Clubs & Amenities Committee

Submitted by Valerie Schuyler, chair

Your Clubs & Amenities committee has been meeting with the goal of assuring that KCCA space is used fairly for the enjoyment of all our members. After all, it's your association and we want to make sure space is provided for each and every club to continue to enjoy activities in our community. We also want to keep club use of KCCA spaces free of charge and ensure a safe environment for club members.

We decided that the best way to meet these goals is to create a registration form for each club to complete annually. Completion of the form will not only ensure FREE use of the space, but will reserve the day(s), time(s), and place when each club will meet.

If a current club wants to retain their current day(s), time(s), and place, they just need to list these on the

form. Keep in mind, though, that the times listed must include the time required by the club members to set up for and clean up from club activities.

If a current club wants to make any changes to their current day(s), time(s), or place they can include those requested changes on the form. We will attempt to honor all requests for changes, but keep in mind that available space is limited and changes in day/time/place you would like to make may already be claimed by another club.

Saturdays and the last two Sundays of the month will be reserved to allow time for special events to be held in the Clubhouse Banquet Room and the Crown Center (clubs currently scheduled on weekend evenings will be able to keep their meeting times). Weekday evenings not scheduled for club use can also be scheduled for special

events through the KCCA office.

A section of the club registration form asks for the name of each club member and a name and phone number of an emergency contact for each club member. This information will help assure members' safety in the event of an emergency.

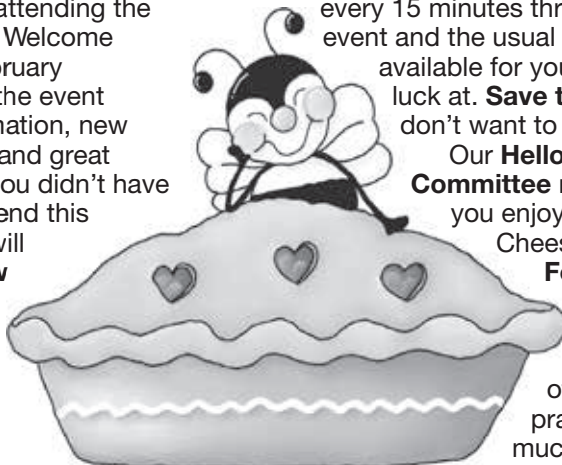

Club presidents have been sent the club registration form and instructions. Valerie Schuyler and members of the Clubs & Amenities committee are happy to answer any questions the presidents may have about the form. **Club registration forms are due in the KCCA office on March 29, 2019.**

Hello Neighbors Social Committee

The Super Bowl may have been a draw for the masses however it did not stop many of KCCA's new residents from attending the New Residents Welcome meeting on February 3rd. Many left the event with new information, new acquaintances and great door prizes. If you didn't have a chance to attend this meeting there will be another **New Residents Welcome** on **May 5th**.

On **March 17th, Hello Neighbors** will host the 4th

annual **Pies of March** event held from **2-4:00 pm** at the KCCA Clubhouse. Delicious complimentary

slices of pie (many homemade) will be served with scoops of ice cream. Prizes will be handed out every 15 minutes throughout the event and the usual 50/50 will be available for you to try your luck at. **Save the date** – you don't want to miss out.

Our **Hello Neighbors Committee** members hoped you enjoyed the Grilled Cheese Cook-Off on **February 16th**.

Since crystal balls are no longer part of journalistic practice, there isn't much to report at this writing. However,

the Committee can tell you they served delicious homemade tomato soups along with grilled cheese

sandwiches after the judging. There were also games organized with special prizes awarded to the winners. Sounds like the usual Hello Neighbors entertaining goings-on. Contestants and judges are unannounced as of this writing so look for more details in your next newsletter.

As a Committee, **Hello Neighbors** welcomes new members, new ideas and suggestions. We enjoy having residents attend our meetings whether they wish to join our Committee or just visit. Please feel free to come to the meetings held **once a month** in the **Clubhouse Multi-purpose Room** on the **1st Friday at 10:00 a.m.** If there are any questions, please call **Peggy Trees, (503) 620-0703** or **Nancy Hayes, (503) 747-5327**. You may also leave your name at the Clubhouse office, **(503) 639-6565**, and we'll call you.

Member Services News

We have exciting news to share! Starting in March, the Hello Neighbors Social Committee will work with the office to open the Clubhouse Information Window during more hours of the week.

