Do We Continue to Book Events?

We will continue to take rental requests. We will ask folks to self-monitor their event, but they must follow any mandates in effect such as the current mask mandate.

Mary and Val will work on the calendar today and we hope to have something in the newsletter and posted on bulletin boards by October.

Club Rules

We need to keep an eye on this in regard to groups or clubs that receive funds from the Association. We need to be inclusive.

Requests for Events Open to the Public – Example – English Tea Ladies

We will need to evaluate these requests on a case-by-case basis. We would need to stipulate the mask requirement, etc. There are not many Saturdays left this Fall. Laurie will send them a list of what's still open.

Club Registration for 2022 – When to Proceed

In October, we will send to the club presidents the current “office copy” of the club list and ask them to review and email Laurie with any changes.

Revisit Event Advisors

We don't really have the volunteers yet to get this going again. We will ask the renters if they have experience using our facilities and we will all try to informally check on the events at the end, especially as it pertains to the return of the rental deposit.

Next Meeting – October 5, 2021 – 10:00am Location TBD
