Meeting Start Time: 1:03pm

OLD NEWS: None

COMMITTEE REPORTS:

Doraine Bault (Croquet): No report

Jeff Halfman (Golf Course Superintendent): Jeff gave brief explanation of why sprinkler operation is erratic at times. All course sprinklers are controlled by 12 controllers which are 21 years old. Bugs, slugs, ants and other insects creep past controller seals, short out circuit boards and periodic maintenance (removal, cleaning, calibration and installation) is required for proper sprinkler system operation. No circuit boards have suffered damage this year. Dirt removed from pond dredging is being molded into a mound and area will be hydro seeded soon. Jeff will be monitoring weather in hopes of aerating greens and applying a light coat of sand to minimize burning and dry spots on greens this summer.

David Mack (Lawn Bowling): Everything is going well

Joy Olmstead (Pro Shop Manager): Weather has created some revenue issues, play is slow but we are seeing an increase in rounds played over last year. Working with Lion's Club for a possible tournament in August. Still looking for course marshals.

Pete Ranslow (KCMGC President): A new white board has been purchased and installed outside Pro Shop for recording events/tournament results. 1 ton of seed/sand was purchased and placed in buckets which the marshals use to reseed damaged areas on tee boxes and fairways. Spring handicap and match play tournaments have concluded and results are on the new white board.

Nancy Skirvin (KCLGC President): No report

Jim Trees (Shuffleboard): NEW Shuffleboard hours are: Monday, Tuesday, Wednesday and Friday starting at 10:30

New Business: Patrick Sweeney who is a croquet member has requested use of lawn from 8am-6pm on 9/07-9/11 to host a tournament of the top 8 croquet players in the county. A poll was taken, no conflicts exist so Bill will work with Patrick to schedule this tournament.

Meeting Adjourned: 2:12pm
