Crown Center Revitalization

Submitted by
Jackie Ceccanti

Nancy Daumn spearheaded a group of volunteers to recover and refresh the torn and damaged seats on the chairs at the Crown Center. The group consisted of Nancy Daumn, Megan Rutz, Patty O'Toole, Ron Yates, Jim Minor and Jackie

Ceccanti. These torn and beaten chairs now have a fresh clean look. The vinyl cost \$120.00, and the labor was free. The project started with a simple idea of giving the Crown Center chairs a much-needed facelift, and what followed was a

testament to the power of teamwork and the dedication of volunteers. Their commitment to enhancing the Crown Center goes beyond mere aesthetics, it's about creating a welcoming atmosphere where our community can gather and enjoy.

The team's next project, thanks to the donation of vinyl from Rob Peters, is to recover the weight bench in the workout room and then recover the torn arms on the chairs in the two meeting rooms at the Club House.

news from
the BOARD 

Board of Committees at Work: April 2024

Submitted by Rob Peters

■ PGA Teaching Professional

Chris White, a PGA Teaching Professional, is coming back to work as a teaching instructor and will be in contractor status. Chris worked in the Pro-Shop as an employee and instructor before Covid and now has agreed to return as an instructor only.

Joy in the Pro-Shop said there have been many requests from the Women’s Golf Club and others for lessons.

■ Webinars for KCCA

We are getting closer to getting the Webinars up and running. Nexttech, our IT contractor, brought us our new wide-angle camera and has set up the program to run the webinars on a designated laptop for this. We did a test to work out any issues and found that the closer the camera, the faster it scans the person who is talking, as it is voice-activated.

We will need to have some dry runs to get it up and running.

■ Update on 2022 Tax Filing Penalty

We received an email from our CPA Schwindt & Co, attached was a letter they sent to the IRS. Schwindt & Co. are very confident that we won’t have to pay the \$20,000 fine. In part, they said, “As we have independent verification of the timely filing of paper extensions through certified mail and IRS date stamp as well as confirmation of timely electronic filing from our tax software, we request removal of the late filing penalty for tax year 2022 for Form 990. Please review the data provided and update your records to show receipt of the Form 990 return and extension as timely filed for tax year 2022.” A signed power of attorney and Form 2848 were also enclosed.

■ New equipment shed.

The Board approved the new

equipment shed that will be built at the maintenance shop area. Jeff Halfman will notify the contractor to schedule. A dump truck and a new tractor along with other equipment have been sitting out under some trees, exposed to the weather because Jeff had no place to store them.

■ Money saved in Reserve Budget

The 2024 Budget had \$50,000 for Club House Banquet Room soffit repairs. The plan was to remove the popcorn ceiling and texture it. Jeff Halfman let me know the ceiling was painted in the last few years and we could just repair a few small areas under the soffits. Money saved, back into reserve. In January we saved \$12,000 on the sound system in the Banquet Room as well.

There is \$62,400 in the budget for Golf Cart Path repair and/or replacement. Again, Jeff thinks that we will not spend anywhere near this amount. He believes the paths only need to be repaired this year. We will continue to review projects and save where we can.

Clubs and Amenities

By Cherie Gilmore-Forczak, Chair, Clubs and Amenities

I have a challenge for everyone in our community. You might be new to our KCCA community, or you might have lived here for a long time. But what do you really know about all the clubs and activities that are available to you each month? Every month, the Lions Club members deliver our KCCA Newsletter. The center double spread is a calendar showing every activity for the month. When I first moved here, I was amazed by the very large number of scheduled events and the varied interests they cover. So here is the challenge: open this newsletter to the calendar and circle at least two events you plan to attend this month. One of them must be something you have not explored before. Get involved, make new friends, get out of your house and have fun. Right now, I am enjoying a book club and the travel club that I recently joined. You might even circle the Board of Directors meeting, held on the 2nd and 4th Tuesday of each month at 6:30. I would be very excited if we increased the number of members attending these meetings. See what your BOD is working on.

Welcoming March with County and a little bit of Irish - Take Two!

Submitted by Paula Wenzl

Our First Thursday Program will be April 4th at 2:00p.m. in the Club House Banquet Room

Did you miss us in March? We sure missed you and singing for you! We plan on being back and more than ready to entertain you with the music we have been preparing! Our plan is to bring the country and Irish music we planned for the March program, so if our Irish wishes are a bit late, it is still great music! Our Country program includes: *Crazy, Could I Have this Dance?, The Gambler, Top of the World* and the *Auctioneer!* Irish music featured will be *Danny Boy, When You Were Sweet 16, When Irish Eyes are Smiling* and *The Parting Glass*.

