

## C&A Committee Meeting Minutes

January 5, 2021 – 10:00 Via Google Meet

Present: Laurie Petrie, Valerie Schuyler, Marilyn Mason, Mary Delamater

### Discussion topics:

1. 2021 Club Registration: We discussed when is the best timing to send info to club presidents. The concerns are to answer the anxious feeling of many clubs to get back “to normal”, while still continuing COVID-19 safeguards. Laurie spoke of a possible 6-month timeline to resume use of the clubhouse, and Marilyn asked that as a club we not speculate on a timeline to open, as only COVID-19, state mandates and the vaccine determine that. We realize as a committee that residents are very anxious to return to activities but it has to be done safely. Mary mentioned likely Fall before some things can open up, and again Marilyn reminded and asked, that we not put timelines or to pre-maturely forecast when some of these things can happen, as it’s a huge unknown. Marilyn added that resident’s mental health is being affected but clubhouse closure, and that we as a committee need to be mindful of that. After much discussion, we closed the discussion by deciding not to mail anything to clubs now, but to continue discussion in February.
2. Activity calendar: Pam asked about not using existing calendar, and we said not to discard it, as we don’t want to spend the time/energy to redo it, as activities reopen. We will keep the same schedule as 2020 for now, and make adjustments if needed.
3. In closing Laurie suggested to Marilyn, not to do minutes, that she (Laurie) would submit them just to make it easy on everyone. After the meeting Marilyn emailed Laurie to say, no its secretary’s duty and Marilyn will submit the minutes.
