LARC Luminations

Cindi McCollough, KCCA Director, LARC Chair

"We've got your sign—sign, sign everywhere, a sign—I couldn't fit that on a sign—should have read the detour sign."

There are a lot of projects going on in KCCA, such as house painting, landscaping, fencing, gates, solar panels, and more. If you are thinking about a project for the exterior of your home, you need to complete a LARC Project Request Form available on KCCA's website (tinyurl.com/5283t2se) or from the KCCA Office. This form asks for a project description, homeowner's name and contact information and if you have contacted your neighbors to advise them of the upcoming project. The form is submitted to the KCCA Office for review by the LARC Committee. The Committee may approve or deny the request based on LARC

rules. If a project is denied, a resident may appeal the denial to the KCCA Board.

Once a project is approved, LARC will deliver a signed Project Request Form to the resident along with a LARC Approved Project Sign. The project sign remains until project completion, when the homeowner then notifies LARC to retrieve it.

May I place a political or campaign sign in my yard?

Yes, you may. Please be advised that campaign/election signs may only be displayed for the sixty (60) days prior to an election. And they must be removed within seven (7) days after the election.

I'm having a garage sale. May I put up signs?

Yes, you may. Please also be advised that KCCA has a limit of two (2) signs per unit; each sign

may not exceed four (4) square feet in surface area and be no more than three (3) feet in height from the ground. Garage, estate, and open house signs may only be displayed for seventy-two (72) hours. The only other types of signs allowed are For Sale signs.

Please join me in congratulating **Mary Maney** upon her appointment as Vice-Chair of the LARC Committee by the KCCA Board of Directors. We appreciate Mary's hard work and dedication to ensuring KCCA remains a neat and attractive community.

Thank you, Board!!!

Submitted by Bill Kirtley

You just put money in my pocket when you settled the suit over the indoor pool. Before we bought our house in King City three years ago, we did a title search. The suit turned up as an encumbrance to the title.

Prospective buyers for King City property will not be put off by this designation with resolution of the Aquatic Center Pool Settlement. That is solved now, thanks to the board.

Another shout-out to the KCCA House Committee, chaired by **Mike Ceccanti!** Not only are they

active, but they make do with a very limited budget. Much of what they do, including refurbishing outdoor furniture, takes lots of elbow grease. Their frugal approach to maintenance and repair means annual dues go further in an effort to make King City attractive and our houses more valuable.

KCCA Labor Day Potluck

Submitted by Jackie Ceccanti

The Hello Neighbors committee hosted a delightful Labor Day Potluck lunch that drew over 80 community members. The event, held in the clubhouse, was beautifully decorated with festive sunflowers, adding a bright and cheerful atmosphere to the day. The Hello Neighbors committee did an outstanding job organizing the event, ensuring everything ran smoothly, and everyone had a great time. The potluck featured an array of delicious dishes, showcasing the culinary talents of our neighbors. The dessert table overflowed with delights from key lime pie to fudge brownies.

In addition to the wonderful food, the event also included exciting raffle prizes and a 50/50 drawing,

which added an extra layer of fun and camaraderie to the afternoon. The gathering was a perfect way to celebrate the holiday, bringing our community closer together in the spirit of friendship and festivity.

A big thank you to the Hello

Neighbors committee for sponsoring the event and to everyone who participated and contributed to making the day such a success. We look forward to more events like this that continue to strengthen our community bonds.

King City Musicals *Presents* BCB's Saxophone Quartet

Linda Sawyer and Molly Bowman

The Beaverton Community Band's Saxophone Quartet (**Sax4Tet** for short) is a very popular local music group. When you hear them, you will know why. When you see Martin, Stephen, Jacob and John with their saxophones, notice that each of their saxophones is different. That's because each one has its own "voice," like the voices of a choir. The typical "voices" in a saxophone quartet are a soprano, alto, tenor, and baritone. On its own, a saxophone is a remarkable instrument, capable of producing sounds and evoking emotions no other instrument can come close to.

Come and see what happens when you put four saxs together. It's an experience!

Sunday, October 13, 2:00 to 3:00 p.m. at the KCCA Clubhouse

This is a non-profit group. Remember, you can purchase Raffle Tickets for a chance to win \$5 and \$10 cash. We thank KCCA for their continued sponsorship of these free concerts.

Amazing Technicolor Dreamcoat."

Native Oregonian **Paula Wenzl** joined the KC Music Club in August of 2021, just as they were regrouping after Covid isolation. She had recently retired from the Oregon Employment Department, where she worked as an Employment Specialist/Program Analyst for the last 11 years.

