

KCCA Board Advisory Committee

March 6, 2023

Minutes

KCCA Board members present: Jim Minor, Bryan Daum and Mary Delamater.

Advisory Board members present: Beth Freeman, and Julie Strand.

Residents also attended.

BAC has been researching options for a recruitment process service (a service which would allow applicants from all posting sources to collect in one repository). The only option is GNSA, this is KCCA's payroll provider. Julie called GNSA this morning and with permission from the President, will discuss options with us. Jim gave his permission this morning. BAC anticipates knowing if this is a possibility by the next BAC meeting.

The Board clarified the bullet points discussed at the last BOD meeting and BAC has the green light from the Board's review to proceed as discussed in the BOD meeting.

There was discussion regarding the electronic application process. Mary Delamater will help with creating the forms and any links needed in the postings.

Post-hire plan build out is in process.

These minutes were recorded by Julie Strand.
