**LARC LUMINATIONS**

Submitted by Cindi McCollough, KCCA Board Director, LARC Chair

Winter may be the darker, harsher time of year, but it is necessary for respite and growth. It's a time for rebuilding. While it is the dormant season for most growing things it is the perfect time to plan and do some routine maintenance on your property. Here are some things to do:

- **Trim and tidy** — Toss out any plants that did not survive last year and start fresh.
- **Take care of your tools** — Sharpen your pruners and clean your trowels or shop for new tools.
- **Test your soil** — Apply your compost and mulch, but don't forget to test your soil to make sure you aren't missing any nutrients. OSU will test your soil sample or contact OSU Master Gardeners:

[cropandsoil.oregonstate.edu/shl/testing-services/soil-testing](http://cropandsoil.oregonstate.edu/shl/testing-services/soil-testing)

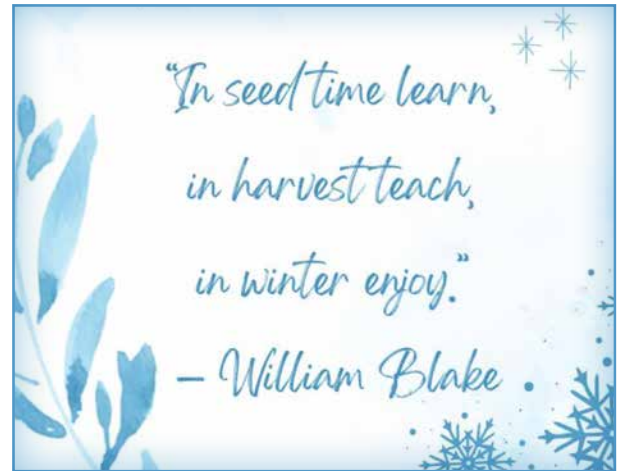

[www.metromastergardeners.org](http://www.metromastergardeners.org) or call 503-821-1150

With all the rain we have had lately our sidewalks and curbs may be slick and slippery. Please

remember as a property owner in KCCA you are responsible for maintenance of the curb, sidewalk, and driveway areas at your property. Kindly keep these areas free from debris and remove moss and mold which are growing in the wet environment. The safety and well being of our neighbors is paramount.

**A FEW OTHER REMINDERS:**

- **LARC will be surveying yard lampposts soon.** Green ribbons will be placed on those posts which are inoperable or need repair.
- **Utility trailers and RVs** may only be parked in KCCA for a maximum of seventy-two (72) hours. Kindly remove your trailers or you will be subject to a compliance notice and a fine
- **Any change to the exterior of your property** including the front and side yards whether it is painting, siding, solar panels, fencing, replacement windows and more require completion of a LARC Project Request Form.

These forms are available on the KCCA website or from the KCCA Office.

- **If you are planning to remove a tree** from your property:

".... To be certain that the trees on your property are not protected, please contact the King City Planning Division. Staff can help you determine what type of permit, if any, will be required for the removal of trees," King City Planning Division tel: 503-482-8702

- **If you plan to replace a tree** on your property, please also contact King City for the approved list of Street Trees: tel: 503-482-8702

# “Love is in the Air” brought to you by the KC Music Club

Submitted by Paula Wenzl

Our First Thursday Program is **February 6th, 2025 at 2:00 p.m.** in the Clubhouse Banquet Room.

Bring your sweetheart, or your neighbor, or someone longing for some company, to our program celebrating Love! We are planning a variety of old favorites, some torch songs and always a good time! The chorus is working on “L.O.V.E.,” “That’s Amore,” “What the World Needs Now,” and a blast from the past - “Rumors are Flying,” a hit from the 1946 archive! The soloists

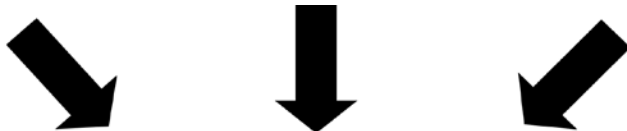

are planning: Jan with “Can’t Help Loving That Man,” Joan will sing “That’s All,” and Barbara V. Will bring us “Slow Boat to China.” Our funny guys Duane and Tom are planning something and they are always fun!

According to a recent study, when you sing it stimulates three hormones which are great for your body and suppresses one which is not so good. The good hormones include endorphins and dopamine which promote relaxation and well being. And also oxytocin which is the hormone produced when a mother sings to her baby or when

you look lovingly at your dog...it is the hormone of belonging and community cohesion. The hormone that is suppressed is cortisol which is produced in the body when we are stressed and singing is a natural distressing activity. Think about how you feel after a sing along with the chorus!

Please join us for Love Songs and the release of the feel good hormones!

**Our First Thursday Program be February 6, 2025 at 2:00 p.m. in the Clubhouse Banquet Room.**

**Want to:**

It's January and the start of a new year. I hope everyone had a very Merry Christmas and will have a Happy and Prosperous Golfing New Year.

Our yearly schedule of events has been set. Our regular events remain on the schedule at 8 a.m. Tuesday Play (Sign Up Required) and Thursday Play (Team event and Individual event format as required). Our club event dates are set: Fall Handicap-May 15 and 22, Club Championship-July 17 and 24, Fall Handicap-Oct 9 and 16. Spring Match play dates begin on (Tuesday) June 10 and run through July 8. Fall Match play dates begin on (Tuesday) August 5, and run through September 2. All the tournaments will be 18

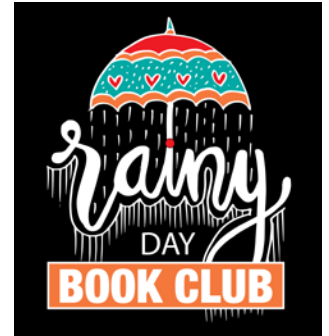

holes on the dates scheduled. The end of the year 9 hole Turkey Shoot is November 6.