We're looking for KCCA member volunteers to help! Do you like to meet and greet people? Would you like to provide other KCCA members with the information they need, or help them find and fill out important forms? Would you like to assist your neighbors by referring their issues to the appropriate Board member, Committee chair, or staff member? If so, we would be grateful to hear from you.

Interested? Let us know by emailing InfoVolunteer@mykcca.com or by leaving a message at 971-236-7270. A member of the Hello Neighbors Social Committee will contact you to schedule an appointment. Then, you'll go over the volunteer process, review the guidelines, and discuss the shift or shifts that work best for you. Shifts are only two hours, and they're available Monday thru Friday.

Even if you don't want to volunteer, the wonderful news for members is that you will all soon have more in-person access to information, forms, and assistance. Please note that volunteers will not have access to confidential financial, member or staff information. Requests that involve that type of information will still be handled by staff during their work hours.

Our open hours will depend on the number of qualified volunteers who apply. We are looking forward to having new hours and faces to introduce in the April newsletter.

Thank you so much to the committed Hello Neighbors Social Committee volunteers who helped with framing this strategy and who will devote much of their own time to its success!

1st Sunday At KCCA

March 3rd, 1-4 pm Invite your friends and family to tour multiple properties for sale (detached homes, townhomes and condos) in our community. In addition the Clubhouse will be open, hosted by a resident volunteer, eager to provide an information packet and lead a guided tour of all KCCA has to offer. For further details or questions email KCCA's Hello Neighbors Social Committee Chair Carolyn Griffith: cgriffith@mykcca.com.

CPO 4K Update

Guest Post by Mike Dahlstrom,
Community Engagement
Consultant and King City resident

Clean Water Services staff presented, at the CPO 4K meeting, the need for the new sewer and storm water lines, the narrowness of Beef Bend Road and the need to close the stretch from Myrtle to Roy Rogers for about a month.

I urge you to consider the additional time it will take, be patient, and realize that this month-long closure may be better than the several months it would take to do one-lane at a time with associated long delays there too. www.getusthere.org provides some additional information and possible detour routes.

And be forewarned, Beef Bend will close again this summer to replace the culvert near 147th. That has to be done at low water according to Washington County.

Water Aerobics Club

Submitted by Donna M. Lane

How is 2019 going for you, so far? Have you been keeping your resolution to lose weight, exercise more? The holidays, colder weather, scary snow forecasts, or still-dark mornings were not enough to disrupt regular attendance at our morning and evening water aerobics sessions. A few members have that nasty virus going around, but otherwise, for the KCCA men and women who were doing water aerobics on a regular basis before 2018, the only change in participation has been the addition of several new members. If you have settled into the new year convinced that you **will never** find an exercise routine you enjoy and can stick to, maybe it is time to connect with our group. The pool is clean and warm, the water gentle on your bones, the easy routines invigorating, and the chatter in the hot tub after the exercising, is uplifting.

Since my last newsletter, the KCCA Water Aerobics Club held its annual meeting, for which the agenda always includes election of new officers. Running unopposed, the following persons were

approved by the attending members: President, Sherry Little; Vice-president, Dana Garretson; Treasurer, Merrily Nelson; Secretary, Terry Pittsley; and Membership Chair, Linda Utter.

Previously, I have urged you to drop in to one of our morning (8 am) or evening (6:30 pm) sessions, or to give me a call if you have questions. You can still do that (my email and phone number are in the new KCCA directory), but since I am now focusing on other projects you may get a faster response from our new Membership Chair, Linda Utter, whose number (541-215-2390) is also in the directory. Leave a message, Linda will return your call.

It is never too late to start exercising, but why fight a machine? Remember how you loved splashing in the pool as a kid? You can still do that without feeling foolish. Come, splash with us.

CHECK IT OUT - A New Look! Free Books!

Submitted by Carolyn Griffith

By the time you read this the lobby of the Arts and Crafts Building will have a new look. The ceiling and walls will have a new coat of paint, the shelves will be refinished, and, most importantly, there will be new flooring covering our old cracked floor tiles. Unfortunately, the entry to the building and the library's hours of operations had to be changed during the process.

We apologize for this inconvenience and hope that people had no difficulty accessing the library as directed via the back door during the more limited hours that the library was open and volunteers were present. We'd like to remind those few patrons

who decided to circumvent the temporary changes that the library does use security video cameras and that transgressions of safety procedures have been recorded. The fresh look of the entry is worth a few weeks' inconvenience and is much appreciated by everyone who uses the many areas of the Arts and Crafts Building.

