New Residents Welcome Meeting
November 3rd

The **Hello Neighbors Social Committee** invites all new residents to a Welcome Meeting where you can meet new neighbors and learn about your community. Join us on **Sunday, November 3rd** at **2:00 pm** in the Clubhouse Lounge to hear about your KCCA community life. We will go over some of the important basic rules and

regulations governing our daily lives - some we often overlook as we enjoy our new homes. There will also be a tour of our Clubhouse and upper area amenities. If you have been unable to attend a Welcome Meeting in the past, feel free to come to this meeting. You don't want to miss the **fun**, the **prizes** and the **refreshments!!** Please call the office to RSVP at (503) 639-6565. We look forward to seeing you on November 3rd.

Hello Neighbors Social Committee

The **Hello Neighbor social committee** is cooking up some delightful events for the month of November.

Saturday, **November 23**, we present our Thanksgiving Potluck event. We will provide the turkey, tables, chairs, and coffee; and, you provide your own tableware, side dishes, salads, or desserts. It all begins at 4:30 pm in the KCCA clubhouse. So, plan to be there, won't you, and let's talk turkey.

In addition, **November 30**, we will be hosting the broadcast of the Ducks/Beavers civil war football game in the clubhouse lounge. Since the time of the game is yet to be determined, our start time is TBD as well. Look for more information on the time later. We will be providing the cups and the ice to hold any beverage that you bring from home. Wear your colors and root vociferously for your favorite team. We hope to see you there.

IMPORTANT: Member Action Required!

Inserted in this newsletter and posted on mykcca.com is a bright yellow form that *must be turned-in to the office by November 15th.*

We need this information for budgeting, upcoming assessment invoicing and for accurate publishing of the 2020 Member Directory.

If no form is received, we will assume there are no changes.

It is critical that every Member who has a change complete and return the 2020 form to ensure accurate information is published in the Directory and the correct number of residents is budgeted for and invoiced in December.

Extra copies of these forms are in the sorter to the right of the Member Services Window (office) door. Of note, we have been asked by many members to add email addresses to the Directory. This is purely optional.

Remember: your form is due to the office by **November 15, 2019**. If you are unable to hand-write your information, and have no one to help you do so, please leave your name and phone number (speak slowly and clearly) on our message line at 971.236.7270.

Completed forms can be submitted through the drop slot in the office door, emailed to info@mykcca.com or sent by U.S. Mail to: KCCA, 15245 SW 116th Avenue, King City, OR 97224. We recommend mailing by November 12th to ensure timely delivery. Thank you all!

November Monthly Musical: Charles Suniga and His Angels

Submitted by Shirley Frank

THEY'RE BACK! Charles Suniga and his female vocalists, whom he refers to as his "Angels" will be back to perform for our Monthly Musical on Sunday, November 10th at 2:00 PM in the King City Clubhouse. Charles is known for his unique approach to music which, unlike anyone else, includes elegant piano and string melodies called "Moments of Peace." His scope is wide, from Elvis, to Neil Diamond and Louis Armstrong. He also has the ability to sound like the original artist on some of their most popular tunes. His "What a Wonderful World" makes you wonder if Louis Armstrong has actually taken over the microphone! A favorite, written by Charles, is "Mabel's Dance" which will no doubt be part of his repertoire. His music and stories make you want to dance, laugh and sometimes cry. Go ahead...it's OK! He is gentle. He is funny. He is sincere. He is real.

Today Charles is a well-known and well-respected independent artist who lives in Portland. Over the years he has produced, composed and recorded seven albums, two of which were nominated for a Grammy (Spirit Rising and Still in the Moment). The melodies are described as "Heartfelt", "Enriching", "Captivating" and "Romantic" and music that reaches the depth of your soul. Charles plays all his music live, nothing is pre-recorded, so the music breathes with depth and movement.

This program is free to the public courtesy of KCCA and Columbia State Bank. We will be honoring June birthdays and anniversaries, as well as drawing winners for the raffle tickets sold at the door for \$1.00. This group is one of the all-

time favorites of our Monthly Music attendees. Come and join us for some beautiful and inspiring music.

By Sandi Fuhrman, Committee Chair

To create a secure and safe building culture for all residents each of us needs to be vigilant regarding access when entering and exiting the Aquatic Center. Tailgating is one of the most common security breaches. It starts out innocently - a resident opening a door and holding it open for others whom we assume has a key card, allowing other residents to enter who forgot their key card, giving access to someone whose key card isn't working or perhaps providing access to

someone who says they are a new resident but hasn't purchased their key card yet, giving your key card to family members, roommate or spouse for use of the facility without the key card owner being present. (each HOA member is required to purchase their own key card)

Recently HOA members have been approached by neighbors from within the surrounding City of King

City who think since they live in King City that our facility is open to them and have been asking members to provide them access as they are entering or exiting the building.

