2019 Vote Analysis (KCCA Board of Directors Election)

This year's election was a combination of both paper ballots and electronic voting. The committee received valuable feedback, both favorable and unfavorable, which will help shape our future elections into an even more seamless process.

A record 49.1% of the eligible voters participated in this election.

862 votes were cast with 859 counted as valid votes. Anomalies included ballots with the ID and PIN numbers cut out of the ballot, thus invalidating them; ballots submitted with more than three selections marked, were also invalidated; in addition, others submitted, but not counted, included candidate information sheets with faces/names circled in lieu of an actual ballot.

Paper ballots submitted numbered 559, with 55 of those ballots making use of the write-in feature. The committee

believes that having only one write-in line on the ballot is/was sufficient given the creativity shown by some of our electors, but will be adding extra spaces in future elections. While there was a confusing instruction regarding the mailing deadline, [Mail by Friday (24), May 28 (Tuesday)], all paper ballots arrived in time to be counted. The remaining 300 votes were submitted electronically.

The cost of this year's voting process will be reviewed by the finance committee and made a part of that committee's report at the next board meeting.

The committee recommends continuing the on-line voting process, but begin the voting timeline sooner in order to meet the chain of events already established in the governing documents and past practices, including allowances for party time on the night of the election.

Congratulations to our New Board Members!

The new members of our Board of Directors (in alphabetical order) were installed at the June 11th Board meeting:

- Helen Harper
- Laurie Petrie
- Jim Trees

The Board also elected officers, who are:

- Rob Cavasher, Board President
- Laurie Petrie, Vice-President
- Steve Garner, Secretary
- Helen Harper, Treasurer

Thank you to all the members who voted in this record turn out election!

KCCA Clubhouse Parking Lot

Due to when the newsletter is submitted for publication this is based on what we knew before the June 25 Board meeting. **The July 3rd & 4th parade events will still be in the Clubhouse parking lot.**

The parking lot sealing and striping (voted on 8/28/18) had to be scheduled during warm and sunny weather (June 2019), however, the striping work could not be completed.

Previously this type of maintenance had not required plans. Due to changes in ADA compliance enforcement, we must now have plans approved prior to striping.

As of this writing, the Board will select an architect from proposals submitted so we can get plans approved and start striping. We apologize for this inconvenience and hope to reopen the parking lot as soon as possible.

If you could not attend the June 25 Board meeting to hear more information, updates are being posted on every amenity building's bulletin board(s). Brief updates are also on our website (with limited space available) and at the front entrances of the Clubhouse, Arts & Crafts building and Pro Shop.

Members are invited to email info@mykcca.com with questions.

1st Sunday at KCCA

July 7th, 1-4 pm. Invite your friends and family to tour multiple properties for sale (detached homes, townhomes and condos) in our community. In addition the Clubhouse will be open, hosted by a resident volunteer, eager to provide an information packet and lead a guided tour of all KCCA has to offer. For further details or questions email KCCA's Hello Neighbors Social Committee c/o: info@mykcca.com.

Supplemental Directory Update

We only received a handful of forms for a 2019 Directory Supplement, unfortunately not enough to publish. Please watch the KCCA newsletter for notices about the 2020 Directory.

It's Parade Time Again!

Bows, bells, balls, and balloons will adorn many golf carts expected to compete in the **Firecracker Golf Cart Parade on July 3, 2019** beginning at 4:00 p.m. at the KCCA Clubhouse parking lot. Sponsored in part by McCann's, decorated golf carts are encouraged to be entered for a chance to be declared the winner. The golf carts will assemble in the KCCA Clubhouse parking lot in time to make their way to the King City Senior Village where residents will judge the winners.

A sign-up sheet for those wanting to enter their golf cart in this parade is available at the KCCA Pro

Shop. If you have a golf cart, decorate it and join the fun! The parade starts and ends at the Clubhouse. The route will form an oval going down Royalty Parkway then heading east onto

Queen Elizabeth Street, and then continuing back into Royalty Parkway to King Charles Avenue and back to the Clubhouse via King George Avenue.

Although the Fourth of July is a fun and festive event, it also serves as a sobering reminder of the sacrifices by so many who have secured our independence so we can celebrate it. Questions? Contact Jan Hall at 503-443-7666 or Roy Armour at 503-330-6594.