If you have questions about our group feel welcome to contact either **Muriel Dresser** - she is the one on the piano - 503-443-6777 or club president **Paula Wenzl** - she is one of the directors. 503-720-4835.

Remember our first Thursday Program will be April 4th at 2:00 in the Club House. We hope to see you there!

SINGER SPOTLIGHT:

Joan Beery was a college voice major. She has sung ever since in groups and as featured soloist with a three piece combo, choirs, and theatre companies from Milwaukee, Wisconsin to Sun Lakes, Arizona and now here in King City with our Music Club! Joan joined us as soon things started opening back up after Covid. She had been a caregiver for her husband who had dementia and joining the chorus was the one thing

she did for herself. Joan is really enjoying that our group not only has Muriel on the piano, but with the addition of Chick on percussion, Greg on stand up bass, and Zvi on guitar, it brings back fond memories of her lounge singer days. Joan says this is a perfect outlet with rehearsal once a week and performance once a month. She loves to perform and she thinks the First Thursday programs are a “two-per” for her. She gets to sing and the audience gets to enjoy a free concert to brighten their day!

SpringFest 2024 – Immigration: Different Roots Shared Future

SpringFest will be in-person at the new Hillsboro Hidden Creek Community Center on Saturday, April 20th, from 11:00 am to 1:30 pm

You will have fun seeing your old friends and making some new ones, too!

Our theme this year is “Immigration—Different Roots, Shared Future,” and we will celebrate Washington County’s immigrant community. Many of us in Washington County either are immigrants or come from immigrant families, and together, we contribute to and enrich our home

here in Oregon. Democrats must make sure that all of our neighbors are welcomed and supported. Let’s work together to build a welcoming county and nation!

We’re very excited to announce that our SpringFest 2024 Keynote Speaker is Metro Councilor Juan Carlos González! Juan Carlos González (he, him, his) joined the Metro Council in 2019, representing the northern urban areas of Washington County on the Metro Council. Born in Forest Grove, raised in Cornelius, and now living in Beaverton, Juan Carlos is a first-generation American who has

dedicated his life to giving back to the communities that have given so much to him. In addition to his role on the Metro Council, Juan Carlos serves as the Chief Strategy Officer for Centro Cultural de Washington County, a nonprofit that works with local Latino families on the westside to create self-sufficient and engaged community members by removing barriers to health, well-being, and economic mobility.

We will also hear from special guests, Washington County Commissioner Nafisa Fai and Beaverton City Councilor Edward Kimmi!

King City Monthly Musical *Presents* Billy and the Rockets

Submitted by Linda Sawyer and Molly Bowman

April 14, 2pm to 3pm

The group “Billy and the Rockets” is one of our favorites because they really know how to put on a terrific show and entertain the audience! They have been perfecting their magical style for years at a variety of events including local night spots and Music Festivals. Their performances include an unbeatable combination of styles including, but not limited to, Rockabilly, Doo-wop, Country, Rock & Roll and maybe some Blues. If you’ve never experienced one of their concerts, you’ll have a “rockin” good time!

Remember you can purchase Rafle Tickets for a chance to win

\$5 and \$10. Our thanks to the KCCA for sponsoring these FREE concerts which brings us a variety of professional musicians. Mark

your calendar, second Sunday of every month, 2:00 in the Clubhouse.

King City Artists' Guild

Submitted by Diane Tyhurst

Welcome to the blustery month of wind and rain with promises that Spring is coming soon...

During February, member Laurie Svec taught us the intricacies of matting and framing our art using a variety of frame types.

Kathryn Amrani introduced us to a wonderful book written and illustrated by Israeli artist Maira Kalman. Several of us perused this fascinating book about the human condition. Following this, member Jo Oekerman discussed a book about American artist Georgia O'Keefe, the "Mother of American modernism", recognized for her meticulous paintings of natural forms.

Members were inspired to create valentines (for our secret loves?). We shared these in class prior to Valentine's Day. They were beautiful, funny, and very creative, a welcome relief from all the cares of the world that we are continuously bombarded with. Members were reminded that our new theme, beginning in April, will be "Flora and Fauna of Spring." Paintings of this theme will be hung in the living

room of the Clubhouse for folks to enjoy...