The most common security mis-step we see is the passive acceptance of a familiar resident and we open the door for them. Maybe they lived here last week or last month or even yesterday, but maybe they don't live here today. As residents we have no way of knowing if the familiar face is still an active paying HOA member; we don't have any way of physically identifying

who should have access to our facility unless they have a working key card.

Safety aside, we are required to pay HOA fees for maintenance of our amenities so why would we want to give unauthorized users' access for free?

The problem with these lax situations, in terms of safety, is that it opens the facility to unauthorized individuals who we don't know are in the building, potentially exposing others to unknown and unexpected harm.

If you're uncomfortable with someone trying to gain access to the facility, please advise them to go to the Club House office, or call a pool marshal for assistance, or suggest they call a pool marshal for assistance. The Club House & pool marshal phone numbers are posted on the outside bulletin board to the left of the front door of the Aquatic Center.

If you would like to receive updated pool information and alerts via email, or you have questions about the pools, please email your request to be added to the pool followers email list, or questions to kcswiminfo@gmail.com.

King City Camera Club: “Travel Photography”

Submitted by Dick Wiggers

John Marquardt, one of our more experienced club members takes “travel photography” to new heights. This tack-sharp image of a F-16 Fighting Falcon flying at top speed was one of 1600 photos he took on the first day of a three-day shoot at “Red Flag,” an Integration training event held at Nellis Air Force Base in Las Vegas, Nevada. This event included aircraft from France, England, Saudi Arabia, Netherlands, and Sweden.

John writes, “I’ve had an interest in military aircraft going back to my preteen days, so I thought it would be fun to see what images I could capture at this event. The first day started out with a practice show by the Air Force Thunderbirds who are stationed at Nellis. Once they were done with their practice, the Red Flag launch sequence began, and military aircraft were literally launching every thirty seconds. Little did I know, once I got there, I’d be in the presence

of another 200 plus photographers lined up waiting to take photos of the military aircraft. It was interesting to not only meet people from various parts of the United States but France, England and a couple of other countries. I spoke with a guy from England who was on an extended eight week vacation whose sole trip was to travel around the U.S. photographing military aircraft. He would travel to airshows and other events to photograph aircraft.”

It’s hard to sum up experiencing Red Flag in one photo!” To see more images, visit: www.facebook.com/pg/johnrmphotography/photos/?tab=album&album_id=2303254319889395.

As a reminder, our monthly competition of prints and

electronically projected images takes place on the 2nd Monday of the month in the main clubhouse ballroom at 7:30 p.m. Program Night is at 7:30 p.m. on the third Monday of the month. On Monday, November 18, Gary Randall, one of our most popular and entertaining presenters, will be back to share images and stories from his latest travel adventures. Guests and visitors are always welcome. We hope to see you soon!

CHECK IT OUT! Library News

Submitted by Carolyn Griffith

Thanks to everyone who has looked under their beds. Some of our missing books have come home! Among others, a popular book that had been checked out last January found its way back! We are so happy it's been returned. Thank you, wonderful reader, for sending it our way for others to enjoy.

However, our shelves have become crowded, so our volunteers have needed to purge hardbacks that haven't been read in a long time. We feel there's no point in continuing to shelve books that have not been read in years. Therefore, please check out "Last Chance" books located near the light switches near the library entrance. There you will find a series that was popular but is now rarely read. If you have started that series and want to continue reading it let a volunteer know so it can be retained for you.

Just inside and to the left of the library entrance there is a shelf that

highlights "Librarian's Choice" books. This group includes hardback volumes that are perhaps older, but worthy of readers' attention. Some, if they receive no interest after a few weeks, will be donated to an appropriate charity. Others which have sparked renewed interest will be reshelved. Readers' interest dictates whether or not books will be retained.

The library puzzle has continued to be very popular, so we'll continue to provide the space. Many folks have stopped by to search for a piece or two toward completing the puzzle. Many others are available to take home. Check out the shelves to the right and left of the entrance of the crafts building to find a puzzle that piques your interest. There's everything from simple children's puzzles for your grandchildren's use to VERY CHALLENGING ones that might take you all winter to complete! That's not a bad way to spend the

cold months we know are coming.

If puzzles aren't your thing, consider KCCA library's DVD's. All are donated. We have nearly completed shelving them all by genre. Check them out. There's everything from John Wayne Westerns, war flicks, oldie movies, TV series, children's 'toons, romcoms, and more. You can have them for a week. Look for the check-out forms near the DVD shelves. Easy! Fun!

Mental stimulation can be found in learning, reading, puzzle-solving, and socialization and is a positive goal for us all!