A recent testimonial for Brad Wyatt:

I would like to tell you about a really nice person that has been more than a realtor to my husband and I. He is Brad Wyatt the kind of person you can count on to get what you need to have a fun time buying a home and getting you to the other people you need when financing your home. Brad knows all the people you need to complete your purchase. Brad and his wife are focused on your needs and may even have some good ideas. It has been a pleasure having Brad Wyatt for our realtor.

From the Pro Shop - Happy 4th of July All!

Submitted by Joy Olmstead, Pro Shop Manager

On Wednesday, July 3rd, we are kicking off the 4th of July holiday with 2 traditional and fun events! In the morning, we will hold our annual Firecracker Classic Golf Tournament. That afternoon at 4:00 will be the annual 4th of July Golf Cart Parade. Show your patriotism and creativity by decorating your golf carts in the old red, white, and blue. All are welcome to participate in the parade! Sign-ups for

the Firecracker Classic and the golf cart parade are located in the Pro Shop.

On Thursday, the 4th of July, the 3rd Annual King City Community Foundation 4th of July Walk and Roll Parade and Festival begins in the KCCA Clubhouse parking lot with the parade to King City Park. All are welcome to join the walkers, children, and golf carts parading to the park. At the park, there will be vendors, food, live music, and a kids' play area! This is a great and fun family event for all ages as we celebrate the 4th of July!

I am so happy to announce that our Board of Directors approved reducing our regular \$14 Green Fees to \$10 Green Fees to honor our First Responders – Fire, Medical, and Law Enforcement! We are working on an advertising campaign to spread the word! Thank you to our Board of Directors!

Have a wonderful and safe 4th of July holiday celebration!!!

CHECK IT OUT! Library News - “Last Chance”, Magazines, and Changes

Submitted by Carolyn Griffith

Last Chance - Sadly, our library is not large enough to house all the books we enjoy so we occasionally need to start “weeding out” some authors’ works or series that have been less popular recently. We don’t want this to be a surprise to anyone, so on the side window wall on the top shelf above the paperbacks there is a “Last Chance” section. Books we can no longer keep will be located there for six months before they are eliminated from our inventory. You’ll have ample time to read that portion of a series you’ve missed or re-read a book you particularly enjoyed before it’s no longer available at the KCCA library.

Magazines - On the shelves outside the library is a collection of donated magazines. **Celeste Eustice** has been in charge of that section until recently when **Theresa DeLuca** has been filling in for her. The library welcomes the

donation of magazines less than a year old. Magazines, like KCCA’s paperback books, do not need to be checked out. We encourage the honor system whenever possible. You can take magazines home, but please return them when read so others may enjoy them, too.

Recommendations - To the left of the entry to the library stands an easel holding a poster and a pad of sticky notes. It’s there to encourage communication about books we’ve read. If you have especially valued a book we encourage you to share your recommendation on a sticky note.

Attach the note to the poster so others know it’s a book worth looking at.

Changes:

- We now have a “**Classic**” section of paperbacks on the side window wall between Mystery and Fiction. You can find old favorites there, too.

- The ever popular “**Westerns**” in both large and regular print are now shelved together next to the back door.
- The **Community Puzzle** continues to be a hit. Look for a new one a real challenger - by the reference section in the library.
- We will miss our reliable substitute **Connie Carlson**, who is no longer able to volunteer. She has been part of our group nearly five years.
- A new volunteer, **Patty McEvoy** has joined us. She works with **Joan Norris** on Thursday afternoons.
- **New volunteers** are always welcome. Volunteering provides an opportunity to meet not only fellow library volunteers, but also many readers who frequent our library.

Hello Neighbors Social Committee

HAPPY SUMMER...time for trips to the Coast, a swim in KCCA's outdoor pool, picnics and firing up the grill. Then, there's events like the **KCCA Golf Cart Parade** on July 3rd before the annual Golf Cart Parade – always fun, especially witnessing the creativity of our golf cart gang. It's debatable who has more fun – the people lining the streets in anticipation or those in the carts.