Discussion continues about the KCAG's plan to have an art show in the Spring. Member Debbi Estes, an expert at organizing shows, has volunteered to assist in this endeavor. Venues contacted include New Seasons Market and King City and Tigard Libraries. We are waiting for replies. We are aiming for a show in June. More information will be revealed as we get closer to the show date.

Diane asked if members would be interested in doing a charity project for a local organization. Painting/ decorating animal food bowls for a local animal shelter was a suggestion that we will examine further.

Bev Jensen suggested a cost-effective and time-effective way to show one's personal art. By opening our homes and inviting people to come see our art, we are introducing the community to our artistic skills and styles and giving the artists a chance to show and

sell their art.

The KCAG meets every Thursday afternoon from 1:00-4:00 at the Clubhouse. We welcome all folks with creative spirits and those who would enjoy being with like-minded people. All skill levels are welcome as are new ideas and suggestions.

Members of the KCAG pray for wars to end and peace to endure in our country and the whole world.

"A famous artist once said, 'Art transports you to another world'. They are not wrong, and I get to go! Art has the ability to take away the heaviness that consumes the mind, And replaces it with something that is high grade instead. Art is a tool to capture authenticity and humanism. The emotions and the words exist in a beautiful painting. Now, I exist, too"

Republican Club

Submitted by Dan Harris

Hello, King City Friends and Neighbors! The Primary Election is coming soon and our April speakers from Truth in Elections, Inc., a nonpartisan entity, have some incredible information to share with all Oregonians regardless of Party affiliation.

Truth in Elections has looked under the hood, and what was discovered you deserve and are absolutely entitled to know. Accordingly, you are cordially invited to hear Bob Terry, former Washington County Commissioner and Commission Chairman share the findings of more than 2 years of research and investigation. Bob will follow up with an action plan for what needs to be done, and something simple you can do to make a difference.

If you care about your country, your God-given Liberty, and Freedoms, this is a must-see, eye-opening presentation. Please join us and bring your like-minded family, friends, and neighbors to learn what has happened to our elections. You will also learn what each Oregonian can do to make some changes.

Put our May Republican Meeting on your calendar, too! John Ley will join us with facts, figures, and the community impact regarding “Tolling” on our Pocketbooks, Interstate Highways, Bridges, and Neighborhoods.

Who opposes Tolling? Eighty percent of Washington County residents, 80 percent of Multnomah County residents, and 91 percent of Clackamas County residents oppose it; what about you? It has been estimated that the toll to drive from Vancouver,

WA, to Wilsonville, OR will cost \$28-\$30 one way.

Don't sit home on the third Thursday evening each month; come join the Republican Club at the King City Clubhouse at 6:45 PM. We will present facts that are important to all Oregonians.

Thursday, April 18, 2024, at 6:45 come hear Bob Terry and listen to the facts about elections in Oregon.

Thursday, May 16, 2024, at 6:45, come hear John Ley lay out the facts of Tolling starting in the Metro area that in the future will move throughout the whole state.

See you on April 18 at 6:45. These issues impact all of us in the state of Oregon.

The club has gotten off to a good start for the year. We have resumed meetings and will soon be off on monthly field trips to plant nurseries, gardens, and other venues. Each month's meetings involve like-minded

plant people getting together to share ideas, offer advice, and support, to each other. We meet the second Friday of each month in the Banquet Room from 2pm - 4pm each February to November. We ask for a \$20/year dues amount, which goes to help pay for the planned field

trips and a Christmas potluck in December. Please come join us in the fun and learn something new about gardening, or plants.... or even yourself! If you have any questions about it, call Peggy Nelson 541-951-9930. We always welcome new members and new ideas!

King City Men's Golf Club

By George Patton, Handicap Chairman

Know your Team Captain

Why do senior golfers carry two pairs of socks when they go golfing?

In case they get a hole-in-one.

Questions: True / False

1) If a player lifts a ball without marking its location when required to, the player gets the general penalty (2 strokes).

2) A player who marks the spot of the ball incorrectly or without sufficient accuracy gets one penalty stroke.

1) False. Rule 14.1a states that the penalty for such action is one stroke in both match play and stroke play. This is a good example of when the penalty fits the crime. While a small advantage may have been gained by lifting without marking, it doesn't warrant the general penalty of loss of hole in match play or two penalty strokes in stroke play.

2) True. Rule 14.1a. Similar to answer #1, a small advantage may have been gained, and the Rules assess the player with a penalty stroke for improper marking or not marking "right next" to the ball.