When you come over to admire the updated lobby turn to your right to visit our library. On the counter, just to the right of the work station gate, you'll find 3-5 books which are in very good condition and are FREE for you to take. We know of at least one person who took a free book to give as a birthday present. These books have been donated, but are duplicates of books we already own. Duplicate books are evaluated carefully and the book in the best condition is retained, but all the free books are in very good condition. Your donations are very much appreciated. Our entire paperback book, DVD and jigsaw puzzles sections are donated as are many of our hardback books. It's unfortunate our space limits our ability to store all the books we'd like to retain.

As we've done in past columns, we'd like to recognize more of our wonderful volunteers. **Nancy Hayes** says, "For me, working in KCCA's library the last 2+ years has been a peaceful and calming responsibility I look forward to each week; a time to meet new people as they drift in to browse or find a good read; a time to broaden my reading subject matter, taking me outside my usual comfort zone of mystery escape and drama. Mostly, it's the people, the place and the things (books)."

King City Camera Club – Leading Lines & Patterns

Submitted by Dick Wiggers

In this month's picture, "Gray Day at S. Jetty," Loretta skillfully uses the long, curved line of jagged rocks that begin in the left-hand corner of her image, to invite us to follow its path all the way to the ship on the far horizon. In doing so, she allows us to see what she was seeing, and remember what it felt like, and sounded like when we last visited a similar location. Leading lines are all around us, just waiting to be discovered. When used effectively, they add depth and impact to a composition. In this case, these broken rocks and boulders also provide texture and tonal contrast that highlight nature's union of sea, sand, rocks, foam, and sky. Next time you're out and about, whether walking down the sidewalks of King City, enjoying a stretch of coastal scenery, or hiking your favorite trail, look for those leading lines and patterns that will turn your good photo into a memorable image.

As a reminder, our monthly competition of prints and electronically projected images takes place on the 2nd Monday of the month in the main clubhouse ballroom at 7:30 p.m. Program Night is at 7:30 p.m. on the third Monday night of the month. Guests and visitors are always welcome.

King City Artists' Guild

Submitted by Diane Tyhurst

Members of the K.C.A.G. continue to produce beautiful and interesting works of art. Many of these pieces are on display in the living room of the Clubhouse, the Crown Center, and on the second floor of King City Senior Village. In honor of Presidents' Day, members Joyce Saari and Diane Tyhurst displayed portraits they have painted of former Presidents Ronald Reagan and Barack Obama. These portraits were hung in the lobby of the Clubhouse during the month of February along with paintings of WILD ANIMALS, the artists' theme for February. Diane Tyhurst and Laurie Svec continue to teach watercolor painting on Thursday afternoons at K.C.S.V. and A.G. member Judea Pulella gives of her time every Thursday to help out with the class. Thanks, Judea.

In March, the theme for the artists

will be THE WIND, followed by SEA LIFE in April, TROPICAL FLOWERS in May, and INSPIRATION during the summer months. In March, members of the Guild will be displaying their art at New Season's Market in Tualatin.

Members Debbi Estes and Laurie

Svec both have one-woman shows in the spring. Debbi's will be at Symposium Coffee in Sherwood and Laurie's will be at Symposium Coffee in Tigard. Kudos to both of them.

Members of the K.C.A.G. wish former member and club organizer Marianne Pfeiffer a very Happy 100th Birthday. Several members plan to visit her in the spring at her new home in Gresham. Also in our thoughts is active member Lynn Wolfe who is in rehabilitation at Avamere Rehab following surgery for a fractured spine. She is eager to get back home and resume her painting.

The K.C.A.G. meets every Thursday afternoon from 1:00-4:00

in the multi-purpose room at the Clubhouse. Business meetings are on the first Thursday of each month. Many thanks to Kathryn Amrani for running our business meetings in a very professional manner. We welcome all folks who have a creative spirit and enjoy the company of fellow artists....

OR 99W Sidewalk Project: SW Royalty Parkway to SW Durham Road

ODOT, in partnership with King City, is beginning construction to add new sidewalks on OR 99W (Pacific Highway) and on SW Royalty Parkway. Work began in February and will conclude in summer 2019.

Why is this project needed?

There are currently gaps in the sidewalk system in the King City Town Center that force pedestrians into unpaved areas or to travel through private parking lots. This project will add new sidewalk in two sections. Filling these sidewalk gaps will provide community members safer and ADA-compliant walkways to homes, shopping and transit in the area, as well as promoting economic vitality and enhancing overall livability.

