From the Nominating Committee

Submitted by Cindi McCollough

While it seems like KCCA just held the 2024 Board of Directors elections, it is time once again to plan for the 2025 elections. Three (3) director positions will be open in June.

Our homes are important investments, and one way to help protect them is by being a part of the team that makes decisions about our community. The KCCA Board plans and executes programs and events that make our community a great place to live. It also makes decisions

about community assets, capital (reserve) projects, and operational plans.

Serving as a KCCA Board member is one of the best ways to make a difference. You'll have an opportunity to be a part of the solution. Your skills and expertise will help ensure KCCA's continued strong financial position and bright future.

Candidate nomination packets will be available at the KCCA Office beginning **March 1**. The

Nomination packets will contain 1) the election timeline, 2) a nomination petition, 3) a request for candidate bio and photo, 4) KCCA campaign regulations, and 5) KCCA and King City sign regulations and ordinance.

Completed candidate applications must be submitted to the KCCA Office by **March 31**.

For more information about being nominated as a KCCA Board of Directors candidate, please contact me at cmccollough@mykcca.com.

Larc Luminations

Cindi McCollough, KCCA Board Director, LARC CHAIR

What does LARC stand for?
Landscape Architectural Review Committee.

LARC is a standing KCCA Board committee that reports to the KCCA Board of Directors. LARC reviews and processes landscape and architectural projects and change requests for residents' home exteriors.

Why do we need LARC?

- We, as Home Buyers, agreed to KCCA CC&Rs (Covenants, Conditions & Restrictions) by signing HOA documents at closing
- Our homes are valuable assets, and we want their value to remain high

- Well-maintained and attractive properties make safe, pleasant surroundings

What's the purpose of the request forms and the LARC review process?

- To ensure consistency with landscape, architectural design and community appearance
- To provide guidance on property maintenance and to apply consistent application of LARC rules
- To protect KCCA property values through uniform standards and rules

What if I want to:

- Paint the exterior of my home
- Install a new roof
- Install solar panels
- Remove trees in my front and/or side yard
- Register a complaint about a LARC rule violation
- More

Please see:

LARC Manual, *LARC - The Basics Presentation* and Project Request form are available on the KCCA website (www.mykcca.com) under the "Home" header, and Announcements or contact office@mykcca.com.

March into Country and Folk Songs with the KC Music Club

Submitted by Paula Wenzl

Our **First Thursday** Program will be on **March 6, 2025**, at **2:00 p.m.** in the Clubhouse Banquet Room.

It may be raining, things may be “blowing in the wind,” and our group will still be bringing you music to help you through the winter challenges. We are excited to have a new director, **Jan Rosenthal**, who has been a member of the group for years. For her first time up, she will direct the chorus in “*Tennessee Waltz*” and “*If I Had a Hammer*.” **Paula** will direct “*The Gambler*” and “*We Shall Overcome*,” with each director choosing music from both Country and Folk themes. Some fun duets are in the planning: **Gerry** and **Lennon** are working on “*South of*

the Border,” and **Judith** and **Chick** are working on “*I’ve Got a Never Ending Love for You*.” The group is planning even more, and we hope you will be there to see and hear!

Why do we make music, and why do you come to listen? Because both are beneficial to our well-being! According to the Harvard Health Publishing newsletter: “Of survey respondents who currently go to musical performances, 69% rated their brain health as “excellent” or “very good,” compared to 58% for those who went in the past and 52% for those who never attended. Active musical engagement, including those over age 50, was associated with higher rates of happiness and good cognitive function.” So escape our winter

weather and join us for some folk and country music while we all improve our joy by living with music.

First Thursday Country and Folk music program will be Thursday, March 6, at 2:00 p.m. in the Clubhouse Banquet Room.

BILLY and the ROCKETS Returned to KCCA

To be honest, the concert had been scheduled for Super Bowl Sunday, and we were concerned that we would be competing with the BIG GAME and no one would show up. Well, our fears were proven to be unfounded! BILLY and THE ROCKETS entertained 49 KCCA HOA members, friends and neighbors with their toe-tapping music. A number of the audience ended up getting up to dance. We held a 50/50 Raffle, and the winner won \$33.00, which he kindly deposited into the band's tip jar!

Our next Hello Neighbors Social Committee Second Sunday Musical will feature the **Minidoka Swing Band** on **March 9, 2025**. Put it on your calendar NOW!

KCCA Second Sunday Musical *Presents* The Minidoka Swing Band

Submitted by Judi Harrison

Returning with their Swinging Big Sounds!

The Minidoka Swing Band remembers the Japanese Americans who were sent to internment camps during WWII with big band sounds from the 1930s, 40s and beyond. To make the best of a horrific situation, the camps often held Saturday night dances to give a sense of normalcy to teens and young adults.

King City Artists' Guild

Submitted by Diane Tyhurst

March comes in like a lion and goes out like a lamb. Welcome to the beginning of Spring, the season of renewal and rebirth.

During February, members of the K.C.A.G. hung up a new display in the Arts and Crafts Bldg. The theme of the display is "WE WANT SPRING!" and the paintings displayed have a theme related to Spring. **Laurie Svec** and fellow artists continue to show a wonderful display of painted birds at New Seasons Market in Tualatin. These paintings will be on display until the end of March. For Valentine's Day, members made unique and creative valentines to share with family and friends. On February 20, **Diane Tyhurst** taught a session of art therapy, a mental health treatment that helps people express their emotions and thoughts in times of sadness and high anxiety.

The Guild has decided to give away many old easels that have been stored in our storage closet. If interested, the easels can be seen between 1:00-4:00 on Thursday afternoons during our work session at the Clubhouse. If there are questions regarding easels, please

contact **Jan Auten** at **562-343-6533**.

On **March 6**, member **Jo Oekerman** will talk about Japanese/American artist Robert Dozono, a retired faculty member from Portland Community College, renowned for his instruction and painting of the human form and art that features the reuse of objects that one cannot recycle. His works have been shown at the Blackfish Gallery in Portland. On **March 6-8**, member **Sage Vanzandt** will show her very unique artwork at the Celebration of Creativity show at the Southminster Presbyterian Church in Beaverton.

The K.C.A.G. meets every **Thursday** from **1:00-4:00** in the multi-purpose room at the Clubhouse. We welcome all new folks who enjoy art and talking with like-minded people. We look forward to hearing new ideas for programs, speakers and outings and will welcome anyone who would like to help us hang art for different shows. Thanks!

Republican Club KCCA Newsletter

Submitted by Dan Harris

Hello, King City Friends and Neighbors! Please join us on **March 20, 2025, at 6:45 p.m.** for our monthly meeting. This month, we will have a community service program, and a distinguished journalist will speak.

Have you noticed your PGE bill

has increased over the past year? **Rachel DeRosia**, the Equitable Engagement person for PGE, will be with us to share their cost savings programs through PGE. “I’ll bring plenty of handouts and some goodies. We have materials in 15 languages – Arabic, Burmese, Chinese (Simplified), Chinese (Traditional), English, Farsi, Japanese, Korean, Rohingya, Romanian, Russian, Somali, Spanish, Swahili and Vietnamese. If there is a way to let folks know to bring their PGE bill with them, I can help sign them up that evening.”

John Woods will be our speaker for the evening. John is a

distinguished journalist published in the American Thinker. John is a Delegate to the State Oregon Republican Party. He will share current information with us this month.

Please join us on **March 20, 2025, at 6:45 p.m.** to learn how to lower your PGE costs. Also, join us to listen, learn, and then share John Woods’ inspiration.
