LARC Luminations

Submitted by Cindi McCollough, KCCA Board Director, LARC Chair

Spring has SPRUNG! We've set our clocks forward, and the crocus, daffodils, jonquils and trees are blooming. We're all ready to play in the dirt and spruce up our properties.

Please remember that our CC & Rs (Covenants, Conditions and Restrictions) which each of us agreed to and accepted via our signatures at the closing on our homes govern what we as homeowners are able to do to our properties in KCCA. The CC & Rs protect the value of our properties and KCCA.

So, if you want to:

- Install a new roof or re-roof your home
- Paint the exterior of your home
- Install a fence
- Remove or plant a tree in your front or side yard
- Change the structure of your home – e.g., enclose a sunroom, add on to your home, etc.
- Replace or install siding

- Add or build a storage shed
- Add a railing along your driveway or stairs
- Install solar panels....just to mention a few of the projects....

Be Sure To See:

The LARC Manual, LARC - The Basics Presentation and a Project Request form are available on the KCCA website: www.mykcca.com under the "Home" header, and Announcements—or Contact office@mykcca.com.

In most instances, you will need 1) a LARC Project Request Form with approval and 2) a King City building permit. King City requires tree replacement using its approved Street Tree list.

LARC Housekeeping & Reminders:

- Your LARC Committee, the KCCA Office and King City work together to resolve CC&R and city ordinance violations, e.g., abandoned vehicles, unkept properties, etc. Please do not send

anonymous emails or correspondence to a neighbor. The proper procedure is to complete a KCCA *Complaint or Compliance* form and submit it to the KCCA Office. Also, please do not independently clean up a neighbor's property. Contact the KCCA Office and LARC Committee.

- A LARC Project Request approval is good for 90 days. If your project extends beyond the 90-day approval, you will need to complete another Project Request form.
- Kindly return "LARC Approved Project" signs to the KCCA office.
- It's camping season – RVs, travel and utility trailers may only be parked at your property for a total of seventy-two (72) hours.
- Check your yard lamppost to ensure it is working and the light is illuminated.
- LARC Committee Meetings resume twice monthly beginning March 18.

Ride Connection's Free Shuttle Service

People living and commuting in King City can now access a recently updated, free shuttle option through Ride Connection's Community Connectors program. With a mission of linking accessible, responsive transportation alternatives with individual and community needs, King City wouldn't be connected the same without Ride.

Although known for providing transportation options for people over the age of sixty and individuals with a disability, Ride Connection delivers connections to the general public free of charge. This includes new Community Connector shuttles like CorneliusLink, BethanyLink, and expanded WestLink, which provide transportation to work, school, shopping, and community centers, as well as other services and destinations to thousands of people every year.

This new transit service was made possible through Statewide Transportation Improvement Funds (STIF) generated in Washington County and through TriMet's Regional Coordination Program.

The King City Link is an updated shuttle service that stops throughout the community on weekdays and connects King City, Tigard along Durham Road, Durham, and Tualatin with connections to Bridgeport Village, Tualatin Park and Ride, and Tualatin WES Station. Check out Ride Connection's website to learn more about Community Connectors and find schedules.

King City Artists' Guild

Submitted by Diane Tyhurst

Welcome to Spring with bursts of flowers and longer days, always motivating factors for artists.

Congratulations to **Sage VanZandt**. In February, several pieces of her art were featured in the annual Celebration of Life art show at the Southminster Presbyterian Church in Beaverton. It is an excellent show exhibiting exemplary talent. Several of our members attended this show, and a few have participated in previous years' shows at the church.

New art has been hung in the multipurpose room and the arts and crafts building. In the Multipurpose room is new art welcoming the return of Spring. In the Arts and Crafts building, the walls are decorated with art representing each person's expression of "what makes me smile." On **April 10**, we will switch the art to the A&C building. The new theme will be **My Favorite Place**. We hope that folks will enjoy this new display.

From **March 14 to April 12**, members **Debbi Estes** and **Jan Auten** will show their art at the Kathrin Cawein Gallery of Art at Pacific University. The show is titled **Knickers In A Bunch** and is a national women's art exhibit.

We continue to give away free easels, which can be picked up on **Thursdays from 1 p.m. to 3 p.m.** at the Clubhouse.