The next day, July 4th, brings another great time of activity starting at KCCA's parking lot with a **Car Rally** followed by the King City Community Foundation's **Walk & Roll Parade** to the King City Community Park. Coffee, donuts and pastries will be provided by **Hello Neighbors** while people are gathering for the parade. This ALWAYS promises to be a fun time with the kids' decorated bikes, decorated golf carts, old cars and that down home feeling. So come on down to the KCCA Clubhouse and join your friends and neighbors. You don't want to miss the food and fun before following the parade to the park.

For those KCCA residents wanting to join their friends and neighbors for another Annual **KCCA July 4th Potluck**, it starts at 11:30am. Bring your favorite dish to share, a plate and utensils, a drink and cup. We'll have more ice cream and you'll be educated again with some more great trivia! It's a day packed with lots of fun from beginning to end.

Movie Time has announced

super changes for the upcoming months. Every other month, there will be a concert of a well-known performer(s) like the Bee Gees. Who doesn't remember the Bee Gees? A great way to add interest to these events. Great idea, Ginny Jones!

Plans are underway for another **National Night Out** on August 6th at the Clubhouse. This is an annual community police awareness-raising event held nationally on the first Tuesday of August since 1983. Stay tuned for more information. Please call Judy Holmes, 503-312-1510 for more information.

Hello Neighbors continues to welcome new members, new ideas and suggestions. **Any resident** is welcome to attend our meetings whether they wish to join our Committee or just visit. Meetings are held **once a month** on the **1st Friday at 10:00 a.m.** in the **Clubhouse Multi-purpose Room**. If there are any questions, please call **Peggy Trees, (503) 620-0703** or **Nancy Hayes, (503) 747-5327**.

Shuffleboard Goes to Summer

The heat is coming, so we are going to have our usual summer hours starting at 10:30 in the morning, but retain our afternoon sessions which start at 1:30. In either event, please arrive at least 15 minutes ahead of the starting time to allow time to arrange the day's play. The days the club plays are Monday, Wednesday, and Friday. In July we will have our summer barbecue gathering to enjoy some food as well as the game. The date and time still need to be finalized, but probably on the 12th or 19th of the month.

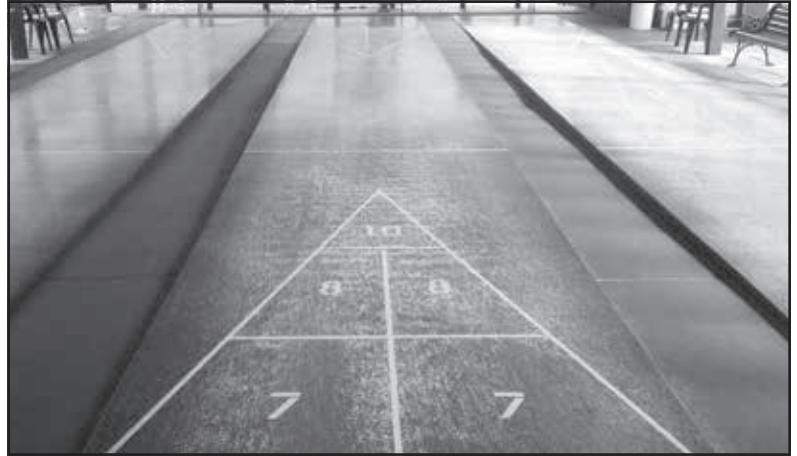

The club continues to grow in popularity and quite a few new members have joined us this year. Unfortunately, two of our members, Dick Hill and Bob Koppler, recently passed away and their presence and contribution to the game will be sorely missed.

Our recent contest was just completed and Charley Morgan repeated as champion with Jack Croll second and Mary Thorsfeldt third. Since contests add a little zip to our

meetings, a new contest will begin and run until our next meeting in September. For purpose of scoring in the contest, only one participation per day will count. To clarify, if a person plays

in the morning, the points earned apply to the contest. That person may also play in the afternoon, but cannot earn additional contest points.

We are very sincere with our open invitation for new members to come and give the game a try. If it appeals to you, the \$15 annual dues are pro-rated so to join in June would cost \$8.75, in July \$7.50, etc. Stop by at one of playing times and get a feel for the game and the

environment in which it is played. Virtually none of the current members ever played the game regularly until they joined the club. Now it's a part of their life here in King City. You do not, however, need to be a resident to be a member. Please come and look us over. You might be very pleasantly surprised at what you see.