Paula Wenzl

She moved north and received a Master in Fine Arts (MFA) in Directing Theatre from the University of Portland. In this MFA program, she was Assistant Director of *"Wit"* at Artist Repertory Theatre, working with Alan Nause

and Director on *"For Whom the Southern Bell Tolls"* and *"Translations"* by Brian Friel at the University of Portland.

Her day job paid the bills, but her passion has always been performance arts. She spent 20 years in the Coos Bay/North Bend area doing regional theatre, mostly at Little Theatre on the Bay. While living in the Bay Area, she acted in: *"Little Shop of Horrors"* (as Cyrstal), *"Oklahoma"* (as Aunt Eller), *"Carousel"* (as Carrie), and *"Into the Woods"* (Jack's Mother). She also directed *"The Sound of Music"* and *"Joseph and the*

Paula started out as a singer with KCMC, but her talents in directing and theater as a whole proved to continue to be useful

in her retirement, giving her the opportunity to become a director and the club president. Paula has so much drive and passion that in addition to being the club president and a director, she also took on the duties of Stage Manager (and performer) with the Northwest Senior Theatre. What does she love most about the music club? She says, "I like hearing the joyful sounds this group makes, challenging them to learn new material and seeing the happiness in them and the audience as they experience progress and success."

King City Community Garden Club News

Submitted by Peggy Nelson

We all know how cool it is when you get two for the price of one, right?

This is what happened to us on our August field trip to Sauvie Island. We visited both Sauvie Island Natives AND Cistus Nursery. Both places turned out to be super fun, and we

all learned a lot about the native plant populations. We were even escorted by animals at each stop.

At Cistus Nursery, we had a cat that followed us on our guided tour, and at Sauvie Island Natives, we had a dog

who shadowed us as we navigated along the trails of the tour there.

When we stopped for lunch at Topaz Farm, there happened to be several chickens watching us eat while

we were sitting at the picnic tables, waiting for scraps to fall. There is nothing better for the soul than animals and plants... so we had another two-for-one benefit from this trip!

We are winding down our year, with only two more meetings (and two field trips) before we take our annual break, but if you would like to attend one of our meetings, or have any questions about what we do, please contact **Peggy Nelson** at 541-951-9930. **Happy Fall to All!!**

King City Lions Club Fundraiser: Bottle Drop Give

Submitted By Judi Harrison

Formerly known as CANS (& bottles) FOR A CAUSE has become one of our best fundraisers. Through the years, we have raised over \$13K, allowing our Club to send over a dozen veterans back east to visit their appropriate Memorial. With the implementation of the Blue Bag program, we have seen tremendous growth in funds raised, allowing us to increase our contributions to local food banks and shelters in our community.

How To Contribute

Deposit your cans or bottles that have the OR Refundable Deposit on them into the blue container located in the KCCA Clubhouse Lobby. This container will accommodate more cans and

bottles if they are not in bags. **Do not leave bags outside of the container.** (remember, this is our Clubhouse Lobby, which is the first thing prospective new owners will see!) If you find the canister is full, please contact **Bill Gerkin** at **(503) 332-4550**.

Pick-Up Option

Fill a Blue Bag (available in the clubhouse office) with cans or bottles (plastic or glass) with the OR Refundable Deposit. Contact Lion Bill Gerkin at (503) 332-4550 to arrange for pick-up. He will pick them up (and leave empty bags) on the first Monday of each month.

You may also turn the blue bags into your local Bottle Drop location or, drop them off in the barrel at any of the other locations listed below

Drop Off Locations

- **Bottle Drop Store** - 14411 SW Pacific Hwy, Tigard, OR 97224
- **KCLC Newspaper Drop Box** - 11820 SW King James Pl, King City, OR 97224

KCCA Artists' Guild

Submitted by Diane Tyhurst

October is an artist's paradise, with all the beautiful colors of nature exploding on the horizon.

On September 30, the KCAG's show at New Season's Market in Tualatin concluded. Thanks to **Laurie Svec** and **Jan Auten** for taking down and packing up the art. Our show in the hall of the Arts and Crafts Building featuring artwork about WATER will remain on the walls indefinitely due to the many compliments we have received about this display. Following this display will be a show featuring works about FANTASY. Members of the AG created fantasy collages, which will be hung along with other "fantastical" paintings when the WATER exhibit is taken down.

On September 12, member **Jan Auten** shared a book about Austrian artist Gustav Klimt. He is remembered as a great decorative painter of the 20th century, producing one of the century's most significant bodies of erotic art. Following this presentation, members hung works of art in the multi-purpose room. These works represent AUTUMN and the beautiful colors it produces.