Where are the improvements?

The new sidewalks are in these two locations in King City:

- OR 99W/Pacific Highway southbound from SW Royalty Parkway to SW Durham Street. This is an 8-foot-wide sidewalk.
- SW Royalty Parkway from SW 116th Avenue up to the existing sidewalk. This is a 6-foot-wide sidewalk.

All new street and driveway connections will be constructed with ADA-compliant sidewalk ramps and crossings for pedestrian safety. The new sidewalks will connect with the existing sidewalks on either end.

Traffic and noise impacts from February 2019 through July 2019

There will be a combination of day and night work. Those traveling by car, bike, foot or public transit may experience short delays and intermittent detours throughout construction.

- **LANE CLOSURES:** Lane closures on OR 99W will be between 8 p.m. and 6 a.m. (later on weekend mornings). Lane closures on Royalty Parkway will be both day and night. The driveway into the shopping center between Kaady Car Wash and Shari's will be closed for approximately

five days while it is reconstructed.

- **BIKE RIDERS:** The shoulders of OR 99W will be closed during the night work with signs advising that bikes will be in the roadway.
- **PEDESTRIANS:** Pedestrian access will not be permitted through the project area during construction.
- **TRANSIT USERS:** The two Trimet bus stops on OR 99W in the project area will be temporarily relocated. Specific information will be posted on www.trimet.org and at the bus stops.
- **NOISE:** Residences and businesses adjacent to the project may experience daytime and nighttime construction noise. ODOT and the contractor will work to minimize the noise as much as possible, but there will be unavoidable noise - including back-up alarms (the beeping noise construction vehicles make when backing up). A noise hotline - 971-673-5239 - is available 24 hours a day for reporting noise issues requiring

immediate attention. ODOT staff can be reached via the noise hotline.

Monthly Musical Concert

Submitted by Shirley Frank

Larry Wilder, a performer who is very popular with our audience, is scheduled to return to our Monday Musical stage on Sunday, March 10th at 2:00 PM in the KCCA Clubhouse. You might remember that Larry was the 2008 National Yodeling Champion and his music will include a good sampling of that ability. He also performs songs across the Americana spectrum: Tin Pan Alley, Appalachia, cowboy, bluegrass, songs from the 1920's to the 1960's and more, giving the audiences plenty of opportunities to sing along with his familiar tunes. He specifically wanted you all to know that he will have some new (old) songs for you to sing with him this time. His shows are fast moving, highly interactive down home fun, leaving audiences wanting more.

Larry has won several entertainment awards and is an accomplished arranger and band-leader, displaying a wide range

of musical talent with his solid tasty and lightning fast acoustic instrumentals on banjo, guitar, and auto-harp. He is always well received by our audiences, embellishing his performances

with anecdotes regarding the music and his experiences. We are most fortunate to have a performer of this quality for our musicals.

We will be honoring those with birthdays and anniversaries in our audience as usual and don't forget to bring your \$1 for a chance in the raffle. We thank Reuben Polk from Home Instead Senior Care who will provide refreshments after the program. We also extend our thanks to Columbia State Bank and KCCA

Larry Wilder.

for their continuing support for these programs.

From the Pro Shop

Submitted by Joy Olmstead, Pro Shop Manager

As we rapidly approach the opening of the 2019 golf season, we are looking for individuals who would like to be a King City Golf Course marshal. We are asking that Pool Marshals not apply at this time. Flexibility is the key, but you are encouraged to let us know if there are certain days and times that you are not available. The shifts range from 4 to 5 hours, one to two times weekly. There will be a meeting and training scheduled later in March at the Pro Shop. Please contact the Pro Shop for more information.

Have you, a family member, or a friend ever thought about taking up golf? Have you thought about all of the great benefits of golf, such as communing with nature, building new friendships, exercise! If this sounds enticing to you, but you are not sure how to start, we have just the solution. His name is Chris White, and he is our very own PGA Teaching Pro. Chris has 45 years experience as a PGA Teaching Pro. The rates for lessons are very reasonable. Moreover, he enjoys

helping young and old hone their golf skills. You may contact him at the Pro Shop at (503) 639-7986 or on his cell (480) 200-6568 for more information.

