nationwide vote). Check out OPB or www.pbs.org/the-great-american-read/home for further details, to vote for your favorite book, and lots of reading focused fun.

Checkout is not required of paperbacks but all other volumes have a 30-day loan period. DVDs are due back within 7 days. Overdue fines are not assessed. Your help is most appreciated!

Tech News and Tips from the Computer Club

Submitted by Mark Mehall

Tech News

Tech support scammers often make false claims that they are associated with legitimate computer companies to make you believe them. The person who calls, or the popup window that gives you a toll-free number to call, is from a scammer who wants to steal your money. If you give someone control of your computer, they can install malicious software that can help them steal your personal information. **And anyone who asks you to pay for anything – including tech support services – with a gift card is scamming you.**

Tech Tip

Be aware that many popups will claim to be from Microsoft or Apple claiming that your computer is infected. Do not call the posted phone number! Simply close your browser and restart your computer. If you know someone

who has fallen for the scam have them contact their credit card company and report the charges as fraudulent.

Saturday Classes

The King City Computer Club provides a friendly and open environment where members can learn about computers, smartphones, tablets, digital cameras and modern technology at their own pace. The club classroom has a collection of Windows and Macintosh computers, printers and Wifi for members to use on site. Classes meet in the computer room in the Arts & Crafts / Library Building every Saturday at 10:00 a.m. "Walk-ins" are welcome. The class fee is \$2 and the first class is free.

Note, you can bring your used printer cartridges, CDs and DVDs to the Arts and Craft building. As a public service, the computer club offers free recycling for CDs, DVDs and ink / laser toner cartridges. Please don't

throw them in the trash.

Computer Club Topics

Democrats Celebrate Fourth of July

Submitted by Janet Ference

We're excited to invite you to join us on the Fourth of July at the King City Community Foundation's (KCCF) **Walk & Roll Festival!** At our booth, you'll be able to meet Oregon State Legislature candidates, register to vote, and 'Sound Off' to share your views about political issues.

Come get to know the Democratic candidates who are running to represent King City in Salem. Ryan Spiker, candidate for House District 26, and Rachel Prusak, candidate for House District 37, will be celebrating the holiday with us from 10:00 a.m. to Noon. Please come and share your concerns with them, shake their hands, and take a selfie with your future legislators.

With your help, we'll fill a big 'Sound Off' board with ideas for progressive change in Oregon. Grab a post-it note and a pen

at our table, and tell us what you'd like to see our legislators do to make a difference in our community and our state.

The King City Community Foundation's Fourth of July festivities will kick off at 9:00 a.m. at King City City Hall with a Kid's Wagon Float Parade to King City Community Park, which is located at 17470 SW Montague Way in King City. The East Washington County Democrats will welcome you to our booth at the park from 10:00 a.m. to 2:00 p.m. on Wednesday, July 4, 2018. Parking is very limited at the park, so it's suggested that you leave your car at home or park near King City City Hall and either stroll along with the parade or catch a shuttle bus down to the Festival.

We're happy to take part in this 2nd Annual Walk & Roll Festival, presented by the King City Community Foundation, and we look forward to seeing you there, instead of our regularly scheduled meeting on July 5.

Alzheimer's Early Stage Support Group Meetings

There is a local Alzheimer's Early Stage Support Group that meets the third Friday of every month from 1:00 - 2:30 p.m. at the Tigard Senior Center. These meetings are a time during which people who are in the early stages of Alzheimer's or dementia can come with their caregivers to enjoy some social engagement and peer support. The group also educates and informs participants about dementia and helps them develop methods and skills to solve problems. Please note that registration and screening are required. Please call 1-800-272-3900 to register. If you have any questions, please contact Claire-Marie Wisner at 503-416-0203.