Computer Club Classes

Submitted by Jeanine Peyton

In November there will be only one computer class held in the KCCA computer room the first Saturday at 10:00 am. Parker Ediger will be teaching on tablets and similar devices. Because Parker will not always be available to

teach classes, other volunteer teachers are still needed. Please contact Jeanine Peyton via email if you are interested in teaching classes, or know of someone who might be interested. Jeanine's email address is jeaninepeyton7@gmail.com.

Non-club members/new residents can get notifications via email from the Computer Club regarding upcoming class subjects by contacting Marie at mweeles@gmail.com and ask to be put on the list to receive announcements and presentations.

King City Women's Golf Club

Submitted by Janet Craig

We are coming to the end of our golf season. Our last day is October 30th and we will celebrate with a fun Halloween party and lunch after golf. So, if you spot some scary looking golfers on that Wednesday morning, don't be afraid it's just our fun-loving club celebrating Halloween.

We are not finished yet though. Between now and December 4th we will be collecting **new or gently used clothing** for the Caring Closet located at Tigard High

School. The Caring Closet provides clothing and other essentials like shampoo, diapers, and other everyday items to local families in need. Winter coats and shoes of all sizes are appreciated this time of year. If you would like to donate please call Janet Craig at 503-704-0277.

The KCWGC Board is gearing up for next year. If you would like to join us, we are accepting Oregon Golf Association dues now. The cost is \$50 a year. If you are interested please call Janet Craig at 503-704-0277.

President’s Message

By Rob Cavasher, KCCA Board President

One of the hardest things to deal with is change and our community is going through several at the same time. Even when the changes are positive, as many of these are, they can be challenging and difficult.

The board recently appointed a new member to fill a board vacancy. Our new officers are acclimating to their roles and getting up to speed. Committees are building charters, and roles are better defined. Some committees may need more members. We have a temporary bookkeeper who will meet our needs for the foreseeable future, and finally, we have begun a search for a new administrator. Until a new administrator is hired members with concerns should contact Board President Rob Cavasher at rcavasher@mykcca.com

Stay tuned for more news or attend a board meeting, which takes place on the 2nd and 4th Tuesday each month at 6:30 p.m. at the Club House.

KCCA Room Rental FAQs (Part 2)

Submitted by Clubs & Amenities Committee

Your Clubs & Amenities Committee thought it would be a good idea to review some of the questions and comments that often come up around room rentals. Feel free to contact us if you have further questions.

What should I do when we run out of paper products during our event? What should I do when the tables/chairs/etc. that were in the room at the time I rented it aren't in the room at the time of my event?

When we rent a room for an event, we can count on the room being there, but we really shouldn't count on anything else! Chairs and tables are often moved from room to room for various clubs, meetings, and events. Paper products are stocked on Fridays but not restocked until Monday. And little gremlins often make off with things that you'd expect to be in a cabinet or drawer. ☹

Basically, the room will *probably* be stocked with what we need, but if it's *critical* that certain supplies are there, or it's *imperative* that a certain number of chairs be present, or something else along those lines, it's safest to bring those critical items ourselves.

Can I prop the front doors open or use the fire doors to enter/exit during my event?

No, for a variety of reasons. Propping open doors can mess with the heating and cooling, and propping open *fire* doors can lead to a fire spreading faster. Also, an open door might encourage people who aren't residents to wander in, which we generally don't want.

Why can't I hold a reservation without paying it?

If we don't have to put money down to reserve a room, it's easier to forget to follow through and actually rent it. Then, a room that could have been rented by someone else sits unused. Even worse, someone who might have wanted to rent that room doesn't get to because it was reserved. It's just best to pay for the room when we reserve it, and get a refund as needed.

Can I rent the parking lot?

No, the logistics of that are just too difficult. There's so much activity in the parking lot – club members coming for meetings, residents coming to the office for questions, to the library for books, etc., members of the public coming for golf. It would inconvenience so many people. Also, we're not really equipped to effectively cordon off a part of the parking lot and make sure it isn't used.

How will my guests access the pool? How will my guests access the exercise room?

THEY WON'T!! The pools and exercise room aren't for rent. When we rent the Crown Center, what we actually rent is the Crown Center **Crown Room** – the pool and the exercise room are never included in the rental.

Who will help me set up tables and chairs for my event?

KCCA staff aren't available to help you set up for your event. So, most of the time, we'll need to have family or friends or, if appropriate, the people attending our event help with set up. There are also services like Task Rabbit that provide people to help, usually at pretty good rates.

How early can I or my caterer arrive to set up? How late can I or my caterer stay to clean up?

When we rent a room, the time **includes** the time necessary for set up and clean up. For example, if the event starts at 7pm, and set up will take an hour, then the rental needs to start at 6pm.

If I rent the living room, do I have access to the patio, too? If I rent the banquet room, do I have access to the patio, too?