For additional information give Lono (971-285-0773) or Jack (503-747-2766) a call.

KC Travel Club – Dahlia Gardens in Canby

Submitted by Dee Schiavone

Dazzling Dahlias of Swan Island in Canby will be the destination for the KC Travel Club on August 29, 2019. There will be 40 acres of gorgeous Dahlias to look. After viewing the beautiful flowers you will be able to purchase flowers if you desire.

Swan Island Dahlias, in business for over 91 years, is the largest and leading dahlia grower in the United States. They are located in the town of Canby, in the rich soil of the Willamette Valley of Oregon. The farm was originally located in Portland, Oregon, with some buildings on Swan Island, which is where the farm's name was derived from. There was also a roadside stand in Sellwood, a suburb of Portland, so the business was known as both Swan Island Dahlias and Portland Dahlia Gardens at that time. Swan Island Dahlias was moved to Canby, Oregon on rented land in the 1940's. Around 1953, twenty acres of farmland was purchased in Canby, and the business was relocated to its present site. The

beautiful flowers are a must see for the dahlia lover, or if you just love flowers.

After viewing the dahlias, the group will travel north again to lunch at Langdon Farms, in the big red barn. Your escort will ask you for your choice of food when you call to make reservations.

The cost of the trip will be \$40. This price includes transportation, lunch and all gratuities. Reservations must be made no later than August 21, 2019. **NO REFUNDS WILL BE MADE AFTER THE DEADLINE DATE.** To participate in this adventure, you must be a KC Travel Club member with Emergency Contact information on file. Annual dues are \$5 and are to be paid in a separate check from the cost of the trip. The checks are to be placed in the Travel Club slot at the Clubhouse Office. You must make a reservation **BEFORE** sending checks. If you have a care person, that person must pay for their space on the trip. The bus will leave the KC Library parking lot at 9:30am and return at approximately 4:30pm

For reservations please call Nicky Kenney at 503-530-0530 or Verna Wyatt at 503-624-5681

Upcoming trip:

July 13, 2019 - Mt. St. Helen's National Volcanic Monument. At the Johnston Ridge Visitors Center. The cost of the trip will be \$69.00 For more information on please call Carol Kratzer 503-624-1532 or Al McFarling 503-718-7971

On September 26, 2019 the KC Travel Club will trip down to the Oregon Aquarium in Newport, OR. More information will be posted in the August publications.

There is a list of future KC Travel Club trips in the rack at the front desk at the Club House.

Paper Crafting Open House & Craft Fair

Saturday July 27th 9am-1pm. Stop by for refreshments and find out more about this new community club opportunity. We will have a free project to create, no supplies or experience is necessary. A dozen paper artists will have gifts/items on hand for show and purchase. Please ask for Debbie so she can share what is planned for the coming months. We are looking forward to meeting you.

Thank you, Morning Coffee!

The Morning Coffee Mother's Day Celebration was truly amazing! We hope every Mom in KCCA enjoyed their day as much as we enjoyed the adorable and creative snacks crafted by the club.

Here are the most recent aquatic center questions:

- Q: Can we get a swimsuit spinner in the locker rooms?**
- A: The Pool Committee has done extensive research on the cost and maintenance of a swimsuit spinner (water extractor). Our research shows the life span of spinners are short, especially on the less expensive models. All spinners, or extractors, require weekly inspection and maintenance and if not installed and maintained properly can provide opportunity for slips and falls from the water being extracted onto the floor below the unit if not properly drained. Spinners are not a recommended purchase for our facility.
- Q: Sometimes the jets don't work in the hot tub, why is this happening?**
- A: This happens when residents physically turns off one or more of the jet nozzles inside the hot tub. Each jet can be turned back on by turning the jet ring. Stop turning the ring when you first feel resistance. If the ring is turned too far the jet could pop out of the jet housing. If this happens push the jet back in and turn the ring to tighten.
- Q: Why does the indoor pool water temperatures fluctuate?**
- A: Each of the pools run on their own individual electronic heater systems. Unless the system temperature is manually changed or there is an equipment failure, the set water temperature can't change. However, if maintenance recently added water to the pool or you're swimming near a water intake the water may feel colder until the entire pool rises to the system set temperature.
- Q: If the water temperature never changes then why does the water feel colder sometimes?**
- A: Our feeling of "hot" and "cold" have less to do with the absolute temperature and more to do with the effective rate of heat transfer from our skin. It's important to remember that when we "feel" the temperature, we don't actually measure the temperature of what we're touching but the temperature of our skin, which is affected by how well the water conducts heat. Water is a good conductor, which means your body heat will "flow" quickly when you touch the water, that's why it feels cold when you get in and can feel even colder on warmer days when your body heat is even warmer than usual.
- Q: What is the purpose of the red button on the wall in front of the hot tub?**
- A: The button is an emergency shutoff for the hot tub. This button is designed for emergency use and should not be used for the sole purpose of turning off the jets to soak in hot water without the jets running.
- Q: I find hair in the drains, why isn't maintenance cleaning up the hair?**
- A: Maintenance cleans a lot of hair from the drains every morning; a nasty task that I'm sure none of us would want to be assigned to do. We can all be a part of the solution to reduce the volume of hair in the drains by wearing a swim cap or tying up our hair before entering the pools.
- Q: Recently I've been seeing rubber particles in the pool, what is this from?**
- A: The rubber particles appear to be coming from residents wearing rubber sole swim shoes in the pools that may be beyond their life cycle. The rubber particles can be hard on the filter system. Please inspect your swim gear regularly for your protection as well as for our pools.
- Q: Why isn't our janitorial service being held to an appropriate standard of cleaning?**
- A: We are experiencing some staffing issues within KCCA which is impacting the amount of available janitorial labor for the aquatic center, coupled with experiencing unsatisfactory janitorial service from our outside vendor. Recently the Board asked the Pool Committee to research alternative cleaning options. In the meantime, our Maintenance Supervisor and our Administrator are working with the outside vendor to rectify the current janitorial service issues.
- Q: Why do we have standing water in the locker rooms and showers?**
- A: While the floors were poured per the construction drawings and the City passed inspection, the floor slopes do not appear to be effective for proper drainage. The Board recently tasked the Pool Committee with researching optional solutions for this issue.
- Q: What's being done about the algae on the locker room & shower floors at the aquatic center?**
- A: The Board asked the Pool Committee to research testing to identify the spores so a proper course of action could be taken. At a recent board meeting the Pool Committee advised the Board while testing can identify the type of spores and a proper course of action could be taken to get rid of them the spores will continue to return unless we first focus on the cause of the spores, which may or may not be caused by the standing water due to poor floor drainage. The Board asked the Pool Committee to consult pool experts and report back to the board for resolution.
- Q: Can the indoor pool family hours be changed to include a late day or evening hour similar to the current outdoor pool schedule?**
- A: The Pool Committee reached out for community feedback to this request. What feedback we did receive was not in favor of changing the family time hours. More community feedback is needed before recommending a change of hours to the Board.

If you have questions regarding our pools, please reach out to a member of the Pool Committee.

King City Women's Golf Club

Submitted by Janet Craig

Summer is about to get really fun! The women's golf club is enjoying the warm summer weather, and planning a Red, White, and Blue golf game on July 1st. This game will kick off the July festivities that our golfing community enjoys in July.

Wednesday, July 3rd is the "Firecracker Golf Tournament" and golf cart parade. This is an activity both the Men and Women's Golf Club members plan together. The signup sheet is in the Pro Shop.

After the tournament, many of us go home and "secretly" decorate our golf carts in a red, white, and blue theme to participate in the "Firecracker Golf Cart Parade." In the past we have had a giant Uncle Sam puppet wave to all the neighbors along the parade route, or rocket ships, and the Statue of Liberty.

This tournament and parade have been a King City tradition for many decades! Please come out onto your driveways and sidewalks to cheer for the parade carts. Some have been known to throw candy!! The parade starts at 4:00 at the clubhouse and winds around King City back to the clubhouse. A map should be available with the parade route.

After the parade, the golfers who participated in the tournament will be treated to a BBQ by the King City Lions Club, and prizes awarded for the winners of the tournament and the cart parade.