We are excited to announce that we have booked returning golf tournaments for this year. Our first tournament of the season is the City of King City Mayor's Second Annual Tournament. In May, we will celebrate our beloved Frank Passmore's life with the Frank Passmore Memorial Tournament. June brings us the return of the Nick Jones Second Annual Memorial Golf Tournament. And in August, the King City Lions Club Jim Armour Memorial Tournament returns. There will be sign up sheets in the Pro Shop for each of these. And as always, King City golfers are welcome!!!!

Don't forget, 2019 Golf Passes and Cart Trail passes are now on sale at the Pro Shop. The Annual pass is \$419, and is valid from January 1, 2019 through December 31, 2019. The Season pass is \$319, and is valid from March 1, 2019 through October

31, 2019. Youth and Youth Team passes are \$95, and are valid from March 1 through September 30, 2019.

The Pro Shop staff is training on a new software program that will streamline our operations. One of the advantages to this program is you will be able to set your tee times online, and not have to call in. We do ask for your patience as we become more proficient with this program.

As a reminder, **please do not use the golf course or the cart paths for your daily walk, even if you do not see any golfers playing.** I know we have a beautiful course. I also know that you may feel this is a "stupid" rule. But remember... It is private property, and you are trespassing, which is against the law. Most importantly, this is also for your safety. This rule is also applicable during those wet, windy, blustery, and snowy days of late fall and winter!!! Thank you for your attention to this!

King City Women's Golf Club

Submitted by Janet Craig

We are getting close to a new golf season. Although as I write this, the threat of a snowy week is upon us. We have many ladies who have signed up to start the 2019 season.

We have several activities planned starting with our opening breakfast and our monthly sack lunch meeting following golf. We have a special game planned for each month that's always fun. We have Mystery Golf, Pink Ball and many different kinds of tournaments throughout the golf season. We have all level of golfers, so if you think you're not good enough to golf in our club, you are.

We also will be raising money, food and clothing for the Tigid Backpack Program and the Caring Closet. These programs are very important to our club. Last year we gave the Backpack Program 500 pounds of food and a check for \$2500 just in time for the school year. We also donated three long tables of clothing to the Caring Closet in December along with a check for \$850.

If you are new to the area and enjoy golf, we would love to have you join our club. The fee to join is \$50 for the year. \$35 goes to the Oregon Golf Association, and \$15 goes to the King City Women's Golf club.

If you would like more information please call Janet Craig at 503-704-0277.

KC Travel Club Trips

KC Travel Club Trip – Dogs for the Blind April 20, 2019

On Saturday, April 20, 2019 the King City Travel Club will tour the campus of Guide Dogs for the Blind in Boring, OR. After the tour of the training facility at noon, we will watch a special event for the dogs that bring new life to those who receive them. It is their Graduation Day, when the transfer from handler/trainer to user/owner will take place. You can be witness to this life changing event by traveling with the group that day.

The dogs are born near San Rafael, CA. About eight weeks after birth, they are placed in volunteer “puppy raiser homes” across the western United States. The volunteers spend from 14-18 months with the pups. They go everywhere with the volunteer and learn to socialize in all phases of society, including school, work, shopping and other community activities. Finally, the dogs spend two weeks at the campus adapting to their new handler and helping their human counterparts learn team work.

After the trip to the campus for the Guide Dogs, we will have an early dinner at the Claim Jumper restaurant in Clackamas.

The cost of the trip will be \$49. This price includes transportation, lunch and all gratuities. Reservations must be made no later than April 10, 2019. NO REFUNDS WILL BE MADE AFTER THE DEADLINE DATE. To

participate in this adventure, you must be a KC Travel Club member with Emergency Contact information on file. Annual dues are \$5 and are to be paid in a separate check from the cost of the trip. The checks are to be placed in the Travel Club slot at the Clubhouse Office. You must make a reservation BEFORE sending checks. If you have a care person, that person must pay for their space on the trip. The bus will leave the KC Library parking lot at 10:45am and return at approximately 5:00pm

The King City Travel Club has made arrangements for a trip to the Rogue River area on May 22, 23 & 24th. We will embark on a Wild and Scenic Rogue River jet boat trip. This is an exciting boat trip in a large jet boat. This fully-narrated trip, featuring

After a delicious dessert you'll head back up river to complete your adventure!

On day 3, after breakfast, we will board the bus and head north again to the Winston Wildlife Safari. Here we pick up a guide who will travel with us on an informative drive thru the wild animal pens. It is quite comforting to be inside a large bus in the lion and bear pens.