In the rental form that's in use for the rest of 2019, this isn't spelled out. In general, we should assume that we've only rented the specific room paid for, and that nothing extra is included. For example, if it's the living room that's rented, we can assume that it's only the living room.

Starting in 2020, though, we'll have explicit pricing for add-ons like the patio! So, we'll be able to specify

that we want to rent the living room *and* the patio, or the banquet room *and* the patio. We won't, however, be able to rent the patio by itself, because you have to go through the living room or banquet room to get to it.

Who will show us where everything is before the event? How do I lock / unlock the doors? Should I turn off the lights? What kind of clean up do I need to do?

Right now, the office staff do their best to provide this information. Also, there are instructions on the back of the reservation form and signs posted at the front doors with pictures.

We're also testing a pilot program where resident volunteers help renters with precisely these kinds of things. The Clubs & Amenities committee members are serving as the first volunteers, through November and December. Then, if the pilot program works well, we'll try to expand for 2020. Stay tuned!

What should I do when the room is too hot / too cold?

Members can override the thermostats, but for now the staff asks that we refrain from doing this, as people often forget to put it back where it was, and then we have excessive heat or AC running until the next time the staff are in.

When our pilot program is running, though, resident volunteers will help renters make sure the room is back in proper order at the end of an event, including putting the thermostats back where they belong.

Who can I contact if something happens during my event?

For now, contact the office during office hours. During non-office hours, you can try to reach a board member, though that isn't always possible. If it's serious, contact the King City Police Non-Emergency number: 503-629-0111. If it's an emergency, **call 911**.

When the pilot program is running, you should be able to contact a resident volunteer.

Gentle Yoga for Seniors 55+

October Focus: Knees, ankles, heels and toes

Submitted by Sandi Fuhrman

May you live in interesting times.

Whoever said that could have been pointing across time at this moment.

Do you ever feel like the weight of the world is resting on your shoulders? These days can feel like we're living in a pressure cooker. As we roll into the holiday season, that pressure may seem to mount.

Many of us carry an inordinate amount of stress in our shoulders, upper back and neck. This can be aggravated by our "forward leaning" technologies. Computer, cell phone, remote control and driving have a similar effect on our body. Also, this season finds many of us spending more time

cooking. That's also an upper body venture.

We will give our upper body a little love, appreciation and stretch in our Wednesday focus class.

All classes are at Noon.

Mondays: Beginner's Yoga NO CLASS on Veterans Day 11/11/19

Wednesday: Focus class: Shoulders, Upper Back and Neck NO CLASS on 11/6/19

Friday: Easy Does It Yoga: Gentle and slow NO CLASS on 11/29/19

November class calendars will be available on site.

Please feel free to stop by and observe a class. Yoga just might be your next adventure.

What is Reflexology?

Reflexology is a science, and an art, that uses the thumbs and fingers to stimulate specific reflex points (called bites) in the hands and feet that correspond to the organs and systems of the body.

By stimulating these points, we improve blood flow and relax the nervous system. We can also find, and work out small salt deposits that obstruct your natural nerve impulses. This then reduces stress and congestion helping to create balance and harmony in the body. In

this state of "at ease" or homeostasis the body can more readily use its built in abilities and energies to heal itself.

King City Artists' Guild

Submitted by Diane Tyhurst

Hello Autumn! We artists love autumn especially because of the beautiful colors that emerge during this season. The crisp, cool air is also welcoming after the heat of summer.

In October we welcomed new members to the Guild. This is a good time to join our club because there is so much inspiration around us. One multi-colored leaf can produce a beautiful painting. It is also a good subject to practice blending colors and textures. Members are encouraged to produce autumn and winter paintings so we can deck the walls of the Clubhouse living room with bright, colorful seasonal art.

In October a few of us went to a rock concert at a casino.....This isn't really art related but it does show that we are a fun group who enjoy experiencing new, or currently new, activities. And you never know what kind of art a rock concert might inspire.....And, one of our members announced recently that there may be a job opportunity for local

artists. It has been discovered that if you paint white stripes on a cow, flies who bite cattle will be repelled. Why? We don't currently know....(I've personally seen zebras covered with stinging and biting insects, and they are striped.) Anyway, with a lot of research and planning, perhaps the K.C. Artists' Guild could be paid to paint white stripes on cows. There are a lot of cows in Washington County and if we became wealthy, we would

happily make a bountiful donation to K.C.C.A. Will keep you posted.

In November we will have a workshop on drawing, taught to us by a professional artist. We will also continue to discuss and make plans for our Spring show.

The K.C.A.G. meets every Thursday afternoon in the multi-purpose room of the Clubhouse from 1:00—4:00, except for on holidays. We welcome all creative souls to our club. Happy Thanksgiving to everyone!