On a final note, the women's golf club has gathered two barrels of food for our Backpack Program. Our goal is to fill the barrel every month through September. This

is a Tigard school program that fills a backpack for "at risk" kids to take home every Friday to have nourishment for the weekend while they are not getting their nourishment at school. We are continuing the program through the summer as many of the grade school students receive food from the same pantry that we help during the school year.

If you are new to our city and like to golf please call for information about how to join our golf club. Janet Craig 503-704-0277.

SW Corridor Republican Club How Americans can and must rescue our children from socialism

Submitted by Billie Reynolds

The July 10th Southwest Corridor Republican Club Meeting is the one you must not miss. Alex Newman will spend one night of his national tour here in King City as he explains the factual plan to socialize America, through our schools. More than 85 % of school children are

being indoctrinated right now through Common Core.

Americans, we must re-instate American values in our schools or lose our youth to socialism and to the downfall of capitalism and America's greatness. Through the UN and Deep State, Common Core is indoctrinating our youth into socialism in all 50 states. Reshaping of values, explosive sexualization of children along with dumbing down the classes, is aimed at making our nation fail. Our future, our families and our freedoms are at stake. Our children need rescuing.

Come learn the truth and facts and what every American can do about it.

Join us for sandwiches @ 6:30. Program begins at 7:00 pm. @ 15254 SW 116th St., the King City Clubhouse. Questions? Call 503-716-8098 or 503-522-3926

Tualatin Valley Quilt Guild

Submitted by Carol Springer

On July 20th TVQG will hold a hands-on instructional workshop in the Multi-purpose room of the King City Clubhouse. This workshop is open to all community members and offers quilters an opportunity to learn a new quilting technique while interfacing with fellow quilters. If you would

like to participate in this event or would like additional details, please contact us at TVQG.News@gmail.com.

TVQG holds monthly meetings at the KCCA Clubhouse the 3rd Tuesday of each month, except December, starting at 7:00pm. Meetings feature a guest speaker or a quilting-related program, include a Show & Tell segment, door prizes, Block of the Month and Fat Quarter drawings. Quilters of all experience levels are invited to attend our meetings or join our guild. Guests are welcomed at all TVQG events, however, there is a \$5.00 guest fee.

For more information about the guild or its activities email TVQG.News@gmail.com or visit their website at tvqq.wordpress.com. We would love to see you at our next meeting.

King City Music Club

Submitted by Lynn Turner

Anyone with a yearning to hear Gershwin songs got some wishes fulfilled at the June 3 King City Music Club performance. Romance was in the air as the members sang and danced. Yes, Ginny had her tap shoes on...sorry if you missed it.

There will be more surprises next month as the singers get to choose their favorite songs. Please join us on Monday, July 1 at 2 pm at the King City Community Activities Building, 15245 SW 116th Ave.

We rehearse there all other Mondays at 2 pm. New singers are welcome. For more information, call President Muriel Dresser, 503-684-3978.

Monthly Musical Concert

Submitted by Shirley Frank

Once again The Beaverton Community Band is on schedule to perform for our King City Monthly Music audience on Sunday, July 14th at 2:00 PM in the King City Clubhouse. This is an all-volunteer group of adult musicians who share a love for concert band music and willingness to share their talents with the public. Director Martin Sobelman has indicated he will be down-sizing” the band a bit this year, to better fit into the limited space in our Banquet Room -- which should be easier on the “ears”.

The Band’s mission is to engage audiences with diverse artistic performances, enlighten the community through music education, and enrich the lives of their members. A variety of band music, including marches, symphonic transcriptions, easy listening pops, swing, patriotic, and holiday tunes, is played at their performances.

Martin Sobelman was a Music Specialist for the Salem-Keizer School

District, teaching elementary general music, elementary choirs, and elementary and secondary band, retiring in July 2012. Prior to that, he taught music in New Zealand for three years and was a church Choir Director and a teacher of instrumental and vocal music at various schools around the Pacific Northwest. He became director of the Beaverton Community Band in 2014.

You are all most welcome to come and attend these concerts which are free to the public courtesy of the King City Civic Association and Columbia State Bank and our thanks go out to them for their generosity. We look forward to seeing you all there!