Our opening day event will be a shotgun scramble on Thursday, April 3, with club meeting details to be announced later. We will draw for tee times at this time, and you can fill any vacant positions on your team with new members or those wishing to change teams. This is the time to contact your players to see if they are returning to play in the men's club.

Posting scores will start on March 1. Remember, all scores are to be posted whether you play here at King City or at an away course. Please use the GHIN apt to post your hole-by-hole scores. Later this year you will be required to post Hole by Hole, so practice it early.

## King City Artists' Guild

Welcome to the month of LOVE. I hope all have recovered from the busy and stressful holiday season. During January, the KCAG was busy planning for the upcoming new year. At the beginning of the year, we hung a new display in the arts and crafts building. This display, "WHAT MAKES ME SMILE," will be up from January through March. Following this display will be a show of paintings of our new theme, "MY FAVORITE PLACE," which will be up from April through June. Hope everyone enjoys our shows.

Member **Laurie Svec** and artist Emma Chamseddine have a new show at New Season's Market in Tualatin. The show is titled "A FLIGHT OF COLOR" and consists

of images of birds painted in watercolor. This art will be on display from January through March. Member **Sage Van Zandt** will show her unique art at the "CELEBRATION OF CREATIVITY" show at Southminster Presbyterian Church in Beaverton from **March 6 through March 9**. It's always a wonderful event to attend.

On **January 23**, member Kathryn Amrani set up a still-life display for us to draw and paint. It was very well-attended and enjoyed by all. It is interesting that despite the fact that we were all looking at the same display, each one was entirely different. On **February 13**, **Diane Tyhurst** will conduct a session of art therapy. The KCAG is in the process of doing

housekeeping in our shared closet. We have donated reams of print-making paper to P:ear, an organization that serves homeless youth in Portland.

The KCAG meets every Thursday from 1:00 to 4:00 in the multipurpose room of the Clubhouse. We welcome all creative souls and like-minded artistic folks to join us for art and interesting discussions. We welcome new ideas and suggestions for future programs.

The KCAG wishes Peace and Hope for everyone in the world in 2025.

For questions, please call **Kathryn Amrani** at **503-670-4977** or **Diane Tyhurst** at **503-620-0295**.

## King City Garden Club

### King City Community Garden Club News

Submitted by Peggy Nelson

Now that the holiday craze is behind us, we can look forward to Spring and set our sights on all things gardening!

This year, we are beginning a month later, so our first meeting will be on **March 14** (and NOT in February). This extra month gives us more time to dream about where to put all the pretty flowers. If you are interested in LEARNING more about gardening,

TALKING about gardening, or even DOING something about gardening, please join us this year.

We are a fun group and enjoy going out to different gardens around the Portland area. Come and check us out!! The meetings will be on the second Friday of each month, from March to November, from 2 to 4 p.m. in the Banquet Room in the clubhouse. If you have any questions at all, please call (or text) **Peggy Nelson** at **541-951-9930**.

Happy New Year King City Friends and Neighbors! Please join us on **February 20, 2025**, at **6:45 p.m.** for our first meeting in 2025. We have an evening planned that will be of interest to everyone in the community. Come and bring a friend to share information important to all.

With a two-month hiatus, there is much to discuss and learn about what is happening in Oregon, neighboring States, and the Nation regarding changes. We need to reflect on the recent fires in California, we

need to learn, discuss, and help make changes here in Oregon to be ready for fire during 2025!

Jonathon Palmer, a wildfire firefighter will share his experiences as one who has boots on the ground during fires. He will share with us strategies his brigades have used during fires. Strategies that help and things that hinder firefighters on the job. Information that has come out of the California fires in LA has been eye-opening and gut wrenching. As Oregonians, how can we help and make sure everyone is on a safe plan of action in our state.

# KCCA Woodworking Shop

Submitted by Mike Mathis

Happy 2025, fellow KCCA Woodworkers! I have a lot of great news to share with everyone:

1. Our BOD paid for a new air filtration system – now we can breathe easier, and we don't need to lose our Heated/ Air-Conditioned air. **Thank you, BOD, and to Jeff and Bryan for installing it.**
2. We're seeing a rise in new woodworkers joining the shop – We still have room for more; stop by and check us out.
3. The shop is getting a face-lift; several projects have been finished or are in the process of finishing:

**Bill Rayon** has been busy repainting the lockers in the main area of the shop, along with assisting me with relocating equipment and cleaning the shop from top to bottom.

**Mike Leach** was busy last year building several jigs around the shop. His latest creation was to build a Router Table – Thanks, Mike.

We have other changes on the way: a New table top for the Main Assembly table, a new location for our Woodshop Library, and The Hardware and Parts Bins. If you are interested in assisting, please contact **Mike Mathis** at **971-227-5274**.

The woodshop is holding a contest to create a shop sign. The winner will get their design made into a wooden sign, which will hang outside the shop's main door! We have some nice entries so far to consider. If you enjoy carving signs, we really could use you on this project!!
