New Business –

Review Approved Vendor List 2020 –

We try to review the Approved Vendor's List every Spring, but missed in 2021. Generally, we check with Jeff on the need to delete or add vendors based on changed circumstances or performance.

Unfortunately, Jeff was unable to join us today to work on the review. We do know that we need to add a category for roof and gutter work and that we need to add a vendor under "network & security" and "locksmith". We will carry this over to April.

Consider Roof and Gutter Cleaning Contract –

We talked about the idea that it might make sense to have a contract set up for this yearly maintenance work. We don't have a contract with the current vendor. We can talk to the Board about this and see if there is interest.

Next committee meeting – April 18, 2022 11:00 am Location TBD
