news from
the BOARD 

By Mary Delamater, President,
KCCA Board of Directors

Happy New Year! I hope this finds everyone well, and that everyone had a joyous and safe holidays! I thought I'd start off 2022 with updates on a couple of things we're working on.

Hybrid Meetings

As you know, the board conducted its board meetings virtually through much of the pandemic. And, while many were eager to get back to in-person meetings, we did see a marked increase in attendance when the meetings were virtual. I often heard comments from people about how convenient it was to attend a virtual meeting.

Because of this, when we resumed in-person meetings,

we attempted to include a virtual option. Unfortunately, our attempts so far have not been successful, so we temporarily paused our efforts, and our last few in-person meetings have been in-person only.

However, we are still working on this; as many people have pointed out, it's not rocket science, and many other groups, including some of our very own sub-associations, have figured out how to make it work. We have upgraded some of our equipment, and hope to have hybrid meetings working soon, hopefully this month.

Keep an eye on the home page at mykcca.com for more details. We try to keep that page up to

date about the status of upcoming board meetings, including whether they're in-person, virtual, or both.

Level I Reserve Study

In 2021 the board approved a Level I Reserve Study for 2022, and we also allocated funds for it in the 2022 Reserve budget. Laurie Petrie and the House committee have gathered several bids, and next they go to the Finance committee for review. Once the Finance committee makes a recommendation, they will go to the board for approval.

Make New Friends in the New Year

Submitted by Valerie Schuyler

Is one of your resolutions for 2022 to meet residents of our HOA? An excellent way to do so is to volunteer for one of the several committees that help determine how our community supports our members. One such committee is Clubs & Amenities. KCCA members have started some 50 clubs that offer a variety of activities from card games to exercise groups. The C&A committee coordinates current and new clubs days/times and meeting

places. The committee, which meets once a month, also receives requests from KCCA members for room rentals for private events and works with Front Office staff to schedule those events.

Participating in committees, along with joining clubs, is an excellent way to get to know our neighbors. Other committees that welcome new members are Hello Neighbors, House, LARC, Finance, Greens and Pool. Go to our website mykcca.com to find a list (under

Resources) of committee Chairs and meeting days/times. Many new residents moved into KCCA during the pandemic – it's time for all of us get to know one another!

KCCA Music Club Chorus Concert

Submitted by Jerry Larsen

After having to unfortunately cancel our December 2nd Christmas concert, we are happy to announce that we will be performing on Thursday, January 6th, at 2:00 PM in the clubhouse banquet room. Our performances will regularly be on the first Thursday of each month.

Remember The Brothers Four, Kingston Trio, Peter, Paul and Mary, and Joan Baez? Our theme for this month is “American Folk Songs,” largely from the ‘50s and ‘60s. Great memories!

We have several new voices this year so far.. and we can always use new singers, so if you are interested please contact Jerry Larsen, Club President and Co-Director, on (503) 336-0000. No requirement to read sheet music - if you can carry a tune, you’ll be welcome!

We hope to see you on January 6th, as we usher in the new year!

Community Spirit

Submitted by Nancy Hayes

Travelling throughout the KCCA community during the holidays you discovered many homes or neighborhoods rivaling “The Great Christmas Light Fight” on TV. Some homes were adorned in a simple manner with colorful twinkling lights while other homes and yards were “bedazzled” with jaw-dropping displays of lights and lighted figures. “Babbling brooks” were found amongst colorful lights, angels guarded yards and Santa and his reindeer reminded us that a special day was ahead for us to enjoy with family and friends.

Our Community members’ willingness to spread positivity and holiday spirit did not go

unnoticed. Remarks of “Did you see...” or “You need to drive down...” were passed around, neighbor to neighbor and even to friends outside of KCCA. I did just that, drove up and down the streets to see what all the talk was about. In a few instances I had to go back to areas so I could see displays in more detail.

So, thank you to those who

helped shatter the many months of disappointments and frustrations so our holidays could be enjoyed. Our neighbors are why we live here in the KCCA community!

“Food for Thought” – Donating to Food Banks

Submitted by Chris Walbridge

I borrowed this from someone, and thought it was too good not to pass on.

So, I spoke to people at a food bank and here are some things I learned from those in need.

1. Everyone donates Kraft Mac and Cheese in the box. They can rarely use it because it needs milk and butter which is hard to get from regular food banks.
2. Boxed milk is a treasure, as kids need it for cereal which they also get a lot of.
3. Everyone donates pasta sauce and spaghetti noodles.
4. They cannot eat all the

- awesome canned veggies and soup unless you put a can opener in too.
5. Oil is a luxury but needed for Rice-a-Roni which they also get a lot of.
 6. Spices or Salt and Pepper would be a real Christmas gift.
 7. Tea bags and coffee make them feel like you care.
 8. Sugar and Flour are treats.
 9. They fawn over fresh produce donated by farmers and grocery stores.
 10. Seeds are cool in Spring and Summer because growing them can be easy for some.
 11. They rarely get fresh meat.
 12. Tuna and crackers make a good lunch.
 13. Hamburger Helper goes

- nowhere without beef.
14. They get lots of peanut butter and jam, but usually not sandwich bread.
 15. Butter or Margarine is nice to.
 16. Eggs are a real commodity.
 17. Cake mix and frosting makes it possible to make a child's birthday cake.
 18. Dishwashing detergent is very expensive and is always appreciated.
 19. Feminine hygiene products are a luxury and women will cry over that.
 20. Everyone loves Stove Top Stuffing,

This list can be used year round, not just for the Holidays. I hope this helps in your decision making.

With the coldest of the winter months ahead of us, let's not forget our forever furry friends.

Outside animals need a warm dry safe place to go. If you have a doghouse, keep dry blankets or straw inside, and put a door on it to keep the rain and wind out. This can be made from a piece of heavy vinyl shower curtain. This will not

only keep the wind and rain out but will allow you pet to see out.

When taking your pet for a walk, dress them for the weather. If it's just cold, a seater or

light jacket should do. If it's wet or raining, a rain jacket or a nylon water treated jacket will do.

Please don't forget our feathered friends. Our Hummingbird feeder has seen a flurry of activity lately. Hang your feeders in a protected area to help avoid it from freezing. When feeding other birds, remember to hang your feeders to where the squirrels and rats don't have access to them.

If you are looking for a new furry companion, please don't forget to look at your local shelters or rescue sites. The most lovable pets are the ones looking for a forever home.

Wishing you all the Happiest and Merriest of Holidays