On September 26, members painted to music, the finished works an

expression of how the music made us feel. The music was Gregorian Chants. This will be followed by painting to Christmas music in December.

Member **Debbi Estes** will show her eclectic artwork at the KC Lions Bazaar, the American Legion Bazaar in November and the Symposium coffee shop in Tigard in December. Laurie and Leah Guengerich attended a workshop in acrylics and shared their experience with us. Laurie continues to teach private lessons in watercolor painting on Fridays at the Clubhouse. To schedule an appointment, please call **Laurie** at **503-746-5917**.

Our new art theme is WHAT MAKES YOU SMILE? This theme should pro-

duce many interesting and positive works of art that go on display at the end of the year. **Bev Jensen** will lead us in an Art Therapy class on October 10, and Jan Auten will set up a "still life" display for us to paint on October 24.

The KCAG meets every Thursday afternoon from 1:00-4:00 in the Clubhouse. All creative people and like-minded souls are welcome to join us for instruction and camaraderie. We are looking for help in hanging up our artwork when there is a show or display. If anyone is interested in assisting us, please call **Diane** at **503-620-0295**.

Iota Delta is Celebrating 69 Years!

Submitted by Cookie Jackson

October 31st marks Iota Delta Sorority's 69th year of bringing women together in friendship and community service. We welcome new friends and visitors each month at our social meeting, which is on the 3rd Monday of the month at the KCCA Clubhouse.

Iota Delta is a local chapter of Sigma Phi Gamma International Sorority. We are a friendship and service-

based organization that meets twice monthly, alternating business and social/lunch gatherings. As a non-profit organization, this past year, we have supported our community with donations to The Alzheimer's Association, The Good Neighbor Center and With Love, an organization that fills the needs of local foster children. We welcome women who share a common desire to uplift our community while sharing friendship and support along the way.

Bring a friend, come check us out and get all your questions answered. For more information, please call **Cynthia** at **503-330-2783**.

Men's Golf News

By George Patton, Handicap Chairman

This has been a very good month for golf at King City. Tuesday formats filled up very fast with the varied formats played, while our regular Thursdays garnered 65-70 players competing in several team formats. Our Fall Match Play tournament started with 32 players (the largest yet) and ended this week with **Mike Rodriguez** winning and **Richard Rodondi** as runner-up.

Some upcoming venues:

The Men's Club will participate in the Women's Charity Tournament on Sept. 18. The Fall Handicap Tournament will begin on Oct. 3, ending on Oct. 10. Open to King City Men's Golf Club members, both rounds will be 18 holes.

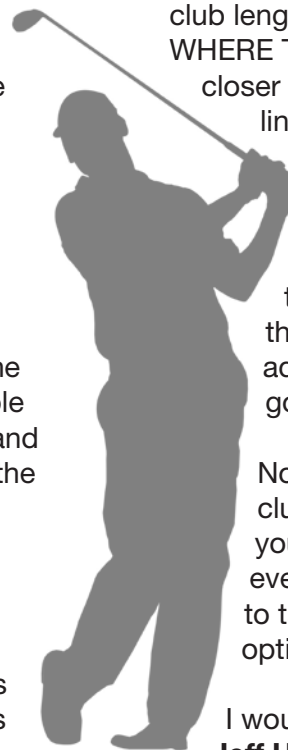

One rule that gives many players fits is how to apply Rule 19:

In golf, an unplayable ball refers to a situation where a player deems

their ball unplayable due to various reasons such as being in a difficult lie, in a hazard, or in an obstruction. When faced with an unplayable ball, a player has several options under the Rules of Golf, including taking a penalty stroke and dropping the ball within certain parameters. It is important for players to understand and follow the rules regarding unplayable balls to ensure fair play and maintain the integrity of the game.

The difficult lie is the option that gives the most trouble:

In golf, if a player's ball is in a difficult lie where it is deemed unplayable, the player has the option to declare the ball unplayable and take a penalty stroke. The player then has three options for proceeding under Rule 19 of the Rules of Golf.

They can go back to where they last played from, drop within two club lengths MEASURED FROM WHERE THE BALL LAY but no closer to the hole, or drop on a line from the hole through where the ball lay. It is important for players to assess the situation carefully and choose the option that best suits their circumstances while adhering to the rules of golf.

Note: sometimes the two club lengths will not get you out from under the big evergreen tree, so you have to take one of the other two options.

I would like to recognize both **Jeff Halfman** and **Miguel Jaqiz** for over 20 years of service to the King City Golf Course. Both men came on board in 2013.