On **March 6**, member **Jo Oekerman** introduced us to Japanese/American artist Robert Dozono, a Portland artist and environmentalist specializing in using pieces of dry, discarded garbage in his artworks and has unique ways of looking at art and producing art. Mr. Dozono has shown his art at the Blackfish Gallery in Portland and local community colleges. He is a retired faculty member from P.C.C.

Discussion continues about the arts and crafts show on **August 9**, sponsored by the Hello Neighbors Social Committee, featuring the creative talents of the folks living in King City. The art guild will be participating in this first-of-a-kind show.

King City Community Garden Club News

Submitted by Peggy Nelson

It's that time of year... we are back, baby! Spring has sprung, and we are so happy it has finally arrived! Yes, it is time to plan and work on our gardens. We even have an extra hour of daylight to help out with that.

We have begun our monthly meetings for this year, and we hope to have more outings and speakers on the horizon. We are currently looking for speakers to come and dazzle us with any new and exciting advice about growing flowers... or growing vegetables... or just help-

ing with the planning of such.

Come check us out when you can! **We meet the second Friday of each month, now through November, from 2 p.m. - 4 p.m.** in the Banquet Room. There are even plans afoot to partake in a craft or two to aid us in our garden chores and help wile away the summer days.

If you have any questions, or just want to find out if this garden club would be your cup of tea, please call/text **Peggy Nelson** at **541-951-9930**, and email at

leftylambert@yahoo.com. If you have any suggestions for a possible speaker for our group, please let me know. The band is getting back together!!

Hello Friends and Neighbors! Please join us for our monthly meeting on **April 17, 2025**, at **6:45 p.m.** If you are a Veteran or know a Veteran, this will be a very informative evening for you.

Danny O'Neal will present information about The **Tunnel to Towers** program for Veterans. The Tunnel to Towers Foundation is committed to ending veteran

homelessness nationwide. We honor the sacrifice and dignity of the American Service Member by ensuring that no veteran is left out on the streets of the country they volunteered to defend. Through our Veterans Villages and National Case Management Network, the Tunnel to Towers Foundation provides housing assistance and access to supportive services to veterans and their families.

By the end of 2025, The Foundation will provide services to over 10,000 veterans and over

3,000 children. This number will grow exponentially in the years to come as we grow our team, strengthen our relationship with VA on a federal level, and form strategic alliances with other organizations in the space.

It will be an informative meeting to learn how programs can help Veterans and how we can participate to be helpful, too. We look forward to sharing this information with you on **April 17, 2025**, at **6:45 p.m.** in the KCCA Clubhouse.

April Showers Bring Broadway to the KC Music Club

Submitted by Paula Wenzl

The First Thursday Program will be on **April 3, 2025, at 2:00 p.m.** in the Clubhouse Banquet Room.

The club is celebrating the songs of Broadway - also called “great white way” because of the many white lights illuminating the theatre marquis and billboards.

We do not have the lights, but we do have eager performers ready to bring you some joy, songs and perhaps some laughter. In April, the full chorus will sing: *Give My Regards to Broadway*, *Oh, What a Beautiful Morning*, *The Sound of Music* and *When You Walk Through a Storm*,

Lennon Smith and Gerry Pederson

each of these songs from famous musicals. In 1904, “Little Johnny Jones” introduced *Give My Regards to Broadway*, written by George M. Cohan. The rest of the chorus numbers are from musicals

written by Rogers and

Hammerstein: *Oklahoma* in 1943, *The Sound of Music* in 1959, film 1965, and finally *Carousel* in 1945.

The group is so eager to sing for you that the set list filled in 24 hours! To keep

the intrigue going, here is a list of the other Broadway shows being represented in the solos: *State Fair* (1945), *Cats* (1981), *Gold Diggers of Broadway* (1929) and *South Pacific* (1949). According to Playbill, the top three longest-running Broadway musicals are: *The Phantom of the Opera* with 13,981 performances, *Chicago* with 11,121

performances and *The Lion King* with 10,744 performances. Musicals are well-loved and timeless.

We hope you will join us for our musical tribute to Broadway at our next **First Thursday program: April 3, 2025, at 2:00 p.m.** in the Clubhouse Banquet Room.
