103 members – 63% do not live in KC

Aug 7<sup>th</sup> and 14<sup>th</sup> Men's Club Champion Tournament

Received comments from members and non-members on the outstanding condition of the course

Greens Committee Mtg – August 2018

July Revenue:

Green Fees	\$ 22,668.00
Lessons	280.00
Golf Balls	395.05
Clubs	76.00
Rentals	699.00
Power Cart Rental	4,367.48
Soft Goods	844.80
Repairs	52.00
Sandwiches	83.00
Beer	907.50
Food	1,438.70
Pass Sales	<u>3,255.00</u>
Total	\$ 35,066.33

The course is in great shape, and we've received so many compliments. Jeff and the crew kept our course plush looking even through the super hot weather. However, during that string of 90+ degree days, our revenue was a bit short compared to this time last year.

Total Rounds 4,058  
Member Rounds 2,195  
Comp Rounds 135 - Golf Show - 2018 - 49 2017 - 1, 2016 - 5 -  
Buy One/Get One Free - 5 (given to return golfers from the Golf Show).

Annual King City Lions Club Jim Armour Memorial Charity Golf tournament is Friday, August 24<sup>th</sup>. Team sign ups are available in the Pro Shop on the Men's Club board and on the shop counter. Women are also invited to play.

The Navy recruiters have scheduled their tournament for Saturday, August 25<sup>th</sup> in the morning. We hope that everything works out on their end. Waiting to hear what the higher-ups decide.

I am proposing that we offer special rates to Active Duty and Veteran military. I'd like to lower their green fees to \$10 per round. This would be a move to show our respect and thanks for their service.

Also, I'd like to lower the green fees for youth from our regular \$14 (which we charge adults) to \$10 for 15 years and under. It makes more sense than charging full price, and we can attract more youth players to our course.

Lastly, with the annexations to the City of King City, I propose that we offer our KCCA resident rate of \$12 per person green fees. This will help with bringing in new revenue, and making the members of the annexed communities feel more a part of King City.

8/2/18

## **Greens Committee Report**

**Greens Health:** Greens are holding there own during this hot spell. We are hand watering every day morning and after lunch.

**Tees & Approaches:** They are doing ok through the hot weather too. We are doing some hand watering on them.

**Fairways:** We got the summer fertilizer put down right before it got hot. I also got some of the clover sprayed about 30 acres.

**Flowerbeds:** The flowers are in full bloom and look good. The heat really got to them.

**Trees:** There is some tree work going to be done at the C.C do to city and the Fisher Rd. project. There is a Birch on #2 that is dead and will be coming down.

**Irrigation:** Is running good so far this season. 125% right now.

Jeff Halfman
